Argenta Health

Executive Director

2014 - 2017 (3 years)

Greater Seattle Area

Argenta Health operates as a Health Care Information Technology (HCIT) company that provides an integrated health technology platform along with revenue cycle management (RCM) services to medical practitioners. As a HCIT provider, the Company acts as an outsourced IT department for medical practices, providing a suite of state of the art managed software including Electronic Health Records (EHR), Practice Management (PM), and a patient Health Web Portal. As a RCM service provider, we offer Billing Management and Consulting. Argenta provides comprehensive solutions that alleviate the technology and records management burden for medical practitioners and provide expert billing services. By leveraging a centralized support resources and decentralized technology resources across multiple practices, we create efficiencies that provide our medical clients faster collection of payables at lower costs.
