Dr. Praveen Shanbhag

Founder & CEO, NameCoach Inc.
San Francisco Bay Area

Summary

Founder & CEO of NameCoach

NameCoach is a software platform that solves the common problem of name mispronunciation by embedding accurate audio name pronunciations into the tools people use everyday. NameCoach provides businesses and schools a web application, API, and out-of-the-box integrations into commonly used platforms such as Salesforce and Microsoft Outlook. The NameCoach pronunciation system promotes inclusivity and belonging across any organization while supporting both internal and external communications.

Founded in 2014, the company is based in Palo Alto, California.

NameCoach Inc.

Founder & CEO

September 2014 - Present (10 years 7 months)

Palo Alto, CA

I founded NameCoach (name-coach.com) to solve the ubiquitous problem of name mispronunciation, and make the world a better place in the process.

We help schools, businesses, and organizations create more inclusive environments, enhance student and customer experience, and ensure that every interaction builds rapport and respect from the very first moment.
