RehabPulse is a leading technology online marketplace for rehabilitation products and solutions. RehabPulse's unique approach comes from being a manufacturer itself and relentless obsession to help people move creates perfect deals for both vendors and customers.

Having faced the same issues as a vendor, Rowheels built RehabPulse as a revolutionary way to distribute products in the rehab industry. The team also recognised that traditionally for customers, shopping online for rehab products and DME can present a number of problems from customer support to customizing products, so they made sure to address these ...[see more](#)

National Director of Sales at
Advanced Orthopaedics

November 11, 2016, Anne
reported directly to Gaurav

I worked with Gaurav at Ottobock OS division for over 3 years and found him to be one of the most dedicated and driven leaders I have ever worked with. He demonstrated a tremendous dedication to thoroughly understand this very unique business unit and a very strong commitment to the divisions success. [See](#)
