Founder & CEO Jonathan Ward
Founder & Chief Technology Officer Ryan Ward

**Why you may want to invest in us...**

- FAST: We are faster than all other aircraft (eVTOL, seaplane, helicopter, plane, hybrid, etc.) in our mission
- STRONG: Strong relationships with the ecosystem for direct customer access and distribution
- DIFFERENTIATED: Our "open system" aircraft and route-based approach differentiates us from the competition
- EXPERIENCED: We are a team with 100+ years of flying, aircraft engineering, and aviation experience
- STARTING: We believe this is the best time to enter the market, before the impact of scale!

**Who is backing us?** 🚀 ...

Jonathan Ward
Co-Founder & CEO
Jonathan is a 3rd generation pilot and has been involved in the aviation industry his entire life. He has been a pilot for American Airlines for the last 15 years, flying all types of aircraft, including the Airbus A320 and Boeing 737. He has been involved in the development of several aircraft programs, including the Airbus A380 and Boeing 787
