Chief Executive Officer at The Hashmi Group

January 12, 2022, Yasir worked with Ross but on different teams

Ross is one of the most strategic and charismatic personality I have worked with. He is very specialised in his work and is very hardworking towards achieving his goals! He has created a great company which is a reflection of his personality I believe. He has a very amazing rare combination of science and financ ...see more

August 31, 2010, Bill worked with Ross but they were at different companies

There are lots of people who have good ideas. And there are many others who are good at getting things done. Ross is one of the few who excel at both. This combination makes him an amazing business and societal change agent. I've been lucky to have him as an advisor for several years, but spend 10 minute: ...see more

Marketing strategist with 20+ years of experience.

August 25, 2010, Ross was Jon's client

Ross epitomizes the words "entrepreneur" and "inventor". His mind is always going, and he is quick to recognize new opportunities, and exploit them. I feel very fortunate to have worked closely with Ross on the Algae VS business. His ability to explain the science and engineering behind his work in an easy-to-und ...see more
