WHO WE ARE

Pastakia & Associates, LLC is a real estate development firm specializing in mixed use, urban infill projects in the Puget Sound area. Our vision is simple – creating enduring value through “place making”. We partner with landowners, investors and developers to bring projects to life. We are passionate about maximizing the value we create of our clients’ real estate assets, while showcasing their responsibility to the community at large. At every stage of development, from feasibility analysis, entitlements, construction and lease up, our passion for the built environment informs our work.... See more
