The Indy Brand Story

In a little village nestled in the Cotswolds, Tom and Ian Lockwood were growing up in the countryside and dreaming big. Tom was a Commando in the Royal Marines and Ian was a Chef. Both were passionate about the outdoors and adventure. Tom was inspired by the Commando Training Centre and Ian was inspired by the great outdoors. Tom and Ian had a dream to start a business together.

And it took off!

By Year 2 they signed their first big order and were on the path to Six Figures in sales. Tom and Ian Lockwood were now working full time on their business. Tom was still in the Royal Marines Reserves and was deployed to Afghanistan for 6 months. Ian was still working full time at a Chef Recruitment Agency.
