(e) No filings. Assuming the accuracy of the Subscriber's representations and warranties set forth in Section 4 hereof, no order, license, consent, authorization or approval of, or exemption by, or action by or in respect of, or notice to, or filing or registration with, any governmental body, agency or official is required by or with respect to the Company in connection with the execution, delivery and performance by the Company of this Subscription Agreement except (i) for such filings as may be required under Section 4(a)(6) of the Securities Act or the rules promulgated thereunder or under any applicable state securities laws, (ii) for such other filings and approvals as have been made or obtained, or (iii) where the failure to obtain any such order, license, consent, authorization, approval or exemption or give any such notice or make any filing or registration would not have a material adverse effect on the ability of the Company to perform its obligations hereunder.

(f) Financial statements. Complete copies of the Company's financial statements consisting of the statement of financial position of the Company as at December 31, 2024 and the related consolidated statements of income and cash flows for the two-year period then ended (the "Financial Statements") have been made available to the Subscriber and appear in the Offering Statement and on the site of the Intermediary. 4. Representations and Warranties of the Subscriber. By executing this Subscription Agreement, the Subscriber (and, if the Subscriber is purchasing the Securities subscribed for hereby in a fiduciary capacity, the person or persons for whom the Subscriber is so purchasing) represents and warrants, which

representations and warranties are true and complete in all material respects as of the date of the Subscriber's Closing Date(s):

(a) Requisite Power and Authority. The Subscriber has all necessary power and authority under all applicable provisions of law to execute and deliver this Subscription Agreement and other agreements required hereunder and to carry out their provisions. Upon their execution and delivery, this Subscription Agreement and other agreements required hereunder will be valid and binding obligations of the Subscriber, enforceable in accordance with their terms, except (i) as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights and (ii) as limited by general principles of equity that restrict the availability of equitable remedies.

(b) Investment Representations. The Subscriber understands that the Securities have not been registered under the Securities Act. The Subscriber also understands that the Securities are being offered and sold pursuant to an exemption from registration contained in the Securities Act based in part upon the Subscriber's representations contained in this Subscription Agreement.

(c) Illiquidity and Continued Economic Risk. The Subscriber acknowledges and agrees that there is no ready public market for the Securities and that there is no guarantee that a market for their resale will ever exist. The Subscriber must bear the economic risk of this investment indefinitely and the Company has no obligation to list the Securities on any market or take any steps (including registration under the Securities Act or the Securities Exchange Act of 1934, as amended) with respect to facilitating trading or resale of the Securities. The Subscriber acknowledges that the Subscriber is able to bear the economic risk of losing the Subscriber's entire investment in the Securities. The Subscriber also understands that an investment in the Company involves significant risks and has taken full cognizance of and understands all of the risk factors relating to the purchase of the Securities.

(d) Resales. The Subscriber agrees that during the one-year period beginning on the date on which it acquired the Securities pursuant to this Subscription Agreement, it shall not transfer the Securities except: (i) to the Company; (ii) to an "accredited investor" within the meaning of Rule 501 of Regulation D under the Securities Act; (iii) as part of an offering registered under the Securities Act with the SEC; or (iv) to a member of the Subscriber's family or the equivalent, to a trust controlled by the Subscriber, to a trust created for the benefit of a member of the family of the Subscriber or equivalent, or in connection with the death or divorce of the Subscriber or other similar circumstance.

(e) Investment Limits. Subscriber represents that: (i) either of the Subscriber's net worth or annual income is less than \$107,000, and that the amount it is investing pursuant to this Subscription Agreement, together with all other amounts invested in offerings under Section 4(a)(6) of the Securities Act within the previous 12 months, is either less than (A) 5% of the lower of its annual income or net worth, or (B) \$2,200; or (ii) both of the Subscriber's net worth and annual income are more than \$107,000, and that the amount the Subscriber is investing pursuant to this Subscription Agreement, together with all other amounts invested in offerings under Section 4(a)(6) of the Securities Act within the previous 12 months, is less than 10% of the lower of its annual income or net worth, and does not exceed \$107,000.

(f) Subscriber information. Within five days after receipt of a request from the Company, the Subscriber hereby agrees to provide such information with respect to its status as a stockholder (or potential stockholder) and to execute and deliver such documents as may reasonably be necessary to comply with any and all laws and regulations to which the Company is or may become subject. **The Subscriber further agrees that in the event it transfers any Securities, it will require the transferee of such Securities to agree to provide such information to the Company as a condition of such transfer.**

(g) Company Information. The Subscriber has read the Offering Statement. The Subscriber understands that the Company is subject to all the risks that apply to early-stage companies, whether or not those risks are explicitly set out in the Offering Materials. The Subscriber has had an opportunity to discuss the Company's business, management and financial affairs with managers, officers and management of the Company and has had the opportunity to review the Company's operations and facilities. The Subscriber has also had the opportunity to ask questions of and receive answers from the Company and its management regarding the terms and conditions of this investment. The Subscriber acknowledges that except as set forth herein, no representations or warranties have been made to the Subscriber, or to the Subscriber's advisors or representative, by the Company or others with respect to the business or prospects of the Company or its financial condition.

(h) Valuation. The Subscriber acknowledges that the price of the Securities was set by the Company on the basis of the Company's internal valuation and no warranties are made as to value. The Subscriber further acknowledges that future offerings of securities may be made at lower valuations, with the result that the Subscriber's investment will bear a lower valuation.

(i) Foreign Investors. If the Subscriber is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), the Subscriber hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Securities or any use of this Subscription Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Securities, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Securities. The Subscriber's subscription and payment for and continued beneficial ownership of the Securities will not violate any applicable securities or other laws of the Subscriber's jurisdiction.

5. Indemnity. The representations, warranties and covenants made by the Subscriber herein shall survive the closing of this Subscription Agreement. The Subscriber agrees to indemnify and hold harmless the Company and its respective officers, directors and affiliates, and each other person, if any, who controls the Company within the meaning of Section 15 of the Securities Act against any and all loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all reasonable attorneys' fees, including attorneys' fees on appeal) and expenses reasonably incurred in investigating, preparing or defending against any false representation or warranty or breach of failure by the Subscriber to comply with any covenant or agreement made by the Subscriber herein or in any other document furnished by the Subscriber to any of the foregoing in connection with this transaction.

6. Voting Proxy. The Subscriber shall appoint the Chief Executive Officer of the Company (the "CEO"), or his or her successor, as the Subscriber's true and lawful proxy and attorney, with the power to act alone and with full power of substitution, to, consistent with this instrument and on behalf of the Subscriber, (i) vote all common stock or preferred stock issuable upon conversion of the Securities, (ii) give and receive notices and communications, including notices of stockholder meetings and related proxy statements, (iii) execute any instrument or document that the CEO determines is necessary or appropriate in the exercise of its authority under this instrument, and (iv) take all actions necessary or appropriate in the judgment of the CEO for the accomplishment of the foregoing. The proxy and power granted by the Subscriber pursuant to this Section are coupled with an interest. Such proxy and power will be irrevocable. The proxy and power, so long as the Subscriber is an individual, will survive the death, incompetency and disability of the Subscriber and, so long as the Subscriber is an entity, will survive the merger or reorganization of the Subscriber or any other entity holding the common stock or preferred stock issued upon conversion of the Securities. However, this proxy will terminate upon the closing of a firm commitment underwritten public offering pursuant to an effective registration statement under the

Securities Act covering the offer and sale of the common stock of the Company or the effectiveness of a registration statement under the Securities Exchange Act of 1934, as amended, covering such common stock. **Notwithstanding the foregoing, in the case of any stockholder meeting of the Company, the proxy and power granted to the CEO by the Subscriber pursuant to this Section shall only become operative if the Subscriber fails to attend and vote at, or otherwise deliver a proxy on or prior to the date of, such meeting.**
