Providing previously unobtainable drug-like small molecules (IP) directly from microbiomes to partners discovering new therapeutics, agrochemical, longevity, & more w/ complete AI datasets

December 2, 2020, Ross was senior to Michele but didn't manage Michele directly

Michele Cole is a seasoned, capable, and engaging Board & C-level executive that has proven time and again to bring enormous value to an organization. She brings perspectives that many teams are unable to conjure, while seamlessly contributing in many ways to improve the overall organization's competitiveness an ...see more
