Adjunct Professor

Wentworth Institute of Technology

Jun 2014 – Present • 3 yrs 11 mos

I moonlight as an adjunct professor at Wentworth, typically getting in 1-2 classes every year. I love it. It's tutoring, theater, and mentorship all in one. I've met some wonderful students and am hopeful I haven't screwed them up too badly.

Data Scientist

Mobe

Feb 2013 – May 2014 • 1 yr 4 mos

Boston, MA

Mobe is gathering and organizing the world's offline data. Sound familiar? It's built by former Googlers, who realized that not all of the world's data and information is available online. We gather this data through our "smartphone army" and distill it into actionable insights that brands like Gap, Subway, and Coke require but are unable to obtain.

Rental Agent
