

## **FLASHFUNDERS SUBSCRIPTION PROCESS**

### Platform Compensation

As compensation for the services provided hereunder by FlashFunders Funding Portal, LLC ("FlashFunders") Issuer shall pay to FlashFunders at the conclusion of the offering a fee consisting of a 5% (five percent) commission based on the amount of investments raised in the Offering and paid upon disbursement of funds from escrow at the time of a closing. The commission and reimbursement of certain expenses related to the Offering is paid in cash.

### Information Regarding Length of Time of Offering

- **Investment Cancellations:** Investors will have up to 48 hours prior to the end of the offering period to change their minds and cancel their investment commitments for any reason. Once the offering period is within 48 hours of ending, investors will not be able to cancel for any reason, even if they make a commitment during this period.
- **Material Changes:** Material changes to an offering include but are not limited to: A change in minimum offering amount, change in security price, change in management, etc. If an issuing company makes a material change to the offering terms or other information disclosed, including a change to the offering deadline, investors will be given five business days to reconfirm their investment commitment. If investors do not reconfirm, their investment will be cancelled and the funds will be returned.

### Hitting The Target Goal Early & Oversubscriptions

- Investors can view when the target offering amount has hit 25%, 50% and 100% of the funding goal on the Offering Page. If the issuing company hits its goal early, and the offering minimum of 21 days has been met, the issuing company can create a new target deadline at least 5 business days out. Investors will be notified of the new target deadline via email and will then have the opportunity to cancel up to 48 hours before new deadline.
- **Oversubscriptions:** Issuer may accept oversubscriptions at its discretion.
- If the sum of the investment commitments does not equal or exceed the target offering amount at the offering deadline, no securities will be sold in the offering, investment commitments will be cancelled and committed funds will be returned.
- If a FlashFunders Issuer reaches their target offering amount prior to the

deadline, they may conduct an initial closing of the offering early if they provide notice about the new offering deadline at least five business days prior to the new offering deadline (absent a material change that would require an extension of the offering and reconfirmation of the investment commitment) and the 21 day waiting period has passed. Thereafter, the issuer may conduct additional closings until the offering deadline.
