VIRTUAL WORLD COMPUTING LLC

NOTES TO THE FINANCIAL STATEMENTS

For the year ending December 31, 2022

NOTE 1-ORGANIZATION AND NATURE OF THE BUSINESS

Virtual World Computing, LLC ("VWC", the "Company", "we," "our," "ours" or "us") is an internet browser company that provides a free speech uncensored browsing experience.

VWC was founded in 2008 by Jeffrey C. Bermant and is headquartered in Santa Barbara California.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

Basis of Accounting- The Company prepared the accompanying financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The financial statements include the operations, assets and liabilities of the Company. In the opinion of the Company's management, the accompanying financial statements contain all adjustments, consisting of normal recurring accruals, necessary to fairly present the accompanying financial statements.

Use of Estimates- The preparation of financial statements and related disclosures in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Estimates and assumptions are reviewed periodically, and the effects of revisions are reflected in the period in which they are determined to be necessary.

Cash, and Cash Equivalents- Cash and cash equivalents include all short-term highly liquid investments that are readily convertible to known amounts of cash and have original maturities of three months or less from the date of purchase. As of December 31, 2022, the Company had cash of \$126,671 maintained in U.S. bank accounts.

Restricted Cash- The Company did not have any restricted cash balances, deposits held as compensating balances or cash segregated in compliance with federal or other regulations as of December 31, 2022.

Revenue and Expense Recognition- The Company recognizes revenues from subscriptions services when earned and collection is reasonably assured. Upfront fees are recognized over the estimated period that the related services are performed. Transaction-related fees are recognized when all services for a transaction have been provided, specified conditions have been met and the transaction closes.

Income Taxes-The Company's is organized as a limited liability company. for U.S. federal income tax purposes, taxes related to income earned by the Company represent obligations of the individual partners and members and have not been reflected in the statement of financial condition.
