THE OFFERING AND THE SECURITIES

The Offering

The Issuer is offering a minimum amount of \$74,999.00 (the “**Target Offering Amount**”) and up to a maximum amount of \$4,999,998.70 (the “**Maximum Offering Amount**”) of Common Stock, par value of \$0.0001 per share (the “**Securities**”) on a best-efforts basis as described in this Form C (this “**Offering**”). The Minimum Individual Purchase Amount is \$500.00, and the Maximum Individual Purchase Amount is \$250,000.00. The Issuer reserves the right to amend the Minimum Individual Purchase Amount and Maximum Individual Purchase Amount, in its sole discretion. In particular, the Issuer may elect to participate in one of the Intermediary’s special investment programs and may offer alternative Minimum Individual Purchase Amounts and Maximum Individual Purchase Amounts to Investors participating in such programs without notice. The Issuer must raise an amount equal to or greater than the Target Offering Amount by April 25, 2026 (the “**Offering Deadline**”). Unless the Issuer receives investment commitments, which are fully paid for and meet all other requirements set by this Offering, in an amount not less than the Target Offering Amount by the Offering Deadline, no Securities will be sold in this Offering, all investment commitments will be canceled, and all committed funds will be returned.

The price of the Securities was determined arbitrarily, does not necessarily bear any relationship to the Issuer’s asset value, net worth, revenues or other objective established criteria of value, and should not be considered indicative of the actual value of the Securities.

In order to purchase the Securities, you must make a commitment to purchase by completing the purchase process hosted by the **Intermediary** (as defined above), including complying with the Intermediary’s know your customer (KYC) and anti-money laundering (AML) policies. **If an Investor makes an investment commitment under a name that is not their legal name, they may be unable to redeem their Security indefinitely, and neither the Intermediary nor the Issuer are required to correct any errors or omissions made by the Investor.**

Investor funds will be held in escrow with a qualified third-party escrow agent meeting the requirements of Regulation CF (“**Escrow Agent**”) until the Target Offering Amount has been met or exceeded and one or more closings occur. Investors may cancel an investment commitment until up to 48 hours prior to the Offering Deadline or an intermediate close, using the cancellation mechanism provided by the Intermediary. **Investors using a credit card to invest must represent and warrant to cancel any investment commitment(s) by submitting a request through the Intermediary at least 48 hours prior to the Offering Deadline, instead of attempting to claim fraud or claw back their committed funds. If the Investor does not cancel an investment commitment before the 48-hour period prior to the Offering Deadline, the funds will be released to the Issuer and the Investor will receive their Securities.**

All investment commitments made in this Offering will be represented by a pro rata beneficial interest (based on the amount invested) subject to the terms of the Subscription Agreement (attached as Exhibit B), Custodial Services Agreement (attached as Exhibit C) and Omnibus Nominee Trust Agreement (attached as Exhibit D). Under the Subscription Agreement, Custodial Services Agreement, and Omnibus Nominee Trust Agreement, Securities sold in this Offering will be deposited into a custodial account (“**Custodial Account**”) with BitGo Trust Company, Inc., who will serve as the custodian (the “**Custodian**”) for the Securities sold in this Offering. In order to receive Securities from this Offering, Investors will be required to establish, or verify that they already have, an account with the Custodian. The legal title to the Securities purchased by the Investor in this Offering will be held in the name of a trust established by and maintained by BitGo Trust Company, Inc. as nominee (“**Nominee**”) for the purposes of safeguarding the Securities and providing for efficiencies with respect to tax reporting, distributions and estate planning purposes related to the Securities pursuant to the terms and conditions of the Omnibus Nominee Trust Agreement attached hereto as Exhibit D.

The Issuer will notify Investors when the Target Offering Amount has been reached through the Intermediary. If the Issuer reaches the Target Offering Amount prior to the Offering Deadline, it may close the Offering early *provided* (i) the expedited Offering Deadline must be twenty-one (21) days from the time the Offering was opened, (ii) the Intermediary must provide at least five (5) business days’ notice prior to the expedited Offering Deadline to the Investors and (iii) the Issuer continues to meet or exceed the Target Offering Amount on the date of the expedited Offering Deadline.

The Deal Page

A description of our products, services and business plan can be found on the Issuer's profile page on the Intermediary's website under <https://republic.com/Rentberry> (the "**Deal Page**"). The Deal Page can be used by prospective Investors to ask the Issuer questions and for the Issuer to post immaterial updates to this Form C as well as make general announcements. You should view the Deal Page at the time you consider making an investment commitment. Updates on the status of this Offering can also be found on the Deal Page.

Material Changes

If any material change occurs related to the Offering prior to the current Offering Deadline the Issuer will provide notice to Investors and receive reconfirmations from Investors who have already made commitments. If an Investor does not reconfirm their investment commitment after a material change is made to the terms of the Offering within five (5) business days of receiving notice, the Investor's investment commitment will be canceled, and the committed funds will be returned without interest or deductions.

Intermediate Closings

In the event an amount equal to two (2) times the Target Offering Amount is committed and meets all required terms of the Offering prior to the Offering Deadline on such date or such later time the Issuer designates pursuant to Rule 304(b) of Regulation CF, the Issuer may conduct the first of multiple closings of the Offering early, *provided* (i) the early closing date must be twenty-one (21) days from the time the Offering opened and (ii) that all Investors will receive notice of such early closing date at least five (5) business days prior to such new offering deadline (absent a material change that would require an extension of the Offering and reconfirmation of all investment commitments). Investors who committed on the date such notice is provided or prior to the issuance of such notice will be able to cancel their investment commitment until 48 hours before such early closing date.

If the Issuer conducts an initial closing (the "**Initial Closing**"), the Issuer agrees to only withdraw seventy percent (70%) of the proceeds that are in escrow and will only conduct such Initial Closing if there are more than twenty-one (21) days remaining before the Offering Deadline as of the date of the Initial Closing. The Issuer may only conduct another close (a "**Subsequent Closing**") before the Offering Deadline if the amount of investment commitments made as of the date of such Subsequent Closing exceeds two times the Target Offering Amount as of the date of the Initial Closing and there are more than twenty-one (21) days remaining before the Offering Deadline as of the date of such Subsequent Closing.

Any investment commitments received after an intermediate closing will be released to the Issuer upon a subsequent closing and the Investor will receive evidence of the Securities via electronic certificate/PDF in exchange for their investment commitment as soon as practicable thereafter.

The Issuer has agreed to return all funds to Investors in the event a Form C-W is ultimately filed in relation to this Offering, regardless of whether multiple closings are conducted.

Investment commitments are not binding on the Issuer until they are accepted by the Issuer, which reserves the right to reject, in whole or in part, in its sole and absolute discretion, any investment commitment. If the Issuer rejects all or a portion of any investment commitment, the applicable prospective Investor's funds will be returned without interest or deduction.

The Securities

We request that you please review this Form C, the Subscription Agreement attached as Exhibit B, Custodial Services Agreement attached hereto as Exhibit C, and Omnibus Nominee Trust Agreement attached as Exhibit D, in conjunction with the following summary information.

Additionally, the primary documents governing voting and the rights and preferences of Investors holding the Securities are the Amended & Restated Certificate of Incorporation (the "**A&R Certificate of Incorporation**") attached as Exhibit E, the Issuer's Amended Bylaws (the "**Bylaws**") attached as Exhibit F, and the Issuer's Stockholders' Agreement attached as Exhibit G (the "**Stockholders' Agreement**", together with the A&R Certificate of Incorporation and Bylaws, the "**Governing Documents**"). All statements in this Form C regarding the rights and preferences, and terms, of the Securities being sold in this Offering, including voting and control, are qualified in their entirety by reference to the Governing Documents. As a condition of subscribing to this Offering, Investors (and not

the Custodian) will be required to become a party to the Stockholders' Agreement as entered into by and among the Company and its stockholders by executing the Joinder Agreement, attached as Exhibit A to the Subscription Agreement. The material terms of the Stockholders' Agreement are summarized herein. See Exhibit G which shows the full terms of the Stockholders' Agreement.

The Securities are "**Common Stock**". Unless otherwise required by law, the Common Stock carries no management, or control rights in the Issuer. Additionally, the Securities are not convertible.

Pricing

The Securities are being offered at a price per share of Common Stock of \$1.85. The Investor will receive the number of shares of Common Stock equal to the amount the Investor paid for the Securities (the "**Purchase Amount**") divided by \$1.85 (as rounded to the lowest whole number).

Authorized Capitalization

The Issuer has authorized 100,000,000 shares of common stock, par value \$0.0001 per share (the "**Common Stock**"). Please refer to the section titled "*Capitalization and Ownership*" below for information on the capitalization of the Issuer.

Dividends and/or Distributions

The Securities entitle Investors to dividends, as and when declared by the Issuer's management, proportionally in accordance with their ownership.

Nominee

The title holder of the Securities will be a trust established by and maintained by Nominee for the purposes of safeguarding the Securities and providing for efficiencies with respect to tax reporting, distributions and estate planning purposes related to the Securities. Pursuant to the terms of the Omnibus Nominee Trust Agreement (attached as Exhibit D), Investors are engaging Nominee as its limited agent to safeguard and provide certain limited services with respect to the Securities held in trust. Investors are appointing Nominee to act as nominee for the Investors, to serve in such capacity until the appointment and authority conferred is revoked, for the limited purpose of causing to be held, and holding, in the name of Nominee alone, title to the Securities beneficially owned by the Investors and acquired by Nominee for the benefit of Investors or otherwise conveyed to Nominee in accordance with the directions of the Investors, with power and authority limited to registering and holding the Securities in Nominee's name, and otherwise acting with respect to the Securities in accordance with the instructions of the Investors, as provided in the Omnibus Nominee Trust Agreement or as may be given by the Investors from time to time. The Nominee will have no right or authority to act with respect to the Securities, except upon the instructions of the Investors. An Investor may, at any time, in its absolute discretion, terminate the Omnibus Nominee Trust Agreement in whole or in part; provided, however, that no such termination will be effective with respect to any Securities the transfer of which is restricted by contract, law, edict or otherwise unless consented to by the Issuer thereof (including by blanket consent). Nominee's sole function during the term of the Omnibus Nominee Trust Agreement will be to hold nominal legal title to the Securities for the benefit of the Investors under and subject to the Investor's instructions. Investors agree to indemnify Nominee per the terms of the Omnibus Nominee Trust Agreement.

Voting and Control

Investors will be minority Common Stock owners in the Company. The Securities have voting rights equal to one vote per share of Common Stock. However, Investors will be required to become parties to the Company's Stockholder's Agreement by executing the Joinder Agreement, attached as Exhibit A to the Subscription Agreement which grants an irrevocable proxy to the Company's CEO, Oleksiy Lubinsky, to vote the shares of Common Stock from this Offering on all matters put to a vote of the stockholders. As a result, the Investors will have limited voting power on any corporate matters of the Company, including additional issuance of securities, Company repurchase of securities, a sale of the Company or its significant assets, or Company transactions with related parties. Further, Investors will indirectly hold only the Securities (the Custodian will be the legal owner of the Securities) and are completely passive investors. Investors should not purchase the Securities if they are not comfortable with this limitation of voting power and control.

Stockholders' Agreement

Proxies

As a condition for subscribing to purchase shares of the Company's Common Stock in this Offering, each Investor will be required to become a party to the Stockholders' Agreement by executing the Joinder Agreement, attached as Exhibit A to the Subscription Agreement. The Stockholders' Agreement grants an irrevocable proxy to the Company's CEO, Oleksiy Lubinsky, to vote the Securities in this Offering held by the Custodian on all matters put to a vote of the stockholders. The CEO's proxy will terminate upon the earlier of the closing of a firm-commitment underwritten public offering pursuant to an effective registration statement under the Securities Act covering the offer and sale of Common Stock, the effectiveness of a registration statement under the Exchange Act covering the Common Stock, or five years from the date of an investor's execution of the Subscription Agreement.

Notwithstanding the expiration of the CEO's proxy described above, the Stockholders' Agreement grants the CEO a separate proxy and power of attorney in cases where an Investor does not vote or votes in manner inconsistent with that agreement. This proxy and power of attorney terminates upon the earlier of the consummation of the Company's first underwritten public offering of its Common Stock, the consummation of a sale of the Company and distribution of proceeds to or escrow for the benefit of the stockholders, or the written consent of the Founder, defined as Mr. Lubinsky, and the holders of a majority of the issued and outstanding shares of the Company's Common Stock.

Founder's Vote

Additionally, the Stockholders' Agreement mandates that the Company's Founder, defined as Mr. Lubinsky, the Company's CEO, approve of each of the following:

- The sale, transfer or other disposition of all or substantially all of the Company's assets;
- The incurrence or the guarantee of indebtedness by the Company in excess of \$5 million, except financing of receivables in the ordinary course of business;
- The merger, consolidation or dissolution of the Company other than a merger in which the Company is the surviving corporation;
- Any material recapitalization, restatement of assets, reduction of capital or other material change in the capitalization of the Company;
- Any issuance or agreement to issue any capital stock of the Company or any option or warrant for, any security convertible into, any capital stock of the Company other than pursuant to employee benefit plans approved by the Board of Directors of the Company;
- The filing of any registration statement under the Securities Act of 1933, as amended, with respect to a public offering of the Company's securities; or
- The amendment of the Certificate of Incorporation or Bylaws (or similar charter or organizational documents) of the Company.

Required Vote in Favor of Founder's Slate of Directors in Addition to the Proxies

With respect to the election of directors, the Stockholders' Agreement provides that as long as the Founder/CEO, Mr. Lubinsky, and his affiliates own collectively 20% of the Company's issued and outstanding Common Stock on a fully diluted basis, each stockholder agrees to vote their shares in favor of the individuals designated by Mr. Lubinsky as Founder/CEO.

Stockholders Required to Vote in Favor of Increase in Authorized Shares of Common Stock

The Stockholders' Agreement binds each stockholder to vote all shares owned by the stockholder in favor of an increase in the number of authorized shares of Common Stock such that there will be sufficient shares of Common Stock available for either the conversion of all of the shares of the Company's Preferred Stock outstanding at any given time and for any issuance of Common Stock pursuant to equity financing activities at the request of the Founder/CEO.

Drag-Along Provision

Our stockholders will be subject to a drag-along provision related to the sale of the Company. If the Board of Directors receives and accepts a bona fide written offer to engage in a sale of the Company, or agrees to a liquidation or winding down of the Company, in one transaction or a series of related transactions, stockholders will be required to sell their shares at the Drag-Along Price or otherwise participate in the Drag-Along Transaction even if they don't want to sell

their shares at that price or participate in the Drag-Along Transaction. Specifically, investors will be forced to sell their stock in that transaction regardless of whether they believe the transaction is the best or highest value for their shares, and regardless of whether they believe the transaction is in their best interests.

Anti-Dilution Rights

The Securities do not have anti-dilution rights, which means that future equity issuances and other events will dilute the ownership percentage that Investors may eventually have in the Issuer.

Restrictions on Transfer

Any Securities sold pursuant to Regulation CF being offered may not be transferred by any Investor of such Securities during the one-year holding period beginning when the Securities were issued, unless such Securities are transferred: (1) to the Issuer; (2) to an accredited investor, as defined by Rule 501(d) of Regulation D promulgated under the Securities Act; (3) as part of an IPO; or (4) to a member of the family of the Investor or the equivalent, to a trust controlled by the Investor, to a trust created for the benefit of a member of the family of the Investor or the equivalent, or in connection with the death or divorce of the Investor or other similar circumstances. "Member of the family" as used herein means a child, stepchild, grandchild, parent, stepparent, grandparent, spouse or spousal equivalent, sibling, mother/father/daughter/son/sister/brother-in-law, and includes adoptive relationships. Each Investor should be aware that although the Securities may legally be able to be transferred, there is no guarantee that another party will be willing to purchase them. Furthermore, as the Custodian is the legal owner of the Securities, until the Custodian transfers the Securities from custodial accounts with the Custodian ("***Custodial Accounts***") to the accounts designated by Investors, Investors may only transfer their beneficial interest in the Securities and not the Securities themselves. Each Investor should be aware that although the Securities may legally be able to be transferred, there is no guarantee that another party will be willing to purchase them, particularly as transfers will require coordination with the Custodian and only the beneficial interest in such Securities, and not legal ownership, may be transferred.

In addition to the foregoing restrictions, prior to making any transfer of the Securities, such transferring Investor must either make such transfer pursuant to an effective registration statement filed with the SEC or provide the Issuer with an opinion of counsel reasonably satisfactory to the Issuer stating that a registration statement is not necessary to effect such transfer.

Furthermore, upon the event of an IPO, the Securities will be subject to a lock-up period (for which the Company's CEO may execute documents on behalf of the Investors) and may not be lent, offered, pledged, or sold for up to 180 days following the date of the final prospectus plus such additional period as may reasonably be requested by the Issuer or the underwriter to accommodate regulatory restrictions on (i) the publication or other distribution of research reports or (ii) analyst recommendations and opinions.

Prohibition on Creation of Security Interest

The Investor may not grant a security interest in the Securities or otherwise encumber the Investor's Common Stock in any manner.

Other Material Terms

- The Issuer does not have the right to repurchase the Securities.
- Transfer restrictions may conflict with the terms of the Custodial Services Agreement as described in [Exhibit C](#) and Omnibus Nominee Trust Agreement described in [Exhibit D](#).
- If the Investor seeks to transfer beneficial interests in the Securities, the terms of the Governing Documents will govern. Since the legal title to the Securities will be held by the Nominee, Investors will need to coordinate any permitted sales/transfers of the Securities with the Nominee (as Nominee and Custodian) pursuant to the afore-referenced Custodial Services Agreement and Omnibus Nominee Trust Agreement.

BUSINESS

Description of the Business

Rentberry, Inc. (the "Issuer") is a technology company transforming the long-term rental industry through its end-to-end digital platform. The Rentberry platform streamlines the entire rental process, from property search and application to lease signing and rent payments, offering a seamless experience for both tenants and landlords.

Leveraging advanced data analytics and artificial intelligence, Rentberry enables property owners to make informed pricing and tenant decisions, while providing renters with personalized property recommendations and a transparent application process. The platform also facilitates instant rent payments, integrated credit checks, and digital lease execution, reducing time, friction, and cost across every stage of the rental lifecycle. Rentberry is available through its web platform and dedicated mobile applications for iOS and Android. The company's technology supports rental listings and transactions in more than 90 countries, serving a growing global user base.

Founded in 2015 and incorporated in Delaware, Rentberry is headquartered in California and operates with a distributed, primarily remote workforce. The Issuer markets and delivers its services through the internet to customers across the United States and internationally. The Issuer's website is <https://rentberry.com>.

Business Plan

The Issuer develops advanced technology platforms designed to transform the residential rental market. Its flagship platform, Rentberry, provides an all-in-one home rental solution that simplifies and modernizes the process of renting long-term residential properties. By digitizing the end-to-end rental experience, Rentberry aims to make renting more affordable, transparent, and efficient for both tenants and landlords.

AI-Powered Real Estate Agent

In its next phase of innovation, the Issuer is developing an AI-Powered Real Estate Agent, a next-generation technology designed to redefine how users search for, evaluate, and secure rental properties. Leveraging machine learning and natural language processing, this intelligent system interprets user behavior, preferences, and lifestyle needs to deliver curated listings, personalized recommendations, and real-time communication between renters and landlords. For landlords, the AI agent will automate routine tasks such as inquiry responses, document management, and tenant screening, reducing friction and vacancy times. This innovation is expected to enhance engagement, improve conversion rates, and strengthen Rentberry's competitive advantage in the global rental technology sector.

Pre-IPO Position and Growth Strategy*

The Issuer is currently in its pre-IPO stage and has future plans to list its shares on the Nasdaq Stock Market under the reserved ticker symbol "RNTB." Rentberry has achieved significant milestones, including operating in more than 90 countries and managing over 15 million live listings.

Strategic Growth and Use of Proceeds

Rentberry's mission is to remove pain points in the traditional rental process, reducing delays and inefficiencies while freeing capital tied up in rental deposits. The platform's integrated approach and expanding ecosystem aim to create a unified, global standard for renting homes. The Issuer intends to accelerate its growth by expanding sales and

marketing initiatives, enhancing operational capacity, and scaling its technology infrastructure. Funds raised through this offering will primarily be used to:

- Increase marketing and user acquisition efforts;
- Support continued development of Rentberry’s AI technologies;
- Retain and recruit key personnel to support ongoing expansion.

Through innovation and strategic execution, Rentberry seeks to establish itself as a global leader in the rental technology and PropTech sectors, delivering smarter, faster, and more flexible housing solutions to renters and property owners worldwide.

The Issuer’s Products and/or Services

Product / Service	Description	Current Market
Rentberry Platform	The Rentberry platform enables users to complete all rental-related tasks in one secure, cloud-based environment. The platform’s patented technology provides a transparent rental application and price negotiation process, allowing tenants and landlords to interact directly. Leveraging advanced artificial intelligence and data analytics, Rentberry delivers personalized property recommendations, automates routine communication, and enhances decision-making for both tenants and landlords. The platform streamlines key stages of the rental cycle, from submitting personal information and making custom offers to attending virtual tours, eSigning rental agreements, managing rent payments, and submitting maintenance requests. All information is stored securely in the cloud and can be accessed at any time.	Designed for the global residential rental market, serving both tenants and landlords seeking long-term rental solutions. The platform currently operates in more than 90 countries with millions of active listings.

Competition

The markets in which our products are sold are highly competitive. Rentberry’s products compete with offerings from both large and small companies. However, management believes that no competitor currently offers the same level of automation, contactless experience, and end-to-end transparency throughout the long-term rental process.

Rentberry competes with classified listing websites (such as Craigslist and Zillow), property management software providers (such as Cozy), and traditional real estate agencies and rental offices. Most so-called “rental platforms” function primarily as classified listing sites, offering only limited functionality for property discovery and advertising. For example, Craigslist continues to operate on an outdated interface lacking standardization and user safeguards, raising legitimacy and safety concerns. Zillow, while more modern, does not provide a fully integrated “last-mile” experience—users must still navigate external applications, leases, and payment systems. Cozy focuses mainly on property management and rent collection, with limited tenant-facing functionality. Airbnb, though a major player in the short-term rental space, does not address the long-term rental segment or provide integrated credit checks, deposit management, or digital lease execution tools.

In today’s market, property owners and managers often rely on manual comparisons with nearby listings to establish pricing, which can be subjective and inefficient without access to advanced analytics. Existing platforms also slow

the application and communication process, delaying income for property owners and creating frustration for prospective tenants.

By contrast, Rentberry integrates advanced artificial intelligence and data analytics to automate pricing, streamline applications, and manage the entire rental lifecycle—from search and negotiation to lease signing and rent payments. This comprehensive automation saves time for both landlords and tenants, enhances transparency and trust, and supports rentals at true market value. The result is a unified, modern solution that addresses key shortcomings of fragmented and outdated legacy systems.

Management believes that Rentberry’s proprietary technology, data-driven approach, and focus on the long-term rental segment provide a distinct competitive advantage. These differentiators position the company favorably to capture additional market share as the global rental industry continues to shift toward digital, AI-driven solutions.

In addition to the risks specified below, the Issuer is subject to same risks that all companies in its business, and all companies in the economy, are exposed to. These include risks relating to economic downturns, political and economic events and technological developments (such as hacking and the ability to prevent hacking). Additionally, early-stage companies are inherently riskier than more developed companies. Prospective Investors should consult with their legal, tax and financial advisors prior to making an investment in the Securities. The Securities should only be purchased by persons who can afford to lose all of their investment.

Risks Related to the Issuer's Business and Industry

Voting control is in the hands of our CEO and Founder.

Voting control is concentrated in the hands of the Issuer's Founder and CEO, Oleksiy Lubinsky (formerly known as Oleksiy Lyubynskyy), through a series of proxies, voting agreements and other provisions in the Issuer's Stockholders' Agreement, which each Investor must execute the Joinder Agreement, attached as Exhibit A to the Subscription Agreement, to become a party to the Stockholders' Agreement in order to purchase shares of the Company's Common Stock in this Offering. Subject to any fiduciary duties owed to owners or investors under Delaware law, our Founder and CEO will be able to exercise significant influence on matters requiring owner approval, including the election of directors, approval of significant Issuer transactions, and will have unfettered control over the Issuer's management and policies. Investors may have interests and views that are different from the Issuer's management. For example, management may support proposals and actions with which investors may disagree with. Our CEO could use his voting influence to maintain the Issuer's existing management, delay or prevent changes in control of the Issuer or support or reject other management and board proposals that are subject to owner approval.

Investors will have no ability to impact or otherwise influence corporate decisions of the Issuer.

Investors who purchase shares of the Company's Common Stock in this Offering must become a party to the Issuer's Stockholders' Agreement by executing the Joinder Agreement, attached as Exhibit A to the Subscription Agreement. Under the Issuer's Stockholders' Agreement, Investors will grant an irrevocable proxy to the Issuer's CEO, Oleksiy Lubinsky, to vote the shares of Common Stock acquired in this Offering on all matters put to a vote of the stockholders. If applicable, Investors shall direct Custodian to vote in accordance with the Stockholders' Agreement. The CEO's proxy will terminate upon the earlier of the closing of a firm-commitment underwritten public offering pursuant to an effective registration statement under the Securities Act covering the offer and sale of Common Stock, the effectiveness of a registration statement under the Exchange Act covering the Common Stock, or five years from the date of execution of the Investor's Subscription Agreement.

Notwithstanding the expiration of the CEO's proxy described above, the Stockholders' Agreement grants the CEO a separate proxy and power of attorney in cases where the investor does not vote or votes in a manner inconsistent with that agreement. Votes required by this proxy and power of attorney include:

- Votes in favor of Mr. Lubinsky's slate of directors where Mr. Lubinsky still holds the requisite number of shares; and
- Vote in favor of increasing the number of shares of Common Stock.

This proxy and power of attorney terminates upon the earlier of the consummation of the Issuer's first underwritten public offering of its Common Stock, the consummation of a sale of the Issuer and distribution of proceeds to or escrow for the benefit of the stockholders, or the written consent of the Founder and the holders of a majority of the issued and outstanding shares of the Issuer's Common Stock.

Additionally, the Stockholders' Agreement mandates that the Issuer's Founder, defined as Mr. Lubinsky, the Issuer's CEO, approve of certain transactions, including the sale, transfer or disposition of substantially all of the Issuer's assets, debt in excess of \$5 million, merger, restatement of assets, any agreement to issue any capital stock, option, warrant or other convertible security of the Issuer other than pursuant to an employee benefit plan, or the amendment of the Issuer's certificate of incorporation or bylaws.

Moreover, the Stockholders' Agreement with certain shareholders entails a provision under which the Issuer may require stockholders to sell their shares of Common Stock back to the Issuer.

Certain matters, as described below and in Note 1 to the accompanying financial statements indicate there may be substantial doubt about the Company's ability to continue as a going concern. We have not generated profits since inception, and we have had a history of losses. We had a net loss of \$3,954,412 and \$4,083,338 for the fiscal years ending December 31, 2024 and 2023, respectively and a retained deficit of \$21,253,720 as of December 31, 2024. We had cash and cash equivalents of \$1,904,654 and \$2,505,358 as of December 31, 2024 and 2023, respectively. We will need to raise significant amounts of funds in order to continue developing our platform, monetizing its features, marketing our services and raising our profile through advertising and social media. Our ability to continue operations is dependent upon our ability to generate sufficient cash flows from operations to meet our obligations, which the Company has not been able to accomplish to date, and/or to obtain additional capital financing.

The amount of capital the Issuer is attempting to raise in this Offering may not be enough to sustain the Issuer's current business plan.

In order to achieve the Issuer's near and long-term goals, the Issuer may need to procure funds, in addition to the amount raised in the Offering. There is no guarantee the Issuer will be able to raise such funds on acceptable terms or at all. If we are not able to raise sufficient capital in the future, we may not be able to execute our business plan, our continued operations will be in jeopardy and we may be forced to cease operations and sell or otherwise transfer all or substantially all of our remaining assets, which could cause an Investor to lose all or a portion of their investment.

We may face potential difficulties in obtaining capital.

We may have difficulty raising needed capital in the future as a result of, among other factors, a lack of, or reduced, revenues from sales, as well as the inherent business risks associated with the Issuer and present and future market conditions. We have not generated profits since inception and have a history of losses. Additionally, our future sources of revenue may not be sufficient to meet our future capital requirements. As such, we may require additional funds to execute our business strategy and conduct our operations. If adequate funds are unavailable, we may be required to delay, reduce the scope of or eliminate one or more of our research, development or commercialization programs, product launches or marketing efforts, any of which may materially harm our business, financial condition and results of operations.

Past performance is not a guarantee of future results.

Forward looking statements and projections are subject to a number of assumptions, risks and uncertainties which may cause actual results, performance or achievements to be materially different from future results, performance or achievements expressed or implied by these forward-looking statements and projections. These and other factors could adversely affect the outcome and financial effects of the plans and events of Rentberry and may cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. No statement is intended to be nor may be construed as a profit forecast. Prospective investors are cautioned not to invest based on these forward-looking statements and projections.

An investment in Rentberry is speculative and may involve substantial investment and other risks. Such risks may include, without limitation, risk of adverse or unanticipated market developments, risk of market competition, risk with respect to the execution of Rentberry's business objectives, and risk of illiquidity.

The performance results of an investment in Rentberry stock can be volatile. No representation is made that Rentberry will achieve certain performance goals or that any investment in Rentberry will make any profit or will not sustain losses. Past performance is no indication of future results.

We may be impacted by economic downturns in certain real estate markets in which we operate or by a prolonged global economic downturn.

The landlords and tenants that are the potential users of the Rentberry platform are affected by local, regional, national and international economic conditions and other events and occurrences that affect the market for rental properties. A protracted decline in economic conditions will cause downward pressure on Rentberry's operating margins as a result

of lower activity in the rental market. A prolonged downturn in one or more of the economies in the countries where Rentberry operates would result in reduced demand and will affect the ability of Rentberry's platform to generate significant revenue.

The Issuer's platform services are relatively new in an industry that is still quickly evolving.

We believe that the online residential property rental market is in early stages of development and anticipate that significant shifts in landlord and tenant behaviors may occur rapidly and on an ongoing basis. The Issuer continues to learn a great deal about the market participants as the industry evolves. The Issuer may not successfully anticipate or keep pace with industry changes, and the Issuer may invest considerable financial, personnel and other resources to pursue strategies that do not, ultimately, prove effective such that its business, results of operations and financial condition may be harmed.

We believe that our platform fills a needed space in the rental industry by providing transparency and efficiency in an opaque market. We also believe our streamlined, no contact services will benefit both landlords, tenants and other providers of products and services on our platform, especially during COVID-19 type crises. However, our potential market may not be as large as we anticipated, or the number of our platform users may not grow as rapidly as planned. With a smaller market than expected, we may have fewer landlords, tenants and other providers of products and services through our platform. Success will likely be a factor of investing in the development and implementation of marketing campaigns, subsequent change of behaviors by tenants and landlords from traditional in-person rentals to our platform, and favorable changes in the regulatory environment.

The Issuer's future success also substantially depends on the continued use of the internet as the primary medium for the real estate rental marketplace. For any number of reasons, internet use may not continue to develop as the Issuer anticipates. If users begin to access real estate information through other media and the Issuer fails to innovate, its business, results of operations and financial condition may be negatively impacted.

We may implement new lines of business or offer new products and services within existing lines of business.

We may implement new lines of business at any time. There are substantial risks and uncertainties associated with these efforts, particularly in instances where the markets are not fully developed. In developing and marketing new lines of business and/or new products and services, we may invest significant time and resources. Initial timetables for the introduction and development of new lines of business and/or new products or services may not be achieved, and price and profitability targets may not prove feasible. We may not be successful in introducing new products and services in response to industry trends or developments in technology, or those new products may not achieve market acceptance. As a result, we could lose business, be forced to price products and services on less advantageous terms to retain or attract clients or be subject to cost increases. As a result, our business, financial condition or results of operations may be adversely affected.

Constant innovation and user engagement are not guaranteed.

Rentberry's success depends on its continued innovation to provide new, and improve upon existing, products and services that make its platform useful for users. If Rentberry is unable to continue offering high-quality, innovative products and services, it may be unable to attract additional users or retain current users which could harm Rentberry's business, results of operations and financial condition.

Even though Rentberry intends for the Rentberry platform to have certain features and specifications, Rentberry may make changes to such features and specifications, or even the fees it charges for those services and features, for any number of reasons at any time. These types of changes could impact Rentberry's strategy for monetizing its platform. Rentberry's success depends on its ability to continue to attract users to its platform and enhance their engagement with Rentberry's products and services. A potential lack of use or public interest in the Rentberry platform or change in the legal and regulatory environment in real estate could negatively impact Rentberry's business operations and revenue streams. For example, a change in local, state, federal or non-US laws may require Rentberry to change or discontinue certain services or features or even the amount that Rentberry can charge for those services and features, in which case Rentberry's business, results of operations and financial condition may be adversely impacted. Rentberry may also find that its strategies for monetizing its platform do not successfully create enough revenue to support the platform and the Company may have to liquidate. If Rentberry is unable to adjust to such changes by implementing new strategies, including devising new services or features that monetize its platform, Rentberry's business, results of operations, and financial conditions would be negatively impacted and could even result in dissolution or liquidation of Rentberry.

If we are unable to anticipate consumer preferences and successfully develop and introduce new, innovative and updated products, we may not be able to maintain or increase our sales or achieve profitability.

We believe Rentberry has assembled a quality team to grow the Company. However, it is possible that the Company will not be able to successfully implement future components of the business model, such as integrating reviews and ratings on the platform, adding multi-language support and onboarding properties in various locations and generate sufficient income from them. If Rentberry is unable to operationalize these and others features, or the market does not respond positively to them, then the Rentberry platform may be at risk of failure despite any corrective actions we may take. Furthermore, as discussed above, Rentberry may make changes to the platform, including its features and services, for any number of reasons and customers may choose to no longer use our platform. Our success depends on our ability to timely identify and originate product trends as well as to anticipate and react to changing consumer demands.

The development and commercialization of our products is highly competitive.

We face competition with respect to any products that we may seek to develop or commercialize in the future. Our competitors include major companies worldwide. Many of our competitors have significantly greater financial, technical and human resources than we have and superior expertise in research and development and marketing approved products and thus may be better equipped than us to develop and commercialize products. These competitors also compete with us in recruiting and retaining qualified personnel and acquiring technologies. Smaller or early stage companies may also prove to be significant competitors, particularly through collaborative arrangements with large and established companies. Accordingly, our competitors may commercialize products more rapidly or effectively than we are able to, which would adversely affect our competitive position, the likelihood that our products will achieve initial market acceptance, and our ability to generate meaningful additional revenues from our products.

Industry consolidation may result in increased competition, which could result in a loss of customers or a reduction in revenue.

Some of our competitors have made or may make acquisitions or may enter into partnerships or other strategic relationships to offer more comprehensive services than they individually had offered or achieve greater economies of scale. In addition, new entrants not currently considered to be competitors may enter our market through acquisitions, partnerships or strategic relationships. We expect these trends to continue as companies attempt to strengthen or maintain their market positions. The potential entrants may have competitive advantages over us, such as greater name recognition, longer operating histories, more varied services and larger marketing budgets, as well as greater financial, technical and other resources. The companies resulting from combinations or that expand or vertically integrate their business to include the market that we address may create more compelling service offerings and may offer greater pricing flexibility than we can or may engage in business practices that make it more difficult for us to compete effectively, including on the basis of price, sales and marketing programs, technology or service functionality. These pressures could result in a substantial loss of our customers or a reduction in our revenue.

If we are unsuccessful in adding users of our platform, or if our clients decrease their level of engagement, our revenue, financial results, and business may be significantly harmed.

We offer a platform for the rental industry. The amount of users of our platform and our client's level of engagement will be critical to our success. Our financial performance will be significantly determined by our success in adding, retaining, and engaging active users of our platform and the services offered. If clients do not perceive our platform or services provided thereunder to be useful, reliable, and trustworthy, we may not be able to attract or retain users or otherwise maintain or increase the frequency and duration of their engagement. There is no guarantee that we will not experience an erosion of our active client base or engagement levels in the future.

We could face liability for information or content on or accessible through our platform.

We could face claims relating to information or content that is published or made available on our platform. Our platform relies upon content that is created and posted by landlords, agents, or other third parties. Although content on our platform is typically generated by third parties, and not by us, claims of defamation, disparagement, negligence, warranty, personal harm, intellectual property infringement, or other alleged damages could be asserted against us, in addition to our landlords and agents.

Regulators in the United States, Europe and other countries may introduce new regulatory regimes that increase potential liability for information or content available on our platform. For example, in the United States, laws such as the CDA, which have previously been interpreted to provide substantial protection to interactive computer service providers, may change and become less predictable or unfavorable by legislative action or juridical interpretation. There have been various federal legislative efforts to restrict the scope of the protections available to online platforms under the CDA, in particular with regards to Section 230 of the CDA, and current protections from liability for third-party content in the United States could decrease or change. The European Union is also reviewing the regulation of digital services, and it has been reported that the European Union plans to introduce the Digital Services Act (“DSA”), a package of legislation intended to update the liability and safety rules for digital platforms, products, and services, which could negatively impact the scope of the limited immunity provided by the E-Commerce Directive.

In countries in Asia and Latin America, generally there are not similar statutes as the CDA or E-Commerce Directive. The laws of countries in Asia and Latin America generally provide for direct liability if a platform is involved in creating such content or has actual knowledge of the content without taking action to take it down. Further, laws in some Asian countries also provide for primary or secondary liability, which could include criminal liability, if a platform failed to take sufficient steps to prevent such content from being uploaded.

Our potential liability for information or content created by third parties and posted to our platform could require us to implement additional measures to reduce our exposure to such liability, may require us to expend significant resources, may limit the desirability of our platform to landlords and tenants, may cause damage to our brand or reputation, and may cause us to incur time and costs defending such claims in litigation, thereby materially adversely affecting our business, results of operations, and financial condition.

Landlord, tenant, or third-party actions that are criminal, violent, inappropriate, or dangerous, or fraudulent activity, may undermine the safety or the perception of safety of our platform and our ability to attract and retain landlords and tenants and materially adversely affect our reputation, business, results of operations, and financial condition.

We have no control over or ability to predict the actions of our users and other third parties, such as neighbors or invitees, either during the tenant’s stay or otherwise, and therefore, we cannot guarantee the safety of our landlords, tenants, and third parties. The actions of landlords, tenants, and other third parties may result in fatalities, injuries, other bodily harm, fraud, invasion of privacy, property damage, discrimination, brand and reputational damage, which could create potential legal or other substantial liabilities for us. We do not verify the identity of all of our landlords and tenants, nor do we verify or screen third parties who may be present during the bidding on, or making of, a rental lease through our platform. The criminal background checks for U.S. landlords, U.S. tenants, and other screening processes we rely on, among other things, include information provided by landlords and tenants. Our ability to validate that information, the accuracy, completeness, and availability of the underlying information relating to criminal records, the digitization of certain records, the evolving regulatory landscape in this area such as in the data privacy space may not detect all fraud or other conduct related to such background checks. Also, third-party service providers may fail to conduct such background checks adequately or disclose information that could be relevant to a determination of eligibility, and we do not run criminal background checks and other screening processes on third parties who may be present during a reservation made through our platform.

In addition, we do not undertake to independently verify the safety, suitability, location, quality, and compliance with applicable legal requirements, such as fire code compliance or the presence of carbon monoxide detectors, of all our listings and rental properties. We also do not undertake to independently verify the location, safety, or suitability of properties for individual guests, the suitability, qualifications, or credentials of landlords or agents, or the qualifications of individual tenants. We rely on landlords and tenants to disclose information related to their listings and properties and such information may be inaccurate or incomplete. Further, certain listings may pose heightened safety risks to individual users because safety and other quality control issues may not be reported to us or because our customer support team has not taken the requisite action based on our policies. We rely, at least in part, on reports of issues from landlords and tenants to investigate and enforce many of our policies and standards. In addition, our policies may not contemplate certain safety risks posed by listings or individual landlords and tenants or may not sufficiently address those risks.

We may also face civil litigation, regulatory investigations, and inquiries involving allegations of, among other things, unsafe or unsuitable listings, discriminatory policies, data processing, practices or behavior on and off our platform or by landlords, tenants, and third parties, general misrepresentations regarding the safety or accuracy of offerings on our platform, and other landlord, tenant, or third-party actions that are criminal, violent, inappropriate, dangerous, or fraudulent. While we recognize that we need to continue to build trust and invest in innovations that will support trust

when it comes to our policies, tools, and procedures to protect landlords, tenants, and the communities in which our landlords and rental properties exist, we may not be successful in doing so. Similarly, listings that are inaccurate, of a lower-than-expected quality, or that do not comply with our policies may harm tenants and public perception of the quality and safety of listings on our platform and materially adversely affect our reputation, business, results of operations, and financial condition.

We are subject to payment-related fraud and an increase in, or failure to deal effectively with, fraud, fraudulent activities, fictitious transactions, or illegal transactions would materially adversely affect our business, results of operations, and financial condition.

When landlords do not fulfill their obligations to tenants, there are fictitious listings on our platform, or there are landlord account takeovers, we may incur losses from claims by landlords and tenants, and these losses may be substantial. Such instances may lead to the reversal of payments received by us for such rentals, referred to as a “chargeback.” Our ability to detect and combat fraudulent schemes, which have become increasingly common and sophisticated, could be adversely impacted by the adoption of new payment methods, the emergence and innovation of new technology platforms, including mobile and other devices, and our growth in certain regions, including in regions with a history of elevated fraudulent activity. We expect that technically knowledgeable criminals will continue to attempt to circumvent our anti-fraud systems. In addition, the payment card networks have rules around acceptable chargeback ratios. If we are unable to effectively combat fictitious listings and fraudulent bookings on our platform, combat the use of fraudulent credit cards, or otherwise maintain or lower our current levels of chargebacks, we may be subject to fines and higher transaction fees or be unable to continue to accept card payments because payment card networks have revoked our access to their networks, any of which would materially adversely impact our business, results of operations, and financial condition.

Our payments platform is susceptible to potentially illegal or improper uses, including money laundering, transactions in violation of economic and trade sanctions, terrorist financing, fraudulent listings, landlord account takeovers, or the facilitation of other illegal activity. Use of our payments platform for illegal or improper uses has subjected us, and may subject us in the future, to claims, lawsuits, and government and regulatory investigations, inquiries, or requests, which could result in liability and reputational harm for us. We have taken measures to detect and reduce fraud and illegal activities, but these measures need to be continually improved and may add friction to our booking process. These measures may also not be effective against fraud and illegal activities, particularly new and continually evolving forms of circumvention. If these measures do not succeed in reducing fraud, our business, results of operations, and financial condition would be materially adversely affected.

We rely on third-party payment service providers to process payments made by tenants and payments made to landlords on our platform. If these third-party payment service providers become unavailable or we are subject to increased fees, our business, results of operations, and financial condition could be materially adversely affected.

We rely on a number of third-party payment service providers, including payment card networks, banks, payment processors, and payment gateways, to link us to payment card and bank clearing networks to process payments made by our tenants and to remit payments to landlords on our platform. We have agreements with these providers, some of whom are the sole providers of their particular service. If these companies become unwilling or unable to provide these services to us on acceptable terms or at all, our business may be disrupted, we would need to find an alternate payment service provider, and we may not be able to secure similar terms or replace such payment service provider in an acceptable time frame. If we are forced to migrate to other third-party payment service providers for any reason, the transition would require significant time and management resources, and may not be as effective, efficient, or well-received by our hosts and guests. Any of the foregoing could cause us to incur significant losses and, in certain cases, require us to make payments to hosts out of our funds, which could materially adversely affect our business, results of operations, and financial condition.

In addition, the software and services provided by our third-party payment service providers may fail to meet our expectations, contain errors or vulnerabilities, be compromised, or experience outages. Any of these risks could cause us to lose our ability to accept online payments or other payment transactions or make timely payments to hosts on our platform, which could make our platform less convenient and desirable to customers and adversely affect our ability to attract and retain hosts and guests.

Moreover, our agreements with payment service providers may allow these companies, under certain conditions, to hold an amount of our cash as a reserve. They may be entitled to a reserve or suspension of processing services upon the occurrence of specified events, including material adverse changes in our business, results of operations, and financial condition. An imposition of a reserve or suspension of processing services by one or more of our processing companies, could have a material adverse effect on our business, results of operations, and financial condition.

If we fail to invest adequate resources into the payment processing infrastructure on our platform, or if our investment efforts are unsuccessful or unreliable, our payments activities may not function properly or keep pace with competitive offerings, which could adversely impact their usage. Further, our ability to expand our payments activities into additional countries is dependent upon the third-party providers we use to support these activities. As we expand the availability of our payments activities to additional geographies or offer new payment methods to our landlords and tenants in the future, we may become subject to additional regulations and compliance requirements, and exposed to heightened fraud risk, which could lead to an increase in our operating expenses.

For certain payment methods, including credit and debit cards, we pay interchange and other fees, and such fees result in significant costs. Payment card network costs have increased, and may continue to increase in the future, the interchange fees and assessments that they charge for each transaction that accesses their networks and may impose special fees or assessments on any such transaction. Our payment card processors have the right to pass any increases in interchange fees and assessments on to us. Credit card transactions result in higher fees to us than transactions made through debit cards. Any material increases in interchange fees in the United States or other geographies, including as a result of changes in interchange fee limitations imposed by law in some geographies, or other network fees or assessments, or a shift from payment with debit cards to credit cards could increase our operating costs and materially adversely affect our business, results of operations, and financial condition.

We may not be able to maintain or establish relationships with brokers, agents, high-volume landlords or other partnerships which could limit the information and services we are able to provide to our users and impair our ability to attract and retain users.

Our ability to attract and retain users to our platform depends on providing timely access to comprehensive and accurate information regarding the residential rental market. To provide these listings we maintain relationships with real estate brokerages, real estate listing aggregators, multiple listing services, property management companies, third-party listing providers, homeowners and their real estate agents to include listing data in our services. Many of our agreements with real estate listing providers are agreements that may be cancelled at any time. Moreover, our competitors and other real estate websites have similar access to the providers and their information and may be able to source real estate information faster or more efficiently than we can. Another industry participant or group could create a new listings data service which could impact the relative quality or quantity of information of our listing providers. The loss of existing relationships with these providers, whether because of termination of agreements or otherwise, may result in changes to our rights to use or timely access listing data or an inability to continue to add new listing providers or changes to the way real estate information is shared, and may negatively impact our listing data quality. These events could lead to reduced user confidence in our rental data and decreased traffic and users on our platform which would negatively impact our business, results of operations and financial condition.

Landlords and property owners may be impacted by a variety of factors which could impact the availability of rentals on our platform.

The ability of landlords and property owners to make rentals available to the Rentberry platform may be impacted by a variety of factors. For instance, properties may be purchased for development or redevelopment and they would be subject to the risks normally associated with such activities. Such risks include, without limitation, risks relating to the availability and timely receipt of zoning and other regulatory approvals, the cost and timely completion of construction (including risks beyond the control of the developer, such as weather or labor conditions or material shortages), general market and lease-up risk, and the availability of both construction and permanent financing on favorable terms. These risks could result in substantial unanticipated delays or expenses and, under certain circumstances, could prevent completion of development activities once undertaken, any of which could have an adverse effect on the availability of rental properties for the Rentberry platform.

Additionally, properties are subject to real property taxes. These taxes on the properties may increase as tax rates change and as the properties are assessed or reassessed by taxing authorities. Many states and localities are considering increases in their income and/or property tax rates (or increases in the assessments of real estate) to cover revenue shortfalls. If property taxes increase, it may adversely affect the rentals on the Rentberry platform, or the costs for such rentals.

Further, ownership of properties involves environmental risks. Federal, state and local laws and regulations to protect the environment may require a current or previous owner or operator of real estate to investigate and clean up hazardous or toxic substances or petroleum product releases at such property. Such laws may impose fines and penalties on building owners or operators who fail to comply with these requirements.

Lastly, the rental properties may be subject to the Americans with Disabilities Act (the “ADA”). The ADA has separate compliance requirements for “public accommodations” and “commercial facilities” that generally require that buildings and services be made accessible and available to people with disabilities. The ADA’s requirements could require removal of access barriers and could result in the imposition of injunctive relief, monetary penalties or, in some cases, an award of damages. In addition, owners will be required to operate their properties in compliance with fire and safety regulations, building codes and other land use regulations. The Company may be required to make substantial capital expenditures to comply with those requirements.

All of the above risks could impact the availability of rentals on the Rentberry platform.

We rely on various intellectual property rights, including patents and trademarks, in order to operate our business.

The Issuer relies on certain intellectual property rights to operate its business. The Issuer’s intellectual property rights may not be sufficiently broad or otherwise may not provide us a significant competitive advantage. In addition, the steps that we have taken to maintain and protect our intellectual property may not prevent it from being challenged, invalidated, circumvented or designed-around, particularly in countries where intellectual property rights are not highly developed or protected. In some circumstances, enforcement may not be available to us because an infringer has a dominant intellectual property position or for other business reasons, or countries may require compulsory licensing of our intellectual property. Our failure to obtain or maintain intellectual property rights that convey competitive advantage, adequately protect our intellectual property or detect or prevent circumvention or unauthorized use of such property, could adversely impact our competitive position and results of operations. We also rely on nondisclosure and noncompetition agreements with employees, consultants and other parties to protect, in part, trade secrets and other proprietary rights. There can be no assurance that these agreements will adequately protect our trade secrets and other proprietary rights and will not be breached, that we will have adequate remedies for any breach, that others will not independently develop substantially equivalent proprietary information or that third parties will not otherwise gain access to our trade secrets or other proprietary rights. As we expand our business, protecting our intellectual property will become increasingly important. The protective steps we have taken may be inadequate to deter our competitors from using our proprietary information. In order to protect or enforce our intellectual property rights, including our patents, we may be required to initiate litigation against third parties, such as infringement lawsuits. Also, these third parties may assert claims against us with or without provocation. The law relating to the scope and validity of claims in the technology field in which we operate is still evolving and, consequently, intellectual property positions in our industry are generally uncertain. These lawsuits could be expensive, take significant time and could divert management’s attention from other business concerns. We cannot assure you that we will prevail in any of these potential suits or that the damages or other remedies awarded, if any, would be commercially valuable.

If we are unable to protect our intellectual property rights, our financial results may be negatively impacted.

Our success depends in large part on our patents, copyrights, domain names, and social media handles, which are valuable assets that serve to differentiate us from our competitors. We currently rely on a combination of copyright, trademark, patent, trade dress and unfair competition laws to establish and protect our intellectual property rights. We cannot assure you that the steps taken by us to protect our proprietary rights will be adequate to prevent infringement of our trademarks and proprietary rights by others, including imitation and misappropriation of our brand. We cannot assure you that obstacles will not arise as we expand our product lines and geographic scope. The unauthorized use or misappropriation of our intellectual property could damage our brand identity and the goodwill we created for our Company, which could cause our sales to decline. Moreover, litigation may be necessary to protect or enforce these intellectual property rights, which could result in substantial costs and diversion of our resources, causing a material adverse effect on our business, financial condition, results of operations or cash flows.

The cost of enforcing our patents and trademarks could prevent us from enforcing them.

Patent, trademark and copyright litigation has become extremely expensive. Even if we believe that a competitor is infringing on one or more of our patents, we might choose not to file suit because we lack the cash to successfully prosecute a multi-year litigation with an uncertain outcome. We may also choose not to litigate because we believe that the cost of enforcing our patent(s) outweighs the value of winning the suit in light of the risks and consequences of losing it, or for some other reason. Choosing not to enforce our patent(s) could have adverse consequences for the Company, including undermining the credibility of our intellectual property, reducing our ability to enter into licensing agreements, and weakening our attempts to prevent competitors from entering the market. As a result, if we are unable to enforce our patents(s) because of the cost of enforcement, your investment in the Company could be significantly and adversely affected.

The Issuer's success depends on the experience and skill of its executive officers and key personnel.

We are dependent on our executive officers and key personnel. These persons may not devote their full time and attention to the matters of the Issuer. The loss of all or any of our executive officers and key personnel could harm the Issuer's business, financial condition, cash flow and results of operations.

Although dependent on certain key personnel, the Issuer does not have any key person life insurance policies on any such people.

We are dependent on certain key personnel in order to conduct our operations and execute our business plan, however, the Issuer has not purchased any insurance policies with respect to those individuals in the event of their death or disability. Therefore, if any of these personnel die or become disabled, the Issuer will not receive any compensation to assist with such person's absence. The loss of such person could negatively affect the Company and our operations. We have no way to guarantee key personnel will stay with the Issuer, as many states do not enforce non-competition agreements, and therefore acquiring key man insurance will not ameliorate all of the risk of relying on key personnel.

In order for the Issuer to compete and grow, it must attract, recruit, retain and develop the necessary personnel who have the needed experience.

Recruiting and retaining highly qualified personnel is critical to our success. These demands may require us to hire additional personnel and will require our existing management and other personnel to develop additional expertise. We face intense competition for personnel, making recruitment time-consuming and expensive. The failure to attract and retain personnel or to develop such expertise could delay or halt the development and commercialization of our product candidates. If we experience difficulties in hiring and retaining personnel in key positions, we could suffer from delays in product development, loss of customers and sales and diversion of management resources, which could adversely affect operating results. Our consultants and advisors may be employed by third parties and may have commitments under consulting or advisory contracts with third parties that may limit their availability to us, which could further delay or disrupt our product development and growth plans.

Damage to our reputation could negatively impact our business, financial condition and results of operations.

Our reputation and the quality of our brand are critical to our business and success in existing markets, and will be critical to our success as we enter new markets. Any incident that erodes consumer loyalty for our brand could significantly reduce its value and damage our business. We may be adversely affected by any negative publicity, regardless of its accuracy. Also, there has been a marked increase in the use of social media platforms and similar devices, including blogs, social media websites and other forms of internet-based communications that provide individuals with access to a broad audience of consumers and other interested persons. The availability of information on social media platforms is virtually immediate as is its impact. Information posted may be adverse to our interests or may be inaccurate, each of which may harm our performance, prospects or business. The harm may be immediate and may disseminate rapidly and broadly, without affording us an opportunity for redress or correction.

Our business could be negatively impacted by cyber security threats, attacks and other disruptions.

We may face advanced and persistent attacks on our information infrastructure where we manage and store various proprietary information and sensitive/confidential data relating to our operations. These attacks may include sophisticated malware (viruses, worms, and other malicious software programs) and phishing emails that attack our products or otherwise exploit any security vulnerabilities. These intrusions sometimes may be zero-day malware that are difficult to identify because they are not included in the signature set of commercially available antivirus scanning programs. Experienced computer programmers and hackers may be able to penetrate our network security and misappropriate or compromise our confidential information or that of our customers or other third-parties, create system disruptions, or cause shutdowns. Additionally, sophisticated software and applications that we produce or procure from third-parties may contain defects in design or manufacture, including "bugs" and other problems that could unexpectedly interfere with the operation of the information infrastructure. A disruption, infiltration or failure of our information infrastructure systems or any of our data centers as a result of software or hardware malfunctions, computer viruses, cyber-attacks, employee theft or misuse, power disruptions, natural disasters or accidents could cause breaches of data security, loss of critical data and performance delays, which in turn could adversely affect our business.

Security breaches of confidential customer information, in connection with our electronic processing of credit and debit card transactions, or confidential employee information may adversely affect our business.

Our business requires the collection, transmission and retention of personally identifiable information, in various information technology systems that we maintain and in those maintained by third parties with whom we contract to provide services. The integrity and protection of that data is critical to us. The information, security and privacy requirements imposed by governmental regulation are increasingly demanding. Our systems may not be able to satisfy these changing requirements and customer and employee expectations, or may require significant additional investments or time in order to do so. A breach in the security of our information technology systems or those of our service providers could lead to an interruption in the operation of our systems, resulting in operational inefficiencies and a loss of profits. Additionally, a significant theft, loss or misappropriation of, or access to, customers' or other proprietary data or other breach of our information technology systems could result in fines, legal claims or proceedings.

The use of individually identifiable data by our business, our business associates and third parties is regulated at the state, federal and international levels.

The regulation of individual data is changing rapidly, and in unpredictable ways. A change in regulation could adversely affect our business, including causing our business model to no longer be viable. Costs associated with information security – such as investment in technology, the costs of compliance with consumer protection laws and costs resulting from consumer fraud – could cause our business and results of operations to suffer materially. Additionally, the success of our online operations depends upon the secure transmission of confidential information over public networks, including the use of cashless payments. The intentional or negligent actions of employees, business associates or third parties may undermine our security measures. As a result, unauthorized parties may obtain access to our data systems and misappropriate confidential data. There can be no assurance that advances in computer capabilities, new discoveries in the field of cryptography or other developments will prevent the compromise of our customer transaction processing capabilities and personal data. If any such compromise of our security or the security of information residing with our business associates or third parties were to occur, it could have a material adverse effect on our reputation, operating results and financial condition. Any compromise of our data security may materially increase the costs we incur to protect against such breaches and could subject us to additional legal risk.

The Issuer is not subject to Sarbanes-Oxley regulations and may lack the financial controls and procedures of public companies.

The Issuer may not have the internal control infrastructure that would meet the standards of a public company, including the requirements of the Sarbanes Oxley Act of 2002. As a privately-held (non-public) issuer, the Issuer is currently not subject to the Sarbanes Oxley Act of 2002, and its financial and disclosure controls and procedures reflect its status as a development stage, non-public company. There can be no guarantee that there are no significant deficiencies or material weaknesses in the quality of the Issuer's financial and disclosure controls and procedures. If it were necessary to implement such financial and disclosure controls and procedures, the cost to the Issuer of such compliance could be substantial and could have a material adverse effect on the Issuer's results of operations.

Changes in federal, state or local laws and government regulation could adversely impact our business.

The Issuer is subject to legislation and regulation at the federal and local levels and, in some instances, at the state level. New laws and regulations may impose new and significant disclosure obligations and other operational, marketing and compliance-related obligations and requirements, which may lead to additional costs, risks of non-compliance, and diversion of our management's time and attention from strategic initiatives. Additionally, federal, state and local legislators or regulators may change current laws or regulations which could adversely impact our business. Further, court actions or regulatory proceedings could also change our rights and obligations under applicable federal, state and local laws, which cannot be predicted. Modifications to existing requirements or imposition of new requirements or limitations could have an adverse impact on our business.

We operate in a highly regulated environment, and if we are found to be in violation of any of the federal, state, or local laws or regulations applicable to us, our business could suffer.

We are also subject to a wide range of federal, state, and local laws and regulations. The violation of these or future requirements or laws and regulations could result in administrative, civil, or criminal sanctions against us, which may include fines, a cease and desist order against the subject operations or even revocation or suspension of our license to operate the subject business. As a result, we may incur capital and operating expenditures and other costs to comply with these requirements and laws and regulations.

Changes in employment laws or regulation could harm our performance.

Various federal and state labor laws govern our relationship with our employees and affect operating costs. These laws include minimum wage requirements, overtime pay, healthcare reform and the implementation of the Patient Protection and Affordable Care Act, unemployment tax rates, workers' compensation rates, citizenship requirements, union membership and sales taxes. A number of factors could adversely affect our operating results, including additional government-imposed increases in minimum wages, overtime pay, paid leaves of absence and mandated health benefits, mandated training for employees, increased tax reporting and tax payment requirements for employees who receive tips, a reduction in the number of states that allow tips to be credited toward minimum wage requirements, changing regulations from the National Labor Relations Board and increased employee litigation including claims relating to the Fair Labor Standards Act.

Global crises and geopolitical events can have a significant effect on our business operations and revenue projections.

A significant outbreak of contagious diseases, such as COVID-19, in the human population could result in a widespread health crisis. Additionally, geopolitical events, such as wars or conflicts, could result in global disruptions to supplies, political uncertainty and displacement. Further, we are subject to the risks associated with natural disasters and the physical effects of climate change, which may include more frequent or severe storms, hurricanes, flooding, rising sea levels, shortages of water, droughts, and wildfires, any of which could have a material adverse effect on our business, results of operations, and financial condition, including but not limited to access to certain properties and insurance coverage. Each of these crises could adversely affect the economies and financial markets of many countries, including the United States where we principally operate, resulting in an economic downturn that could reduce the demand for our products and services and impair our business prospects, including as a result of being unable to raise additional capital on acceptable terms, if at all.

Risks Related to the Offering

State and federal securities laws are complex, and the Company could potentially be found to have not complied with all relevant state and federal securities law in prior offerings of securities.

The Company has conducted previous offerings of securities and may not have complied with all relevant state and federal securities laws. If a court or regulatory body with the required jurisdiction ever concluded that the Company may have violated state or federal securities laws, any such violation could result in the Company being required to offer rescission rights to investors in such offering. If such investors exercised their rescission rights, the Company would have to pay to such investors an amount of funds equal to the purchase price paid by such investors plus interest from the date of any such purchase. No assurances can be given the Company will, if it is required to offer such investors a rescission right, have sufficient funds to pay the prior investors the amounts required or that proceeds from this Offering would not be used to pay such amounts.

In addition, if the Company violated federal or state securities laws in connection with a prior offering and/or sale of its securities, federal or state regulators could bring an enforcement, regulatory and/or other legal action against the Company which, among other things, could result in the Company having to pay substantial fines and be prohibited from selling securities in the future.

The U.S. Securities and Exchange Commission does not pass upon the merits of the Securities or the terms of the Offering, nor does it pass upon the accuracy or completeness of any Offering document or literature.

You should not rely on the fact that our Form C is accessible through the U.S. Securities and Exchange Commission's EDGAR filing system as an approval, endorsement or guarantee of compliance as it relates to this Offering. The U.S. Securities and Exchange Commission has not reviewed this Form C, nor any document or literature related to this Offering.

Neither the Offering nor the Securities have been registered under federal or state securities laws.

No governmental agency has reviewed or passed upon this Offering or the Securities. Neither the Offering nor the Securities have been registered under federal or state securities laws. Investors will not receive any of the benefits available in registered offerings, which may include access to quarterly and annual financial statements that have been audited by an independent accounting firm. Investors must therefore assess the adequacy of disclosure and the fairness of the terms of this Offering based on the information provided in this Form C and the accompanying exhibits.

The Issuer's management may have broad discretion in how the Issuer uses the net proceeds of the Offering.

Unless the Issuer has agreed to a specific use of the proceeds from the Offering, the Issuer's management will have considerable discretion over the use of proceeds from the Offering. You may not have the opportunity, as part of your investment decision, to assess whether the proceeds are being used appropriately.

The Intermediary Fees paid by the Issuer are subject to change depending on the success of the Offering.

At the conclusion of the Offering, the Issuer shall pay the Intermediary the greater of (A) \$0 or (B) the amount determined pursuant to the following schedule: (1) 0% of any amounts raised up to \$1,000,000.00 from certain pre-identified investors, and (2) seven percent (7%) of any amounts raised exceeding \$1,000,000.01. The compensation paid by the Issuer to the Intermediary may impact how the Issuer uses the net proceeds of the Offering.

The Issuer has the right to limit individual Investor commitment amounts based on the Issuer's determination of an Investor's sophistication.

The Issuer may prevent any Investor from committing more than a certain amount in this Offering based on the Issuer's determination of the Investor's sophistication and ability to assume the risk of the investment. This means that your desired investment amount may be limited or lowered based solely on the Issuer's determination and not in line with relevant investment limits set forth by the Regulation CF rules. This also means that other Investors may receive larger allocations of the Offering based solely on the Issuer's determination.

The Issuer has the right to extend the Offering Deadline.

The Issuer may extend the Offering Deadline beyond what is currently stated herein. This means that your investment may continue to be held in escrow while the Issuer attempts to raise the Target Offering Amount even after the Offering Deadline stated herein is reached. While you have the right to cancel your investment in the event the Issuer extends the Offering Deadline, if you choose to reconfirm your investment, your investment will not be accruing interest during this time and will simply be held until such time as the new Offering Deadline is reached without the Issuer receiving the Target Offering Amount, at which time it will be returned to you without interest or deduction, or the Issuer receives the Target Offering Amount, at which time it will be released to the Issuer to be used as set forth herein. Upon or shortly after the release of such funds to the Issuer, the Securities will be issued and distributed to you.

The Issuer may also end the Offering early.

If the Target Offering Amount is met after 21 calendar days, but before the Offering Deadline, the Issuer can end the Offering by providing notice to Investors at least 5 business days prior to the end of the Offering. This means your failure to participate in the Offering in a timely manner, may prevent you from being able to invest in this Offering – it also means the Issuer may limit the amount of capital it can raise during the Offering by ending the Offering early.

The Issuer has the right to conduct multiple closings during the Offering.

If the Issuer meets certain terms and conditions, an intermediate close (also known as a rolling close) of the Offering can occur, which will allow the Issuer to draw down on seventy percent (70%) of Investor proceeds committed and captured in the Offering during the relevant period. The Issuer may choose to continue the Offering thereafter. Investors should be mindful that this means they can make multiple investment commitments in the Offering, which may be subject to different cancellation rights. For example, if an intermediate close occurs and later a material change occurs as the Offering continues, Investors whose investment commitments were previously closed upon will not have the right to re-confirm their investment as it will be deemed to have been completed prior to the material change.

Risks Related to the Securities

The Custodian shall serve as the legal title holder of the Securities. Investors will only obtain a beneficial ownership in the Securities.

The Issuer and the Investor shall appoint and authorize the qualified third-party Custodian for the benefit of the Investor, to hold the Securities in registered form in the Custodian's name or the name of the Custodian's nominees for the benefit of the Investor and Investor's permitted assigns. The Custodian may take direction from the Lead who

will act on behalf of the Investors, and the Custodian may be permitted to rely on the Lead's instructions related to the Securities. As such, an Investor will never become an equity holder, merely a beneficial owner of an equity interest.

By executing the Subscription Agreement in this Offering, including the Joinder Agreement attached as Exhibit A thereto, each Investor will join as a stockholder under our Stockholders' Agreement.

The Company has a Stockholders' Agreement between itself, Oleksiy Lubinsky, formerly known as Oleksiy Lyubynskyy, who is the Company's CEO and Founder (as defined in the Stockholders' Agreement), and each new stockholder to the Company. The agreement provides for among, other items, control of the directorships of the Company by Mr. Lubinsky, including through a grant of proxy voting authority, certain voting agreements described below, and other protective provisions. As such, this agreement places contractual restrictions on the ability of investors to exercise rights traditionally associated with equity ownership in a company.

Pursuant to this Offering, each Investor will be required to become a party to the Stockholders' Agreement by executing the Joinder Agreement, attached as Exhibit A to the Subscription Agreement. Investors should carefully review the terms of the Stockholders Agreement, which is included as an exhibit to this Form C, as well as the summary discussion included under "Voting Control- Stockholders' Agreement," and be certain they are willing to accept the contractual terms of the Stockholders' Agreement limiting an Investors' ability to exercise full control of the shares acquired in this Offering.

The Securities will not be freely tradable under the Securities Act until one year from when the securities are issued. Although the Securities may be tradable under federal securities law, state securities regulations may apply, and each Investor should consult with their attorney.

You should be aware of the long-term nature of this investment. There is not now and likely will not ever be a public market for the Securities. Because the Securities have not been registered under the Securities Act or under the securities laws of any state or foreign jurisdiction, the Securities have transfer restrictions and cannot be resold in the United States except pursuant to Rule 501 of Regulation CF beginning one year following the issuance of the Securities. It is not currently contemplated that registration under the Securities Act or other securities laws will be effected. Limitations on the transfer of the Securities may also adversely affect the price that you might be able to obtain for the Securities in a private sale. Investors should be aware of the long-term nature of their investment in the Issuer. Each Investor in this Offering will be required to represent that they are purchasing the Securities for their own account, for investment purposes and not with a view to resale or distribution thereof. Additionally, Investors will only have a beneficial interest in the Securities, not legal ownership, which may make their resale more difficult as it will require coordination with BitGo Trust Company, Inc., who will serve as the custodian and nominee for the Securities.

An investment in the Issuer's Securities could result in a loss of your entire investment.

An investment in the Issuer's Securities offered in this Offering involves a high degree of risk and you should not purchase the Securities if you cannot afford the loss of your entire investment. You may not be able to liquidate your investment for any reason in the near future.

Investors will be minority holders in the Company.

Investors in the Securities will be minority holders in the Issuer. Therefore, if you invest in the Offering, you will have limited ability to influence management's decisions on how to run the Issuer's business. You will need to trust in management discretion in making good business decisions that will grow your investment. Additionally, Investors in the Securities will provide a proxy to the Lead and will be completely passive investors. As such, Investors should not purchase the Securities if they are not comfortable with this limited voting and control.

The securities in this Offering have no protective provisions.

The Securities in this Offering have no protective provisions. As such, you will not be afforded protection, by any provision of the Securities or as a Stockholder, in the event of a transaction that may adversely affect you, including a reorganization, restructuring, merger or other similar transaction involving the Issuer. If there is a liquidation event, or change of control for the Issuer, the Securities being offered do not provide you with any protection.

The Securities are subject to a Drag Along Provision in the Stockholders' Agreement.

Pursuant to the Stockholders' Agreement, stockholders will be subject to a drag-along provision related to the sale of the Company. If the Board of Directors receives and accepts a bona fide written offer to engage in a sale of the Company, or agrees to a liquidation or winding down of the Company, in one transaction or a series of related transactions, stockholders will be required to sell their shares at the Drag-Along Price or otherwise participate in the Drag-Along Transaction even if they don't want to sell their shares at that price or participate in the Drag-Along Transaction. Specifically, investors will be forced to sell their stock in that transaction regardless of whether they believe the transaction is the best or highest value for their shares, and regardless of whether they believe the transaction is in their best interests.

Investors will not be entitled to any inspection or information rights other than those required by law.

Investors will not have the right to inspect the books and records of the Issuer or to receive financial or other information from the Issuer, other than as required by law. Other security holders of the Issuer may have such rights. Regulation CF requires only the provision of an annual report on Form C and no additional information. Additionally, there are numerous methods by which the Issuer can terminate annual report obligations, resulting in no information rights, contractual, statutory or otherwise, owed to Investors. This lack of information could put Investors at a disadvantage in general and with respect to other security holders, including certain security holders who have rights to periodic financial statements and updates from the Issuer such as quarterly unaudited financials, annual projections and budgets, and monthly progress reports, among other things.

Investors will be unable to declare the Security in "default" and demand repayment.

Unlike convertible notes and some other securities, the Securities do not have any "default" provisions upon which Investors will be able to demand repayment of their investment. Only in limited circumstances, such as a liquidity event, may the Investors demand payment and even then, such payments will be limited to the amount of cash available to the Issuer.

The Issuer may never undergo a liquidity event.

The Issuer may never undergo a liquidity event such as a sale of the Issuer or an initial public offering. If a liquidity event never occurs, Investors could be left holding the Securities in perpetuity. The Securities have numerous transfer restrictions and will likely be highly illiquid, with no secondary market on which to sell them.

In addition to the risks listed above, businesses are often subject to risks not foreseen or fully appreciated by the management. It is not possible to foresee all risks that may affect us. Moreover, the Issuer cannot predict whether the Issuer will successfully effectuate the Issuer's current business plan. Each prospective Investor is encouraged to carefully analyze the risks and merits of an investment in the Securities and should take into consideration when making such analysis, among other, the Risk Factors discussed above.

The Securities may be significantly diluted as a consequence of subsequent equity financings.

The Securities will be subject to dilution. The Issuer may issue additional equity to employees and third-party financing sources in amounts that are uncertain at this time, and as a consequence holders of the Securities will be subject to dilution in an unpredictable amount. Such dilution may reduce the Investor's control and economic interests in the Issuer.

The amount of additional financing needed by the Issuer will depend upon several contingencies not foreseen at the time of this Offering. Generally, additional financing (whether in the form of loans or the issuance of other securities) will be intended to provide the Issuer with enough capital to reach the next major corporate milestone. If the funds received in any additional financing are not sufficient to meet the Issuer's needs, the Issuer may have to raise additional capital at a price unfavorable to their existing investors, including the holders of the Securities. The availability of capital is at least partially a function of capital market conditions that are beyond the control of the Issuer. There can be no assurance that the Issuer will be able to accurately predict the future capital requirements necessary for success or that additional funds will be available from any source. Failure to obtain financing on favorable terms could dilute or otherwise severely impair the value of the Securities.

There is no present market for the Securities, and we have arbitrarily set the price.

The Offering price was not established in a competitive market. We have arbitrarily set the price of the Securities with reference to the general status of the securities market and other relevant factors. The offering price for the Securities should not be considered an indication of the actual value of the Securities and is not based on our asset value, net worth, revenues, prior earnings or other established criteria of value. We cannot guarantee that the Securities can be resold at the Offering price or at any other price.

There is no guarantee of a return on an Investor's investment.

There is no assurance that an Investor will realize a return on their investment or that they will not lose their entire investment. For this reason, each Investor should read this Form C and all exhibits carefully and should consult with their attorney and business advisor prior to making any investment decision.

IN ADDITION TO THE RISKS LISTED ABOVE, RISKS AND UNCERTAINTIES NOT PRESENTLY KNOWN, OR WHICH WE CONSIDER IMMATERIAL AS OF THE DATE OF THIS FORM C, MAY ALSO HAVE AN ADVERSE EFFECT ON OUR BUSINESS AND RESULT IN THE TOTAL LOSS OF YOUR INVESTMENT.

TAX MATTERS

EACH PROSPECTIVE INVESTOR SHOULD CONSULT WITH THEIR OWN TAX AND ERISA ADVISOR AS TO THE PARTICULAR CONSEQUENCES TO THE INVESTOR OF THE PURCHASE, OWNERSHIP AND SALE OF THE INVESTOR'S SECURITIES, AS WELL AS POSSIBLE CHANGES IN THE TAX LAWS.

EACH POTENTIAL INVESTOR SHOULD CONSULT THEIR OWN TAX ADVISOR CONCERNING THE POSSIBLE IMPACT OF STATE TAXES.

INDEPENDENT AUDITOR'S REPORT

April 21, 2025

To: Board of Directors, RENTBERRY, INC.
Re: 2024 and 2023 Financial Statement Audit

We have audited the accompanying consolidated financial statements of RENTBERRY, INC. (the "Company"), which comprise the balance sheets as of December 31, 2024 and 2023, and the related consolidated statements of operations, shareholder equity, and cash flows for the calendar year periods ended December 31, 2024 and 2023, and the related notes to such financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations, shareholder equity and its cash flows for the calendar year periods thus ended in accordance with accounting principles generally accepted in the United States of America.

Going Concern

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1 to the financial statements, the Company has stated that substantial doubt exists about the Company's ability to continue as a going concern. Management's evaluation of the events and conditions and management's plans regarding these matters are also described in the Notes to the financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

Sincerely,

IndigoSpire CPA, PC

NOTE 1 – NATURE OF OPERATIONS

Rentberry, Inc. is a U.S.-based real estate technology company that provides a comprehensive, fully digital rental and property management platform. Established in 2015 and headquartered in San Francisco, California, Rentberry utilizes AI technology and streamlines the long-term rental process for tenants and landlords through a transparent, secure, and user-friendly interface.

The platform enables users to search for properties, submit rental applications, negotiate terms, e-sign documents, and automate rent payments — all in one place. For property owners and managers, Rentberry offers tools to manage listings, conduct virtual tours, screen applicants, and facilitate maintenance requests. The company also provides services related to rent collection, tenant communication, and legal documentation. In addition to rental services, Rentberry is expanding into flexible living and property sales, leveraging technology to improve accessibility and efficiency in real estate transactions globally. Rentberry is incorporated in Delaware and operates with a dual-sided business model, generating revenue from both tenants and landlords through service fees and premium features.

The Company is also a majority shareholder of Floorly, Inc. that was incorporated under the laws of the State of Delaware on January 13, 2020 with the intent of taking Rentberry, Inc.'s platform and applying it to commercial space.

Going Concern

These financial statements are prepared on a going concern basis. Since inception, the Company has relied on raising securities to fund its operations. As of December 31, 2024, the Company had an accumulated deficit and may incur additional losses prior to generating income. During the next twelve months, the Company intends to fund its operations with funds from revenue producing activities and from the issuance of convertible notes or equity. The Company’s ability to continue is dependent upon management’s plan to raise additional funds and achieve profitable operations. These financial statements and related notes thereto do not include any adjustments that might result from these uncertainties.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accounting and reporting policies of the Company conform to accounting principles generally accepted in the United States of America (“GAAP”). The accompanying financial statements include all the information and notes required by GAAP for complete financial statements. In the opinion of management, all adjustments considered necessary for the fair presentation of the unaudited financial statements for the years presented have been included.

The consolidated financial statements include the accounts of 1) Rentberry, Inc, 2) Floorly, Inc. (collectively, the "Company"). The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America as determined by the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). All significant intercompany balances and transactions have been eliminated in the accompanying consolidated financial statements.

Floorly, Inc. is majority owned at 99%.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and footnotes thereto. Actual results could materially differ from these estimates. It is reasonably possible that changes in estimates will occur in the near term.

Significant estimates inherent in the preparation of the accompanying financial statements include valuation of provision for refunds and chargebacks, equity transactions, contingencies and derivative and warrant liabilities.

Risks and Uncertainties

The Company has a limited operating history. The Company's business and operations are sensitive to general business and economic conditions in the United States. A host of factors beyond the Company's control could cause fluctuations in these conditions. Adverse conditions may include recession, downturn or otherwise, local competition, changes in consumer taste and other macroeconomic factors such as and economic uncertainty. These adverse conditions could affect the Company's financial condition and the results of its operations.

Concentration of Credit Risk

The Company maintains its cash with a major financial institution located in the United States of America, which it believes to be credit worthy. The Federal Deposit Insurance Corporation insures balances up to \$250,000. At times, the Company may maintain balances in excess of the federally insured limits.

Cash and Cash Equivalents

The Company considers short-term, highly liquid investment with original maturities of three months or less at the time of purchase to be cash equivalents. Cash consists of funds held in the Company's checking account. As of December 31, 2024 and 2023, the Company had \$1,904,654 and \$2,505,358 of cash on hand, respectively.

Fixed Assets

Fixed assets are recorded at cost. Expenditures for renewals and improvements that significantly add to the productive capacity or extend the useful life of an asset are capitalized. Expenditures for maintenance and repairs are charged to expense. When equipment is retired or sold, the cost and related accumulated depreciation are eliminated from the accounts and the resultant gain or loss is reflected in income. In accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 350-40, Accounting for Costs of Computer Software

Developed or Obtained for Internal Use, the Company has capitalized external direct costs of material and services developed or obtained for software development projects. Amortization for each software project begins when the computer software is ready for its intended use.

Depreciation is provided using the straight-line method, based on useful lives of the assets which range from five to seven years.

The Company reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. The factors considered by management in performing this assessment include current operating results, trends and prospects, the manner in which the property is used, and the effects of obsolescence, demand, competition, and other economic factors.

As of December 31, 2024 and 2023, the Company had a net book value of fixed assets of \$11,891 and \$15,912, respectively.

Intangible Assets

The Company applied for and received a patent in 2017 and has capitalized the cost associated with obtaining the patent. The cost of the patent is being amortized over its legal life which is 20 years on a straight-line basis.

The Company capitalizes the costs of acquiring trademarks and amortizes those costs over their legal life which is 10 years on a straight-line basis.

The Company capitalizes the costs to acquire domain names which are not being amortized.

Amortization expense for the years ended December 31, 2024 and 2023 was \$5,863 and \$5,863, respectively.

Fair Value Measurements

Generally accepted accounting principles define fair value as the price that would be received to sell an asset or be paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price) and such principles also establish a fair value hierarchy that prioritizes the inputs used to measure fair value using the following definitions (from highest to lowest priority):

- Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 – Observable inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, including quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data by correlation or other means.

- Level 3 – Prices or valuation techniques requiring inputs that are both significant to the fair value measurement and unobservable.

Income Taxes

Income taxes are provided for the tax effects of transactions reporting in the financial statements and consist of taxes currently due plus deferred taxes related primarily to differences between the basis of receivables, property and equipment, intangible assets, and accrued expenses for financial and income tax reporting. The deferred tax assets and liabilities represent the future tax return consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized.

There is a 100 percent valuation allowance against the net operating losses generated by the Company in fiscal year ending on December 31, 2024 and 2023.

The Company evaluates its tax positions that have been taken or are expected to be taken on income tax returns to determine if an accrual is necessary for uncertain tax positions. The Company will recognize future accrued interest and penalties related to unrecognized tax benefits in income tax expense if incurred.

Revenue Recognition

Sales Income - During 2019, the company adapted the provision of ASU 2014-09 Revenue from Contracts with Customers (“ASC 606”).

ASC 606 provides a five-step model for recognizing revenue from contracts:

1. Identify the contract with the customer
2. Identify the performance obligations within the contract
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognize revenue when (or as) the performance obligations are satisfied

The Company is currently recognizing revenue from applications and credit reports when booking a property on a transactional basis. The Company also generates revenue from partnering with other companies for leads and advertising revenue.

Accounts Receivable, Net

Trade receivables due from customers are uncollateralized customer obligations due under normal trade terms requiring payment within 30 days from the invoice date. Trade receivables are stated at the amount billed to the customer. Payments of trade receivables are allocated to the specific invoices identified on the customer’s remittance advice or, if unspecified, are applied to the earliest unpaid invoices.

The Company estimates an allowance for doubtful accounts based upon an evaluation of the current status of receivables, historical experience, and other factors as necessary. It is reasonably possible that the Company's estimate of the allowance for doubtful accounts will change.

Advertising

The Company expenses advertising costs as they are incurred.

Recent Accounting Pronouncements

In February 2016, FASB issued ASU No. 2016-02, Leases, that requires organizations that lease assets, referred to as "lessees", to recognize on the balance sheet the assets and liabilities for the rights and obligations created by those leases with lease terms of more than 12 months. ASU 2016-02 will also require disclosures to help investors and other financial statement users better understand the amount, timing, and uncertainty of cash flows arising from leases and will include qualitative and quantitative requirements. The new standard for nonpublic entities will be effective for fiscal years beginning after December 15, 2020, and early application is permitted. We are currently evaluating the effect that the updated standard will have on the financial statements and related disclosures.

In June 2018, FASB amended ASU No. 2018-07, Compensation – Stock Compensation, to expand the scope of Topic 718, Compensation – Stock Compensation, to include share-based payment transactions for acquiring goods and services from nonemployees. The new standard for nonpublic entities will be effective for fiscal years beginning after December 15, 2019, and interim periods within fiscal years beginning after December 15, 2020, and early application is permitted. We are currently evaluating the effect that the updated standard will have on the financial statements and related disclosures.

In August 2018, amendments to existing accounting guidance were issued through Accounting Standards Update 2018-15 to clarify the accounting for implementation costs for cloud computing arrangements. The amendments specify that existing guidance for capitalizing implementation costs incurred to develop or obtain internal-use software also applies to implementation costs incurred in a hosting arrangement that is a service contract. The guidance is effective for fiscal years beginning after December 15, 2020, and interim periods within fiscal years beginning after December 15, 2021, and early application is permitted. We are currently evaluating the effect that the updated standard will have on the financial statements and related disclosures.

The FASB issues ASUs to amend the authoritative literature in ASC. There have been a number of ASUs to date, including those above, that amend the original text of ASC. Management believes that those issued to date either (i) provide supplemental guidance, (ii) are technical corrections, (iii) are not applicable to us or (iv) are not expected to have a significant impact on our financial statements.

by the Internal Revenue Service under the statute of limitations for a period of three years from the date they were filed.

Since the passage of the Tax Cuts and Jobs Act of 2017 (“TJCA”), net operating losses can be carried forward indefinitely. Net operating loss carryforwards for state income tax purposes approximate those available for Federal income tax purposes.

With the assistance of the Investor's own professional advisors, to the extent that the Investor has deemed appropriate, the Investor has made its own legal, tax, accounting and financial evaluation of the merits and risks of an investment in the Securities and the consequences of this Subscription Agreement. The Investor has considered the suitability of the Securities as an investment in light of its own circumstances and financial condition and the Investor is able to bear the risks associated with an investment in the Securities and its authority to invest in the Securities.

(m) The Investor is acquiring the Securities solely for the Investor's own beneficial account, for investment purposes, and not with a view to, or for resale in connection with, any distribution of the Securities. The Investor understands that the Securities have not been registered under the Securities Act or any state securities laws by reason of specific exemptions under the provisions thereof which depend in part upon the investment intent of the Investor and of the other representations made by the Investor in this Subscription Agreement. The Investor understands that the Company is relying upon the representations and agreements contained in this Subscription Agreement (and any supplemental information provided by the Investor to the Company or the Portal) for the purpose of determining whether this transaction meets the requirements for such exemptions.

(n) The Investor understands that the Securities are restricted from transfer for a period of time under applicable federal securities laws and that the Securities Act and the rules of the SEC provide in substance that the Investor may dispose of the Securities only pursuant to an effective registration statement under the Securities Act, an exemption therefrom or as further described in Rule 501 of Regulation Crowdfunding, after which certain state restrictions may apply. The Investor understands that the Company has no obligation or intention to register any of the Securities, or to take action so as to permit sales pursuant to the Securities Act. Even if and when the Securities become freely transferable, a secondary market in the Securities may not develop. Consequently, the Investor understands that the Investor must bear the economic risks of the investment in the Securities for an indefinite period of time.

(o) The Investor agrees that the Investor will not sell, assign, pledge, give, transfer or otherwise dispose of the Securities or any interest therein or make any offer or attempt to do any of the foregoing, except pursuant to Rule 501 of Regulation Crowdfunding.

(p) If the Investor is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), the Investor hereby represents and warrants to the Company that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Securities or any use of this Subscription Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Securities, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Securities. The Investor's subscription and payment for and continued beneficial ownership of the Securities will not violate any applicable securities or other laws of the Investor's jurisdiction.

(q) The Investor has full legal capacity, power and authority to execute and deliver this instrument and to perform its obligations hereunder. This instrument constitutes a valid and binding obligation of the Investor, enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity.

(r) The Investor has been advised that this instrument and the underlying securities have not been registered under the Securities Act or any state securities laws and are offered and sold hereby pursuant to Section 4(a)(6) of the Securities Act. The Investor understands that neither this instrument nor the underlying securities may be resold or otherwise transferred unless they are registered under the Securities Act and applicable state securities laws or pursuant to Rule 501 of Regulation CF, in which case certain state transfer restrictions may apply.

(s) The Investor understands that no public market now exists for any of the securities issued by the Company, and that the Company has made no assurances that a public market will ever exist for the Securities acquired by the Investor hereunder.

(t) The Investor is not (i) a citizen or resident of a geographic area in which the subscription, or holding, of the Subscription Agreement and the underlying securities is prohibited by applicable law, decree, regulation, treaty, or administrative act, (ii) a citizen or resident of, or located in, a geographic area that is subject to U.S. or other applicable sanctions or embargoes, or (iii) an individual, or an individual employed by or associated with an entity, identified on the U.S. Department of Commerce's Denied Persons or Entity List, the U.S. Department of Treasury's Specially Designated Nationals List, the U.S. Department of State's Debarred Parties List or other applicable sanctions lists. The Investor hereby represents and agrees that if the Investor's country of residence or other circumstances change such that the above representations are no longer accurate, the Investor will immediately notify the Company. The Investor further represents and warrants that it will not knowingly sell or otherwise transfer any interest in the Subscription Agreement or the underlying Securities to a party subject to U.S. or other applicable sanctions.

(u) If the Investor is a corporate entity: (i) such corporate entity is duly incorporated, validly existing and in good standing under the laws of the state of its incorporation, and has the power and authority to enter into this Subscription Agreement; (ii) the execution, delivery and performance by the Investor of the Subscription Agreement is within the power of the Investor and has been duly authorized by all necessary actions on the part of the Investor; (iii) to the knowledge of the Investor, it is not in violation of its current charter or bylaws, any material statute, rule or regulation applicable to the Investor; and (iv) the performance of this Subscription Agreement does not and will not violate any material judgment, statute, rule or regulation applicable to the Investor; result in the acceleration of any material indenture or contract to which the Investor is a party or by which it is bound, or otherwise result in the creation or imposition of any lien upon the Securities.

(v) **HIGH RISK INVESTMENT. THE INVESTOR UNDERSTANDS THAT AN INVESTMENT IN THE SECURITIES INVOLVES A HIGH DEGREE OF RISK.** The Investor acknowledges that (a) any projections, forecasts or estimates as may have been provided to the Investor are purely speculative and cannot be relied upon to indicate actual results that may be obtained through this investment; any such projections, forecasts and estimates are based upon assumptions which are subject to change and which are beyond the control of the Company or its management; (b) the tax effects which may be expected by this investment are not susceptible to absolute prediction, and new developments and rules of the Internal Revenue Service (the "IRS"), audit adjustment, court decisions or legislative changes may have an adverse effect on one or more of the tax consequences of this investment; and (c) the Investor has

been advised to consult with his own advisor regarding legal matters and tax consequences involving this investment.

5. Company Representations. The Investor understands that upon issuance to the Investor of any Securities, the Company will be deemed to have made the following representations and warranties to the Investor as of the date of such issuance:

(a) Corporate Power. The Company is a Delaware corporation duly incorporated, validly existing and in good standing under the laws of the state of its formation, and has the power and authority to own, lease and operate its properties and carry on its business as now conducted.

(b) Enforceability. This Subscription Agreement, when executed and delivered by the Company, shall constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their respective terms except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, or other laws of general application relating to or affecting the enforcement of creditors' rights generally, or (b) as limited by laws relating to the availability of specific performance, injunctive relief, or other equitable remedies.

(c) Valid Issuance. The Securities, when issued, sold and delivered in accordance with the terms and for the consideration set forth in this Subscription Agreement and the Form C, will be validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer arising under this Subscription Agreement, the Certificate of Incorporation, as amended and/or restated from time to time, and Bylaws of the Company, or under applicable state and federal securities laws and liens or encumbrances created by or imposed by a subscriber.

(d) Authorization. The execution, delivery and performance by the Company of this instrument is within the power of the Company and, other than with respect to the actions to be taken when equity is to be issued hereunder, has been duly authorized by all necessary actions on the part of the Company. This instrument constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights generally and general principles of equity. The Company is not in violation of (i) its current charter or Bylaws; (ii) any material statute, rule or regulation applicable to the Company; or (iii) any material indenture or contract to which the Company is a party or by which it is bound, where, in each case, such violation or default, individually, or together with all such violations or defaults, could reasonably be expected to have a material adverse effect on the Company or its operations.

(e) No Conflict. The execution, delivery and performance of and compliance with this Subscription Agreement and the issuance of the Securities will not result in any violation of, or conflict with, or constitute a default under, the Company's Certificate of Incorporation and Bylaws, and will not result in any violation of, or conflict with, or constitute a default under, any agreements to which the Company is a party or by which it is bound, or any statute, rule or regulation, or any decree of any court or governmental agency or body having jurisdiction over the Company, except for such violations, conflicts, or defaults which would not individually or in the aggregate, have a material adverse effect on the business, assets, properties, financial condition or results of operations of the Company.

(f) Operation. The performance and consummation of the transactions contemplated by this instrument do not and will not: (i) violate any material judgment, statute, rule or regulation applicable to the Company; (ii) result in the acceleration of any material indenture or contract to which the Company is a party or by which it is bound; or (iii) result in the creation or imposition of any lien upon any property,

asset or revenue of the Company or the suspension, forfeiture, or nonrenewal of any material permit, license or authorization applicable to the Company, its business or operations.

(g) Consents. No consents, waivers, registrations, qualifications or approvals are required in connection with the execution, delivery and performance of this Agreement and the transactions contemplated hereby, other than: (i) the Company's manager and/or member approvals which have been properly obtained, made or effected, as the case may be, and (ii) any qualifications or filings under applicable securities laws.

(h) Securities Matters. The Company is not subject to the requirement to file reports pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934. The Company is not an investment company, as defined in section 3 of the Investment Company Act of 1940 and is not excluded from the definition of investment company by section 3(b) or section 3(c) of that Act. The Company is not disqualified from offering or selling securities in reliance on section 4(a)(6) of the Securities Act as a result of a disqualification as specified in Rule 503 of the Regulation CF. The Company has a specific business plan and has not indicated that its business plan is to engage in a merger or acquisition with an unidentified company or companies. To the extent required, the Company has filed with the SEC and has provided to investors the ongoing annual reports required under Regulation CF prior to the filing of the Form C. The Company is organized under, and subject to, the laws of the state of Delaware.

(i) Transfer Agent. The Company has, or will shortly after the issuance of this instrument, engage a transfer agent registered with the SEC to act as the sole registrar and transfer agent for the Company with respect to the Securities.

6. Indemnification. The Investor acknowledges that the Company and the Custodian and each of their respective founders, officers, directors, employees, agents, and affiliates, are relying on the truth and accuracy of the foregoing representations and warranties in offering Securities for sale to the Investor without having first registered the issuance of the Securities under the Securities Act or the securities laws of any state. The Investor also understands the meaning and legal consequences of the representations and warranties in this Subscription Agreement, and the Investor agrees to indemnify and hold harmless the Company and the Custodian and each of their respective founders, officers, directors, managers, employees, agents, and affiliates from and against any and all loss, damage or liability, including costs and expenses (including reasonable attorneys' fees), due to or arising out of a breach of any such representations or warranties or any failure, or alleged failure, to fulfill any covenants or agreements contained in this Subscription Agreement.

7. Market Stand-Off and Power of Attorney.

(a) In connection with any IPO (as defined below), the Investor shall not directly or indirectly, without the prior written consent of the managing underwriter: (A) lend; offer; pledge; sell; contract to sell; sell any option or contract to purchase; purchase any option or contract to sell; grant any option, right, or warrant to purchase; or otherwise transfer or dispose of, directly or indirectly, any Securities or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Capital Stock (whether such shares or any such securities are then issued hereunder or are thereafter acquired); or (B) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities; whether any such transaction described in clause (A) or (B) above is to be settled by delivery of Capital Stock or other securities, in cash, or otherwise. In no event, however, shall such period exceed two hundred seventy (270) days plus such

(b) The foregoing provisions will: (x) apply only to the IPO and will not apply to the sale of any shares to an underwriter pursuant to an underwriting agreement; (y) not apply to the transfer of any shares to any trust for the direct or indirect benefit of the Investor or the immediate family of the Investor, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer will not involve a disposition for value; and (z) be applicable to the Investor only if all officers and directors of the Company are subject to the same restrictions and the Company uses commercially reasonable efforts to obtain a similar agreement from all stockholders individually owning more than 5% of the outstanding common stock or any securities convertible into or exercisable or exchangeable (directly or indirectly) for common stock. (c) In order to enforce the foregoing covenant, the Company may impose stop transfer instructions with respect the Investor's registrable securities of the Company (and the Company shares or securities of every other person subject to the foregoing restriction) until the end of the Lock-up Period. The Investor agrees that a legend reading substantially as follows will be placed on all certificates representing all of the Investor's registrable securities of the Company:

17. Titles and Subtitles. The titles of the sections and subsections of this Subscription Agreement are for convenience of reference only and are not to be considered in construing this Subscription Agreement.

18. Counterparts. This Subscription Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

19. Electronic Execution and Delivery. A digital reproduction, portable document format (“**.pdf**”) or other reproduction of this Subscription Agreement may be executed by one or more parties hereto and delivered by such party by electronic signature (including signature via DocuSign or similar services), electronic mail or any similar electronic transmission device pursuant to which the signature of or on behalf of such party can be seen. 20. Binding Effect. The provisions of this Subscription Agreement shall be binding upon and accrue to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns.

21. Survival. All representations, warranties and covenants contained in this Subscription Agreement shall survive (i) the acceptance of the subscription by the Company, (ii) changes in the transactions, documents and instruments described in the Form C which are not material, or which are to the benefit of the Investor and (iii) the death or disability of the Investor.

22. Notification of Changes. The Investor hereby covenants and agrees to notify the Company upon the occurrence of any event prior to the closing of the purchase of the Securities pursuant to this Subscription Agreement, which would cause any representation, warranty, or covenant of the Investor contained in this Subscription Agreement to be false or incorrect. The Investor agrees that, upon demand, it will promptly furnish any information, and execute and deliver such documents, as reasonably required by the Company and/or the Portal.

23. Tokenization and Fractionalization. The Company has the right, but not the obligation, to mint and distribute to, or for the benefit of, the Investor one or more types of digital tokens (“**Tokens**”) on a blockchain network, which may serve as a digital representation of, securities entitlement or economic arrangement to, the Securities or as a technological means of providing a transfer instruction to the Company or an entitlement order to a securities intermediary holding the Securities or any securities convertible into or exercisable or exchangeable (directly or indirectly) for shares or Capital Stock on behalf of others. Tokens, if issued, may embody certain rights, preferences, privileges, and restrictions of the respective Securities to which they relate or may provide the means to give such instructions or entitlement orders. All securities issued under this instrument, whether in the form of Tokens or otherwise, may be issued in whole or fractional parts, in the Company’s sole discretion. So long as BitGo Trust Company, Inc. or its successors and assigns is the Custodian, the Company or the Chief Executive Officer of the Company shall provide Custodian with written notice of a determination by the Company to Tokenize the Securities or any securities that may be issued upon conversion thereof, such notice to be reasonably sufficient in time to arrange in advance of Tokenization a custodian of the Tokens to an alternate custodian as needed.

 - ii. Custodian will reconcile the received Securities with the Client's Account records and confirm the successful transfer to the Account.
- (b) From Custodial Account. Subject to the terms of this Agreement, Client may initiate the transfer of Securities from the Custodial Account by sending Instructions to Custodian.
 - i. Upon receiving the Instructions and verifying the request complies with Section 2.3, Custodian will provide Client with settlement instructions for the requested transfer. Client will follow the provided instructions to initiate the transfer from the Custodial Account.
 - ii. Custodian will provide Client with a confirmation of the pending transfer.
 - iii. If Instructions would result in the transfer of Securities exceeding the available balance in the Account, Custodian may reject such Instructions at its sole discretion.

- iv. If Client separately maintains one or more blockchain-based tokens, including self-custodied blockchain-based tokens, associated with securities entitlements in the Account (“Security Instruction Token(s)” or “SIT(s)”), and Client subsequently sells or otherwise transfers SITs on a third-party securities exchange, alternative trading system, or similar trading venue, Client acknowledges and agrees that Custodian will recognize such transfer as an Instruction by Client to Custodian, and Custodian shall transfer a corresponding amount of securities entitlements from the Client’s Account to the account of the acquirer of such SITs.

1.5. Third-Party Payments. The Custodial Services are not intended to facilitate third-party payments of any kind, which shall include the use of Fiat Currency, Securities, and/or Digital Assets. As such, Custodian has no control over, or liability for, the delivery, quality, safety, legality or any other aspect of any goods or services that Client may purchase or sell to or from a third party (including other users of Custodial Services) involving Assets that Client intends to store, or have stored, in Client’s Custodial Account.

1.6. API Access.

- (a) Most Services are provided through <https://www.bitgo.com/> or any associated websites or application programming interfaces (“APIs”) (collectively, the “Company Site”). Client may elect to utilize the APIs either directly or indirectly within an independently developed application (“Developer Application”).
- (b) All API-based Services are subject to usage limits and the terms and conditions set forth at <https://www.bitgo.com/legal/services-agreement> (the “API Terms”), as they may be amended from time to time. In the event of a conflict between the API Terms and the terms of this Agreement, the terms of this Agreement shall control. If Client exceeds a usage limit, Custodian may provide assistance to seek to reduce Client usage so that it conforms to that limit. If Client is unable or unwilling to abide by the usage limits, Client will order additional quantities of the applicable Services promptly upon request or pay Custodian’s invoices for excess usage.

1.7. Fees. The fees associated with the Services shall be calculated, invoiced and paid in accordance with Schedule A (“Fee Schedule”). Custodian reserves the right to revise its Fee Schedule at any time following the Initial Term, provided that Custodian will provide Client with at least thirty (30) days’ advance notice of any such revision. Within such 30-day period, Client may terminate this Agreement in accordance with Section 5.4 and discontinue the Services hereunder at no additional charge to Client.

1.8. Acknowledgement of Risks.

- (a) General Risks; No Investment, Tax, or Legal Advice; No Brokerage. CLIENT ACKNOWLEDGES THAT CUSTODIAN DOES NOT PROVIDE INVESTMENT, TAX, OR LEGAL ADVICE, NOR DOES CUSTODIAN BROKER TRANSACTIONS ON CLIENT’S BEHALF. CLIENT ACKNOWLEDGES THAT CUSTODIAN HAS NOT PROVIDED AND WILL NOT PROVIDE ANY ADVICE, GUIDANCE OR RECOMMENDATIONS TO CLIENT WITH REGARD TO THE SUITABILITY OR VALUE OF ANY DIGITAL ASSETS OR SECURITIES, AND THAT CUSTODIAN HAS NO LIABILITY REGARDING ANY SELECTION OF A DIGITAL ASSET OR SECURITY THAT IS HELD BY CLIENT THROUGH CLIENT’S CUSTODIAL ACCOUNT AND THE CUSTODIAL SERVICES OR THE WALLET SERVICES. ALL DEPOSIT AND WITHDRAWAL TRANSACTIONS ARE EXECUTED BASED ON CLIENT’S INSTRUCTIONS, AND CLIENT IS SOLELY RESPONSIBLE FOR DETERMINING WHETHER ANY INVESTMENT, INVESTMENT STRATEGY, OR RELATED

TRANSACTION INVOLVING DIGITAL ASSETS OR SECURITIES IS APPROPRIATE FOR CLIENT BASED ON CLIENT'S INVESTMENT OBJECTIVES, FINANCIAL CIRCUMSTANCES, AND RISK TOLERANCE. CLIENT SHOULD SEEK LEGAL AND PROFESSIONAL TAX ADVICE REGARDING ANY TRANSACTION.

(b) Material Risk in Investing in Digital Currencies. CLIENT ACKNOWLEDGES THAT:

- (1) VIRTUAL CURRENCY IS NOT LEGAL TENDER, IS NOT BACKED BY THE GOVERNMENT, AND ACCOUNTS AND VALUE BALANCES ARE NOT SUBJECT TO FEDERAL DEPOSIT INSURANCE CORPORATION OR SECURITIES INVESTOR PROTECTION CORPORATION PROTECTIONS;
- (2) LEGISLATIVE AND REGULATORY CHANGES OR ACTIONS AT THE STATE, FEDERAL, OR INTERNATIONAL LEVEL MAY ADVERSELY AFFECT THE USE, TRANSFER, EXCHANGE, AND VALUE OF VIRTUAL CURRENCY;
- (3) TRANSACTIONS IN VIRTUAL CURRENCY MAY BE IRREVERSIBLE, AND, ACCORDINGLY, LOSSES DUE TO FRAUDULENT OR ACCIDENTAL TRANSACTIONS MAY NOT BE RECOVERABLE;
- (4) SOME VIRTUAL CURRENCY TRANSACTIONS SHALL BE DEEMED TO BE MADE WHEN RECORDED ON A PUBLIC LEDGER, WHICH IS NOT NECESSARILY THE DATE OR TIME THAT THE CUSTOMER INITIATES THE TRANSACTION;
- (5) THE VALUE OF VIRTUAL CURRENCY MAY BE DERIVED FROM THE CONTINUED WILLINGNESS OF MARKET PARTICIPANTS TO EXCHANGE FIAT CURRENCY FOR VIRTUAL CURRENCY, WHICH MAY RESULT IN THE POTENTIAL FOR PERMANENT AND TOTAL LOSS OF VALUE OF A PARTICULAR VIRTUAL CURRENCY SHOULD THE MARKET FOR THAT VIRTUAL CURRENCY DISAPPEAR;
- (6) THERE IS NO ASSURANCE THAT A PERSON WHO ACCEPTS A VIRTUAL CURRENCY AS PAYMENT TODAY WILL CONTINUE TO DO SO IN THE FUTURE;
- (7) THE VOLATILITY AND UNPREDICTABILITY OF THE PRICE OF VIRTUAL CURRENCY RELATIVE TO FIAT CURRENCY MAY RESULT IN SIGNIFICANT LOSS OVER A SHORT PERIOD OF TIME;
- (8) THE NATURE OF VIRTUAL CURRENCY MAY LEAD TO AN INCREASED RISK OF FRAUD OR CYBER ATTACK;
- (9) THE NATURE OF VIRTUAL CURRENCY MEANS THAT ANY TECHNOLOGICAL DIFFICULTIES EXPERIENCED BY THE LICENSEE MAY PREVENT THE ACCESS OR USE OF A CUSTOMER'S VIRTUAL CURRENCY; AND
- (10) ANY BOND OR TRUST ACCOUNT MAINTAINED BY THE LICENSEE FOR THE BENEFIT OF ITS CUSTOMERS MAY NOT BE SUFFICIENT TO COVER ALL LOSSES INCURRED BY CUSTOMERS.

(c) CLIENT ACKNOWLEDGES THAT USING DIGITAL ASSETS AND ANY RELATED NETWORKS AND PROTOCOLS, INVOLVES SERIOUS RISKS. CLIENT AGREES THAT IT HAS READ AND ACCEPTS THE RISKS LISTED IN THIS SECTION 1.6, WHICH IS NON-EXHAUSTIVE AND WHICH MAY NOT CAPTURE ALL RISKS ASSOCIATED WITH CLIENT'S ACTIVITY. IT IS CLIENT'S DUTY TO LEARN ABOUT ALL THE RISKS INVOLVED WITH DIGITAL ASSETS AND ANY RELATED PROTOCOLS AND NETWORKS. CUSTODIAN MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING THE VALUE OF DIGITAL ASSETS OR THE SECURITY OR PERFORMANCE OF ANY RELATED NETWORK OR PROTOCOL.

- (d) Risks in Relation to Securities Transactions. SUBJECT TO THE TERMS OF THIS AGREEMENT, THE CLIENT MAY TRANSFER SECURITIES FROM ITSELF, AN EXTERNAL PROVIDER, OR OTHER THIRD PARTIES TO A CUSTODIAL ACCOUNT. THE CLIENT WILL BEAR THE SOLE RISK AND EXPENSE ASSOCIATED WITH THE TRANSFER OF SECURITIES, INCLUDING ANY DELAYS OR INABILITY TO ACHIEVE FINAL SETTLEMENT AS REQUIRED BY THIS AGREEMENT. THE CUSTODIAN WILL FOLLOW ESTABLISHED INDUSTRY PRACTICES AND RELEVANT REGULATIONS TO FACILITATE THE TIMELY SETTLEMENT OF SECURITIES TRANSACTIONS. HOWEVER, THE CUSTODIAN WILL NOT BE LIABLE FOR ANY DELAYS OR FAILURES IN SETTLEMENT ARISING FROM CIRCUMSTANCES BEYOND ITS REASONABLE CONTROL OR THAT ARE ATTRIBUTABLE TO THE ACTIONS OR OMISSIONS OF THIRD PARTIES INVOLVED IN THE SETTLEMENT PROCESS. THE CLIENT ACKNOWLEDGES THAT THE SETTLEMENT OF SECURITIES MAY INVOLVE INTERMEDIARY ENTITIES, SUCH AS CLEARINGHOUSES, DEPOSITORY, OR TRANSFER AGENTS, AND THAT THE CUSTODIAN'S ROLE IS LIMITED TO THE CUSTODY, AND TRANSFER, AND PROVISION OF OTHER SERVICES WITH RESPECT TO OF THE SECURITIES AS INSTRUCTED BY THE CLIENT.

2. CUSTODIAL ACCOUNT.

2.1. Registration; Authorized Persons

- (a) To use the Custodial Services, Client must create a Custodial Account by providing Custodian with all information requested. Custodian may, in its sole discretion, refuse to allow Client to establish a Custodial Account, limit the number of Custodial Accounts, and/or decide to subsequently terminate a Custodial Account.
- (b) Client will maintain an updated and current list of Authorized Persons at all times on the Company Site and will immediately notify Custodian of any changes to the list of Authorized Persons by updating the list on the Company Site, including for termination of employment, or otherwise. Client shall make available all necessary documentation and identification information, as reasonably requested by Custodian to confirm: (i) the identity of each Authorized Person; (ii) that each Authorized Person is eligible to be deemed an "Authorized Person" as defined in this Agreement; and (iii) the party(ies) requesting the changes in the list of Authorized Persons have valid authority to request changes on behalf of Client.

- 2.2. General.** The Custodial Services allow Client to deposit supported Assets to Client's Account, and to withdraw supported Assets from Client's Custodial Account to an external location, in each case, pursuant to Instructions Client provides through the Company Site (each such transaction is a "Custody Transaction"). The Assets stored in Client's Custodial Account will not be commingled with other Assets without express action taken by Client and will be held in custody pursuant to the terms of this Agreement. Custodian reserves the right to refuse to process or to cancel any pending Custody Transaction: as required by Applicable Law; to enforce transaction, threshold, and condition limits; or if Custodian reasonably believes that the Custody Transaction may violate or facilitate the violation of any Applicable Law, regulation or rule of a governmental authority or self-regulatory organization. Custodian cannot reverse a Custody Transaction which has been broadcast to a Digital Asset network.

2.3. Instructions.

- (a) Custodian acts upon instructions ("Instructions") given by Authorized Persons that are received and verified by Custodian in accordance with its procedures and this Agreement.
- (b) Instructions will be required for any action requested of the Custodian. Instructions shall continue in full force and effect until canceled (if possible) or executed.
- (c) The Custodian shall be entitled to rely upon any Instructions it receives from an Authorized Person (or from a person reasonably believed by the Custodian to be an Authorized Person) pursuant to this Agreement.
- (d) The Custodian may assume that any Instructions received hereunder are not in any way inconsistent with the provisions of organizational documents of the Client or of any vote, resolution, or proper authorization and that the Client is authorized to take the actions specified in the Instructions.
- (e) Client must verify all transaction information prior to submitting Instructions to the Custodian. The Custodian shall have no duty to inquire into or investigate the validity, accuracy or content of any Instructions.
- (f) If any Instructions are ambiguous, incomplete, or conflicting, Custodian may refuse to execute such Instructions until any ambiguity, incompleteness, or conflict has been resolved. Custodian may refuse to execute Instructions if, in its sole opinion, such Instructions are outside the scope of its duties under this Agreement or are contrary to any Applicable Law.
- (g) Client is responsible for Losses (as defined below) resulting from inaccurate Instructions (e.g., if Client provides the wrong destination address for executing a withdrawal transaction). Custodian does not guarantee the identity of any user, receiver, requestee, or other party to a Custody Transaction. Custodian shall have no liability whatsoever for failure to perform pursuant to such Instructions except in the case of Custodian's gross negligence, fraud, or willful misconduct.
- (h) Unless otherwise directed by Client and confirmed by Custodian in writing, Client expressly acknowledges and agrees that the Platform Provider shall constitute an Authorized Person. Any and all Instructions received by the Custodian, whether electronically or otherwise, from the Platform Provider will be deemed as proper Instructions.

2.4. Digital Asset Deposits and Withdrawals.

- (a) Prior to initiating a deposit of Digital Assets to Custodian, Client must confirm that Custodian offers Custodial Services for that specific Digital Asset. The list of supported Digital Assets is currently available at: <https://www.bitgo.com/resources/coins>. The foregoing list or foregoing URL may be updated or changed from time to time in Custodian's sole discretion. By initiating a deposit of Digital Assets to a Custodial Account, Client attests that Client has confirmed that the Digital Asset being transferred is supported by Custodian.
- (b) Client must initiate any withdrawal request through Client's Custodial Account to a Client wallet address. Custodian will process withdrawal requests for amounts under \$250,000, either in a single transaction or aggregated in a series of transactions, during a rolling 24 hour period without video verification, to a Client-whitelisted address which has been previously used to which Client has made a withdraw to at least once. The time of such a request shall be considered the time of transmission of such notice from Client's Custodial Account. Custodian reserves the right to request video verification for any transaction or series of transactions under the threshold of \$250,000. Custodian will require video verification for withdrawal requests greater than \$250,000 or requests

made to a new address, either in a single transaction or aggregated in a series of transactions, during a rolling 24 hour period; provided, Custodian can require video calls for amounts less than \$250,000 if it deems necessary for security, compliance, or any other purposes in its sole discretion. The initiation of the 24 hour time period to process the withdrawal request shall be considered at the time at which client completes video verification.

- (c) As further set forth in Section 3.5, Client must manage and keep secure any and all information or devices associated with deposit and withdrawal procedures, including YubiKeys and passphrases or other security or confirmation information. Custodian reserves the right to charge or pass through network fees (e.g. miner fees or validator fees) to process a Digital Asset transaction on Client's behalf. Custodian will notify Client of the estimated network fee at or before the time Client authorizes the transaction.

2.5. Access Time.

- (a) Custodian requires up to 24 hours (excluding weekends and US federal holidays) between any request to withdraw Digital Assets or Securities from Client's Custodial Account and submission of Client's withdrawal to the applicable Digital Asset network.
- (b) Custodian reserves the right to take additional time beyond the 24 hour period if such time is required to verify security processes for large or suspicious transactions. Any such processes will be executed reasonably and in accordance with Custodian documented protocols, which may change from time to time at the sole discretion of Custodian.
- (c) Custodian makes no representations or warranties with respect to the availability and/or accessibility of the Digital Assets or Securities. Custodian will make reasonable efforts to ensure that Client initiated deposits are processed in a timely manner, but Custodian makes no representations or warranties regarding the amount of time needed to complete processing of deposits which is dependent upon factors outside of Custodian's control.

2.6. Supported Digital Assets. The Custodial Services are available only in connection with those Digital Assets that Custodian supports (list currently available at <https://www.bitgo.com/resources/coins>). The Digital Assets that Custodian supports may change from time to time in Custodian's discretion. Custodian assumes no obligation or liability whatsoever regarding any unsupported Digital Asset sent or attempted to be sent to it, or regarding any attempt to use the Custodial Services for Digital Assets that Custodian does not support. Custodian may, from time to time, determine types of Digital Assets that will be supported or cease to be supported by the Custodial Services. Custodian will use commercially reasonable efforts to provide Client with thirty (30) days' prior written notice before ceasing to support a Digital Asset, unless Custodian is required to cease such support sooner to comply with Applicable Law or in the event such support creates an urgent security or operational risk in Custodian's reasonable discretion (in which event Custodian will provide as much notice as is practicable under the circumstances). Under no circumstances should Client attempt to use the Custodial Services to deposit or store any Digital Assets that are not supported by Custodian. Depositing or attempting to deposit Digital Assets that are not supported by Custodian will result in such Digital Asset being unretrievable by Client and Custodian.

2.7. Advanced Protocols. Unless specifically announced on the Custodian or Company website, Custodian does not support airdrops, side chains, or other derivative, enhanced, or forked protocols, tokens, or coins which supplement or interact with a Digital Asset supported by Custodian (collectively, "Advanced Protocols"). Client shall not use its Custodial Account to

attempt to receive, request, send, store, or engage in any other type of transaction involving an Advanced Protocol. Custodian assumes absolutely no responsibility whatsoever in respect to Advanced Protocols.

2.8. Operation of Digital Asset Protocols.

- (a) Custodian does not own or control the underlying software protocols which govern the operation of Digital Assets supported on the Custodian platform. By using the Custodial Services, Client acknowledges and agrees that (i) Custodian is not responsible for operation of the underlying protocols and that Custodian makes no guarantee of their functionality, security, or availability; and (ii) the underlying protocols are subject to sudden changes in operating rules (a.k.a. “forks”), and (iii) that such forks may materially affect the value, function, and/or even the name of the Digital Assets that Client stores in Client’s Custodial Account. In the event of a fork, Client agrees that Custodian may temporarily suspend Custodian operations with respect to the affected Digital Assets (with or without advance notice to Client) and that Custodian may, in its sole discretion, decide whether or not to support (or cease supporting) either branch of the forked protocol entirely. Client acknowledges and agrees that Custodian assumes absolutely no liability whatsoever in respect of an unsupported branch of a forked protocol or its determination whether or not to support a forked protocol.
- (b) Client agrees that all “airdrops” (free distributions of certain Digital Assets) and forks will be handled by Custodian pursuant to its fork policy (the “Fork Policy”) (currently available at www.bitgo.com/resources/bitgo-fork-policy). Client acknowledges that Custodian is under no obligation to support any airdrops or forks, or handle them in any manner, except as detailed above and in the Fork Policy. Client further acknowledges that Custodian, at its sole discretion, may update the Fork Policy from time to time and/or the URL at which it is available and Client agrees that Client is responsible for reviewing any such updates. Client is under no obligation to provide notification to Client of any modification to the Fork Policy.

2.9. Account Statements.

- (a) Custodian will provide Client with an electronic account statement every calendar quarter. Each statement will be provided via the Custodian’s website and notice of its posting will be sent via electronic mail.
- (b) The Client will have forty-five (45) days to file any written objections or exceptions with the Custodian after the posting of a Custodial Account statement online. If the Client does not file any objections or exceptions within a forty-five (45) day period, this shall indicate the Client’s approval of the statement and will preclude the Client from making future objections or exceptions regarding the information contained in the statement. Such approval by the Client shall be full acquittal and discharge of Custodian regarding the transactions and information on such statement.
- (c) To value Digital Assets held in the Client’s account, the Custodian will electronically obtain USD equivalent prices from digital asset market data with amounts rounded up to the seventh decimal place to the right. Custodian cannot guarantee the accuracy or timeliness of prices received and the prices are not to be relied upon for any investment decisions for the Client’s account.

- 2.10. Independent Verification.** If Client is subject to Rule 206(4)-2 under the Investment Advisers Act of 1940, Custodian shall, upon written request, provide Client’s authorized independent public accountant confirmation of, or access to, information sufficient to confirm (i) Client’s

Digital Assets as of the date of an examination conducted pursuant to Rule 206(4)-2(a)(4), and (ii) Client's Digital Assets are held either in a separate account under Client's name or in accounts under Client's name as agent or trustee for Client's clients.

2.11. Support and Service Level Agreement. Custodian will use commercially reasonable efforts: (i) to provide reasonable technical support to Client, by email or telephone, during Custodian's normal business hours (9:30 AM to 6 PM ET); (ii) to respond to support requests in a timely manner; (iii) resolve such issues by providing updates and/or workarounds to Client (to the extent reasonably possible and practical), consistent with the severity level of the issues identified in such requests and their impact on Client's business operations; (iv) abide by the terms of the Service Level Agreement currently made available at <https://www.bitgo.com/resources/bitgo-service-level-agreement> (as Service Level Agreement or the URL at which it is made available may be amended from time to time); and (vii) to make Custodial Accounts available via the internet 24 hours a day, 7 days a week.

2.12. Clearing and Settlement Services.

- (a) Custodian may offer clearing and settlement services (the "Settlement Services") that facilitate the settlement of transactions of Digital Assets, Securities, or Fiat Currency between Client and Client's trade counterparty that also has a Custodial Account with Custodian ("Settlement Partner"). Client acknowledges that the Settlement Service is an API product complemented by a Web user interface (UI). Clients may utilize the Settlement Services by way of settlement of one-sided requests with counterparty affirmation or one-sided requests with instant settlement; and two-sided requests with reconciliation. Client understands that the Assets available for use within the Settlement Services may not include all of Client's Assets under custody. For the avoidance of doubt, use of the API product is subject to the terms and conditions set forth in Section 1.4 of this Agreement.
- (b) The Settlement Services allow Client to submit, through the Custodian's settlement platform, a request to settle a purchase or sale of Assets with a Settlement Partner. Client authorizes Custodian to accept Client's cryptographic signature submitted by way of the Settlement Services API. When a cryptographic signature is received by way of the Settlement Services along with the settlement transaction details, Client is authorizing Custodian to act on Client's direction to settle such transaction.
- i. A one-sided request with counterparty affirmation requires Client to submit a request, including its own cryptographic signature on the trade details, via API calls. Custodian will notify the Settlement Partner and lock funds of both parties while waiting for the Settlement Partner to affirm the request. Custodian will settle the trade immediately upon affirmation and the locked funds will be released.
 - ii. A one-sided request with instant settlement requires one side of the trade to submit a request, including cryptographic signatures of both parties to the trade, via API calls. Custodian will settle the trade immediately.
 - iii. A two-sided request with reconciliation requires that both Client and Settlement Partner submit requests via API calls, with each party providing their own cryptographic signatures. Custodian will reconcile the trades and settle immediately upon successful reconciliation.
 - iv. In any one-sided or two sided request, the Settlement Partner must be identified and selected by Client prior to submitting a settlement request.

- v. Client may submit a balance inquiry through the settlement platform, to verify that Settlement Partner has a sufficient balance of the applicable Asset(s) to be transacted before the Parties execute a transaction. This balance inquiry function is to be utilized only for the purpose of executing a trade transaction to ensure the Settlement Partner has sufficient Assets to settle the transaction. Client hereby expressly authorizes and consents to Custodian providing access to such information to Client's Settlement Partner in order to facilitate the settlement.
 - vi. Client and Settlement Partner's Custodial Accounts must have sufficient Assets prior to initiating any settlement request. The full amount of assets required to fulfill a transaction are locked until such order has been completed. All orders are binding on Client and Client's Custodial Account. Custodian does not guarantee that any settlement will be completed by any Settlement Partner. Client may not be able to withdraw an offer (or withdraw its acceptance of an offer) prior to completion of a settlement and Custodian shall not be liable for the completion of any order after a cancellation request has been submitted.
 - vii. Client acknowledges and accepts responsibility for ensuring only an appropriate Authorized Person of its Custodial Account has access to the API key(s).
 - viii. Client further understands and agrees that Client is solely responsible for any decision to enter into a settlement by way of the Settlement Services, including the evaluation of any and all risks related to any such transaction and has not relied on any statement or other representation of Custodian. Client understands that Custodian is a facilitator and not a counterparty to any settlement; and, as a facilitator, Custodian bears no liability with respect to any transaction and does not assume any clearing risk.
 - ix. Any notifications that Client may receive regarding the Settlement Services are Client's responsibility to review in a timely manner.
- (c) Upon execution of the settlement, the Settlement Services shall provide Client, by electronic means, a summary of the terms of the transaction, including: the type of Digital Asset or Securities purchased or sold; the delivery time; and the purchase or sale price. Settlement of a transaction is completed in an omnibus account by way of offsetting ledger transactions.
 - (d) Custodian reserves the right to refuse to settle any transaction, or any portion of any transaction, for any reason, at its sole discretion. Custodian bears no responsibility if any such order was placed or active during any time the Settlement Services system is unavailable or encounters an error; or, if any such order triggers certain regulatory controls.
 - (e) Client understands and agrees that Custodian may charge additional fees for the Settlement Services furnished to Client as indicated in the Fee Schedule attached as Schedule A and any amendments to Schedule A.
 - (f) Clearing and settlement transactions shall be subject to all Applicable Law.

3. USE OF SERVICES.

- 3.1. Company Site and Content.** Custodian hereby grants Client a limited, nonexclusive, non transferable, revocable, royalty-free license, subject to the terms of this Agreement, to access and

use the Company Site and related content, materials, information (collectively, the “Content”) solely for using the Services in accordance with this Agreement. Any other use of the Company Site or Content is expressly prohibited and all other right, title, and interest in the Company Site or Content is exclusively the property of Custodian and its licensors. Client shall not copy, transmit, distribute, sell, license, reverse engineer, modify, publish, or participate in the transfer or sale of, create derivative works from, or in any other way exploit any of the Content, in whole or in part. “www.bitgo.com,” “BitGo,” “BitGo Custody,” and all logos related to the Custodial Services or displayed on the Company Site are either trademarks or registered marks of Custodian or its licensors. Client may not copy, imitate or use them without Custodian’s prior written consent in each instance.

- 3.2. Website Accuracy.** Although Custodian intends to provide accurate and timely information on the Company Site, the Company Site (including, without limitation, the Content, but excluding any portions thereof that are specifically referenced in this Agreement) may not always be entirely accurate, complete, or current and may also include technical inaccuracies or typographical errors. In an effort to continue to provide Client with as complete and accurate information as possible, such information may be changed or updated from time to time without notice, including without limitation information regarding Custodian policies, products and services. Accordingly, Client should verify all information before relying on it, and all decisions based on information contained on the Company Site are Client’s sole responsibility and Custodian shall have no liability for such decisions. Links to third-party materials (including without limitation websites) may be provided as a convenience but are not controlled by Custodian. Custodian is not responsible for any aspect of the information, content, or services contained in any third-party materials or on any third-party sites accessible from or linked to the Company Site.
- 3.3. Third-Party or Non-Permissioned Users.** Client acknowledges that granting permission to a third party or non-permissioned user to take specific actions on Client’s behalf does not relieve Client of any of Client’s responsibilities under this Agreement and may violate the terms of this Agreement. Client is fully responsible for all activities taken on Client’s Custodial Account (including, without limitation, acts or omissions of any third party or non-permissioned user with access to Client’s Custodial Account). Further, Client acknowledges and agrees that Client will not hold Custodian responsible for, and will indemnify, defend and hold harmless the Custodian Indemnitees (as defined below) from and against any Losses arising out of or related to any act or omission of any party using Client’s Custodial Account (including, without limitation, acts or omissions of any third party or non-permissioned user with access to Client’s Custodial Account). Client must notify Custodian immediately if a third party or non-permissioned user accesses or connects to Client’s Custodial Account by contacting Client’s Custodial Account representative or by emailing security@bitgo.com from the email address associated with Client’s Custodial Account.
- 3.4. Prohibited Use.** Client acknowledges and agrees that Custodian may monitor use of the Services and the resulting information may be utilized, reviewed, retained and or disclosed by Custodian in aggregated and non-identifiable forms for its legitimate business purposes or in accordance with Applicable Law. Client will not use the Services, directly or indirectly via the Developer Application, to: (i) upload, store or transmit any content that is infringing, libelous, unlawful, tortious, violate privacy rights, or that includes any viruses, software routines or other code designed to permit unauthorized access, disable, erase, or otherwise harm software, hardware, or data; (ii) engage in any activity that interferes with, disrupts, damages, or accesses in an unauthorized manner the Services, servers, networks, data, or other properties of Custodian or of its suppliers or licensors; (iii) develop, distribute, or make available the Developer Application in any way in furtherance of criminal, fraudulent, or other unlawful activity; (iv) make the

Services available to, or use any Services for the benefit of, anyone other than Client or end users of the Developer Application; (v) sell, resell, license, sublicense, distribute, rent or lease any Services, or include any Services in a Services bureau or outsourcing offering; (vi) permit direct or indirect access to or use of any Services in a way that circumvents a contractual usage limit; (vii) obscure, remove, or destroy any copyright notices, proprietary markings or confidential legends; (viii) to build a competitive product or service; (ix) distribute the Developer Application in source code form in a manner that would disclose the source code of the Services; or (x) reverse engineer, decrypt, decompile, decode, disassemble, or otherwise attempt to obtain the human readable form of the Services, to the extent such restriction is permitted by applicable law. Client will comply with the restrictions set forth in Appendix 1.

3.5. Security; Client Responsibilities.

- (a) Client is responsible for maintaining adequate security and control of any and all Client Keys, IDs, passwords, hints, personal identification numbers, non-custodial wallet keys, API keys, yubikeys, 2-factor authentication devices or backups, or any other codes that Client uses to access the Services. Any loss or compromise of the foregoing information and/or Client's personal information may result in unauthorized access to Client's Custodial Account by third parties and the loss or theft of Assets. Client is responsible for keeping Client's email address and telephone number up to date in Client's profile in order to receive any notices or alerts that Custodian may send Client. Custodian assumes no responsibility for any loss that Client may sustain due to compromise of login credentials due to no fault of Custodian and/or failure to follow or act on any notices or alerts that Custodian may send to Client. In the event Client believes Client's Custodial Account information has been compromised, Client will contact Custodian Support immediately at security@bitgo.com.
- (b) Client will ensure that all Authorized Persons will be adequately trained to safely and securely access the Services, including understanding of general security principles regarding passwords and physical security of computers, keys, and personnel.
- (c) Client will immediately notify Custodian of any unauthorized access, use or disclosure of Client's Account credentials, or any relevant breach or suspected breach of security (including breach of Client's systems, networks or developer applications). Client will provide Custodian with all relevant information Custodian reasonably requests to assess the security of the assets, Custodial Accounts and wallets.

3.6. Taxes. The Client will, for all tax purposes, be treated as the owner of all Assets held by the Custodian pursuant to this Agreement. It is the Client's sole responsibility to determine whether and to what extent Taxes and Tax reporting obligations may apply to the Client with respect to its Assets, Custodial Accounts, and transactions, and the Client will timely pay all such taxes and will file all returns, reports, and disclosures required by Applicable Law. Client is solely responsible for any taxes applicable to any deposits or withdrawals Client conducts through the Custodial Services, and for withholding, collecting, reporting, and/or remitting the correct amount of taxes to the appropriate tax authorities. Client's deposit and withdrawal history is available by accessing Client's Custodial Account through the Company Site or by contacting Custodian directly. If Custodian or an affiliate of Custodian has a legal obligation to pay or collect taxes for which Client is responsible, Client will be invoiced for the relevant amount and Client will pay that amount unless Client provides the Custodian or relevant affiliate of Custodian with a valid tax exemption certificate authorized by the appropriate taxing authority.

3.7. Third Party Providers. Client acknowledges and agrees that the Services may be provided from time to time by, through or with the assistance of affiliates of or vendors to Custodian, including

BitGo Inc. as described above. Custodian shall remain liable for its obligations under this Agreement in the event of any breach of this Agreement caused by such affiliates or any vendor.

3.8. Developer Applications.

- (a) Subject to Custodian's acceptance of Client as a developer, and subject to Client's performance of its obligations under this Agreement, Custodian grants Client a nonassignable, non-transferrable, revocable, personal and non-exclusive license under Custodian's applicable intellectual property rights to use and reproduce the Custodian software development kit for Developer Applications.
- (b) Client agrees that all end users of any Developer Application will be subject to the same use restrictions that bind Client under this Agreement (including under Section 3.4 (Prohibited Use) and Appendix 1).
- (c) Client is solely responsible and has sole liability for Client's end users that access or use the Services via the Developer Application and all acts or omissions taken by such end users will be deemed to have been taken (or not taken) by Client. Client is responsible for the accuracy, quality and legality of Developer Application content and user data. Client will comply with, and ensure that Client's Developer Application and end users comply with all Applicable Law.

4. CUSTODIAN OBLIGATIONS.

- 4.1. Insurance.** Custodian will obtain and/or maintain insurance coverage in such types and amounts as are commercially reasonable for the Custodial Services provided hereunder. Client acknowledges that any insurance related to theft of Digital Assets will apply to Custodial Services only (where keys are held by Custodian) and not Wallet Services for non-custodial accounts (where keys are held by Client).

APPENDIX 2: ACH TRANSFER TERMS & CONDITIONS

1.1 Introduction. These Terms and Conditions (“ACH Transfer Terms”) apply to your use of a designated bank account for any transfers you may make to BitGo Trust Company, Inc. (“BitGo”). These ACH Transfer Terms also apply to any transfers you may request from BitGo’s designated bank account, including those related to the return of U.S. Dollars that result from the sale of your Digital Assets (as defined in the Agreement executed between you and BitGo). Please read and keep these ACH Transfer Terms.

If you choose to use a bank account as your transfer method, you accept and agree to these ACH Transfer Terms on the date of each transfer.

BitGo’s external transfer services allow you to transfer funds to your eligible accounts held at BitGo and from other eligible accounts held by you at other U.S. financial institutions, and to eligible accounts held by a third party at BitGo or other U.S. financial institutions. External transfers may only be requested:

- If the transfer is permitted by your or a third party’s external financial institution, as applicable; and
- If the transfer is permitted by law.

BitGo reserves the right to obtain such additional information as we deem reasonably necessary. You agree to promptly update your records if your email address or other information changes.

1.2 Information. You authorize BitGo to validate the external accounts through the use of a test transaction, in which one or more low value payments will be both credited to and debited from the account. The test credit will always be of the same or less amount, so that the balance in any of your accounts will never be less than the actual balance. BitGo may not use test transactions with respect to its relationship with you.

Once the test transaction is complete, we may ask you to access your account to tell us the amount of the test credit or debit or any additional information reported by your bank. We may also verify your external accounts by requiring you to submit proof of ownership of the account. Other account verification methods may also be employed at the sole discretion of BitGo.

1.3 Accounts. By using BitGo external transfer service, you represent and warrant to BitGo that you have the right to authorize and permit us to process such funds transfers or for any other purpose authorized by this agreement, and you assure us that by disclosing and authorizing us to use such information you are not violating any third-party rights. You warrant and represent that the information you are providing us is true, current, correct and complete. You hereby authorized and permit BitGo to use information submitted by you to accomplish these purposes and to configure the service to be compatible with the accounts.

You understand and agree that at all times your relationship with each account provider is independent of BitGo and your use of this service. BitGo will not be responsible for any acts or omissions by the financial institution or other provider of any account, including without limitation any modification, interruption or discontinuance of any account by such provider.

Not all types of accounts are eligible for this service. Be sure to check with your financial institution for restrictions regarding transfers among your retirement, savings, trusts, custodial, business, corporate and other account types. BitGo is not responsible for any costs or losses incurred from transfers that are not permitted under such restrictions by the provider of your account or those imposed by applicable law.

1.4 Transfer Limitations. You may use the external transfer service to transfer funds to or from an eligible BitGo account and another account held by you or a third party at another U.S. financial institution. Transfers may be scheduled to occur one time, for a future date, or on a specific recurring basis.

We reserve the right to impose and/or change transfer limits on your account from time to time in our sole discretion. We reserve the right to suspend or restrict access to use the external transfer service immediately and without prior written notice to you. You understand and agree that such action is reasonable for us to take in order to protect ourselves from loss.

1.5 Initiating and Scheduling Transfers. The cut off time for same business day transfers is [4:45 pm ET]. Any transfer initiated after the applicable cut off time will be considered as being initiated on the next business day. Any transfer initiated on Saturday, Sunday or on a bank holiday will be considered as being initiated on the next business day.

Transfer can be scheduled on either a one time or recurring basis. Processing of one-time transfers may be initiated immediately or scheduled for initiation on a future date. Recurring transfers may be used when a set amount is transferred at regular intervals.

Your transfer must be payable in U.S. dollars. Transfers that we process using your bank account will be identified as “BitGo Trust Company, Inc.” (or similar identifier) on the statement issued by your bank or other financial institution holding your account.

All questions relating to any transactions made using your bank account by us should be initially directed to us, but may also require involvement of your bank.

1.6 Recurring Transfers. In addition to authorizing one-time transfers, you can request that BitGo facilitate recurring periodic transfers from your designated bank account on a daily, weekly or monthly basis. If you have established a weekly recurring transfer, then your transfer will be scheduled to occur on the same day of each week as the initial transfer in such recurring transfer (for example, every Wednesday). If you have established a monthly recurring transfer, then your transfer will be scheduled to occur on either the first or the fifteenth day of each month, based on your election when you initiate the recurring transfer. Your initial recurring transfer will not occur until you have submitted your recurring ACH transfer request and BitGo has had a reasonable amount of time to act upon it.

Any termination or cancellation of your recurring ACH transfer instructions will be effective as soon as BitGo has received your request and had a reasonable amount of time to act upon it.

BitGo may terminate any future recurring transfer without notice at any time for any reason.

1.7 Processing Time. When setting up a new external transfer account, please allow 3 business days to process validation of the test transaction.

Once the test transaction is completed for an external account, you should allow up to 3 business days for processing a transfer.

Please note the receiving financial institution could place a hold on the funds or delay availability. With respect to withdrawals, contact the receiving financial institution for information on their funds availability policy.

1.8 Errors. You understand that we must rely on the information provided by you and you authorize us to act on any instruction which has been or reasonably appears to have been requested by you, to submit

transfer instructions on your behalf. You understand that financial institutions receiving the transfer instructions may rely on such information. We are not obliged to take any further steps to confirm or authenticate such instructions and will act on them without getting further confirmation. You understand that if you provide us with incorrect information or if there is any error in your instructions we will make all reasonable efforts to reserve or delete such instructions, but you accept full responsibility for losses resulting from any of your errors, duplications, ambiguities or fraud in the information that you provide. You agree not to impersonate any person or use a name that you are not authorized to use. If any information you provide is untrue, inaccurate, not current or incomplete, without limiting other remedies, BitGo reserves the right to recover from you any costs or losses incurred as a direct or indirect result of the inaccurate or incomplete information.

We are not responsible for errors, delays and other problems caused by or resulting from the action or inaction of financial institutions holding the account. Although we will use reasonable efforts to try to assist you in resolving any such problems, you understand that any such errors, delays or other problems are the responsibility of the relevant financial institution. Any rights you may have against a financial institution for such errors, delays or other problems are subject to the terms of the agreements you have with such financial institutions, including any time limits during which complaints must be made.

1.9 Unlawful or Prohibited Use.

You warrant to us that you will not use this service for any purpose that is unlawful or not permitted, expressly or implicitly, by the terms of this agreement or by any applicable law or regulation. You further warrant and represent that you will not use this service in any manner that could damage, disable, overburden or impair the service or interfere with any other party's use of the service.

All transfers are subject to the rules and regulations governing the relevant accounts, whether held at BitGo or elsewhere. You agree not to process any transfer from or to an account that is not allowed, under the rules and regulations applicable to such accounts.

1.10 Rejection of Transfers. We reserve the right to decline any transfer, to submit transfer instructions or to carry out change or cancellation requests for any reason. We may, at any time, decline any transfer that we believe may violate applicable law, or where we believe there are not sufficient funds in your account to process any requested transfer. BitGo, in its sole discretion, may require that any or all Digital Assets purchased with funds from an ACH transfer be held in your BitGo Wallet for a period of up to 60 days.

1.11 Electronic Signature and ACH Authorization. You understand that to process your transfer instruction we utilize the Automated Clearing House (ACH), using applicable ACH Rules, to debit one of your accounts and credit another of your accounts. By choosing your bank account as your transfer method, you agree that: (a) you have read, understand and agree to these ACH Transfer Terms, and that this agreement constitutes a "writing signed by you" under any applicable law or regulation, (b) you consent to the electronic delivery of the disclosures contained in these ACH Transfer Terms, (c) you authorize BitGo (or its agent) to make any inquiries we consider necessary to validate any dispute involving your transfer, which may include ordering a credit report and performing other credit checks or verifying the information you provide against third party databases, (d) you authorize BitGo (or its agent) to initiate one or more ACH debit entries (withdrawals) for specified amount(s) from your bank account, and you authorize the financial institution that holds your bank account to deduct such transferred amounts (including any transfers to be made on a recurring basis, as applicable), (e) you authorize BitGo (or its agent) to initiate one or more ACH credit entries (direct deposits) for specified amount(s) to your bank account, and you authorize the financial institution that holds your bank account to credit such transferred amounts, (f) once a sale is complete and an ACH transfer is initiated, the transaction cannot be cancelled; and (g) funds sent to you via ACH typically take two to four business days to reach your financial institution, and BitGo is not responsible for any delays

in the availability of funds, which may vary based on your financial institution's ACH processing procedures and settlement.

If the debit side fails or is returned for any reason and the credit side has been released and cannot be collected, you authorize us to collect from the account to which the credit side of the funds transfer was sent. We reserve the right to resubmit a debit, or a portion of the debit, in the event of an insufficient or uncollected funds return and if we cannot collect the amount credited. To process this collection, you understand and authorize us to debit the credited account or the debited account in either the same dollar amount as the original funds transfer or a portion of the debt. As discussed in more detail below, there may be a fee associated with such collection imposed by the financial institution holding the account.

In the event that a debit to any of your accounts, or any portion of any such debit, has failed and the credit side of such transaction has been released and cannot be collected, and we are unable to debit either the debited or the credited account as set forth above, we reserve the right, and you hereby authorize us, to debit any of your other accounts to the extent necessary to offset any resulting deficiency. We do not undertake to notify you in such event, other than by posting any such transfer or transfers to the applicable account in accordance with this agreement.

1.12 Fees. Because these are electronic transfers, these funds may be withdrawn from your designated bank account immediately. In the case of an ACH debit transaction that is rejected for insufficient funds, you understand that BitGo may at its discretion attempt to process the debit in the amount of the applicable requested transfer again within 30 days and BitGo may separately impose a fee of up to \$25 for each transaction returned for insufficient funds, as permitted by applicable law. You certify that you are an authorized user of your bank account and you will not dispute these scheduled transactions with such bank so long as the transactions correspond to these ACH Transfer Terms and any other applicable agreement related to your accounts with BitGo and its affiliates or such transfer.

You must notify BitGo in writing if you dispute any portion of any fees paid or payable by you under these ACH Transfer Terms or any related agreement. You must provide that written notice to BitGo within 60 days of the applicable charge, and BitGo will work with you to resolve the applicable dispute promptly. If you do not provide BitGo with this written notice of your fee dispute within this 60-day period, you will not be entitled to dispute any fees paid or payable by you.

All amounts and fees stated or referred to in these ACH Transfer Terms are exclusive of taxes, duties, levies, tariffs, and other governmental charges (collectively, "Taxes"). You shall be responsible for payment of all Taxes and any related interest and/or penalties resulting from any transfers made hereunder, other than any taxes based on BitGo's net income.

1.13 Service Changes and Discontinuation. We may modify or discontinue the Service or your use of some or all accounts within the service, with or without notice, without liability to you, any other user or any third-party. We may from time to time make available additional or new features to the service, including but not limited to, a higher dollar limit service. You will be approved or declined for any such additional service at our sole discretion and additional terms and conditions may apply. We reserve the right, subject to applicable law, to terminate your account within the Service and your right to use the service at any time and for any reason, including without limitation if we, in our sole judgment, believe you have engaged in conduct or activities that violate any of the Terms or the rights of BitGo, or if you provide us with false or misleading information or interfere with other users or the administration of the service. We reserve the right to charge a fee for the use of the service and any additional services or features that we may introduce. You understand and agree that you are responsible for paying all applicable fees associated with the use of our services.

1.14 Returned Transactions. You understand and agree that if any previously-initiated debit entry hereunder is returned for any reason (including because of insufficient funds), BitGo will be entitled to exercise remedies in accordance with the Custodial Services Agreement, including freezing your any assets held in any account held with BitGo or any affiliate thereof and reversing any Digital Asset purchases made and delivered to such account.

1.15 Your Liability for Unauthorized Transactions. Federal law limits your liability for any fraudulent, erroneous unauthorized transaction from your bank account based on how quickly you report it to your financial institution. As general rule, you should report any fraudulent, erroneous or unauthorized transactions to your bank within 60 days after the questionable transaction FIRST appeared on your bank account statement. You should contact your bank for more information about the policies and procedures that apply to your account and any unauthorized transactions, including any limits on your liability.

1.16 Our Liability. If we fail to debit or credit your bank account in accordance with these ACH Transfer Terms, in the correct amount or in the correct amount of time, we may be liable for certain losses directly caused by our failure as the law may impose in such cases. However, there are some exceptions. For instance, we will not be liable where: (1) you do not have enough money in your bank account; (2) your bank account is closed or deposits or withdrawals restricted; (3) any terminal or system was not working properly and you were advised of that before you initiated the transfer; (4) the failure was related to circumstances beyond our control (such as flood, fire, power outages, mechanical or system failures); (5) your financial institution refuses to honor an ACH debit or credit; (6) your instructions are lost or delayed in transmission to us; (7) a reasonable security concern, such as unauthorized use, causes us not to honor your instructions; (8) this transfer option has been discontinued or suspended; (9) we advise you that your request will not be processed; (10) you submit a cancellation request with respect to recurring ACH transfer instructions and BitGo is unable to process it prior to your next scheduled transfer and (11) other exceptions are allowed by law.

Except as otherwise required by law, BitGo shall in no event be liable for any other losses and/or damages other than those arising from gross negligence or willful misconduct on our part, and in such case will be limited to actual damages.

You agree that we shall not be liable for any costs, fees, losses or damages of any kind incurred as a result of any charges imposed by any provider of accounts of fund transfers or any funds transfer limitations set by the financial institutions or other providers of the accounts.

1.17 Limitation of Warranty and Liability. You understand and agree that the service is provided “as-is.” Except as otherwise provided in this agreement or as required by law, we assume no responsibility for the timeliness, deletion, mis-delivery or failure to store any user communications. You understand and expressly agree that use of the service is at your sole risk, that any materials and/or data downloaded or otherwise obtained through the use of the service is downloaded or obtained at your own discretion and risk and that you will be solely responsible for any damages, including without limitation damage to your computer system or loss of data that results from the download or the obtaining of such material and/or data. Except as expressly set forth on the BitGo website or in this agreement, we disclaim all warranties of any kind, express or implied, including without limitation any warranty of merchantability, fitness for a particular purpose or non-infringement of intellectual property or third party rights, and we make no warranty or representation regarding the results that may be obtained from the use of the service, the accuracy or reliability of any information obtained through the service, the accuracy of any information retrieved by us from the accounts or that the service will meet any user’s requirements, be uninterrupted, timely, secure or error free. We will not be liable for any direct, indirect, incidental, special, consequential or punitive damages of any kind resulting from the use or the inability to use the service, any inaccuracy of any information or amount retrieved by us from the accounts, any breach of security caused by a third party,

any transactions entered into based on the service, any loss of, unauthorized access to or alteration of a user's transmissions or data or for the cost of procurement of substitute goods and services, including but not limited to damages for loss of profits, use, data or other intangibles, even if we had been advised of the possibility of such damages.

1.18 Agreement Changes. We may in our discretion change these ACH Transfer Terms at any time without notice to you. If any change is found to be invalid, void, or for any reason unenforceable, that change is severable and does not affect the validity and enforceability of any other changes or the remainder of these ACH Transfer Terms. We reserve the right to subcontract any of our rights or obligations under these ACH Transfer Terms.

YOUR CONTINUED USE OF YOUR BANK ACCOUNT AS A METHOD OF MAKING ANY TRANSFER TO OR RECEIVING ANY TRANSFER FROM BITGO (INCLUDING ANY RECURRING TRANSFER) AFTER WE CHANGE THESE ACH TRANSFER TERMS OR ANY OF THE OTHER TERMS INCORPORATED IN THESE ACH TRANSFER TERMS CONSTITUTES YOUR ACCEPTANCE OF THESE CHANGES.

1.19 Communications. If you have registered for this service and wish to withdraw your consent, you must cancel any pending transfer requests and contact our Trust Operations Department at TrustOperations@bitgo.com.

In the event of suspension, you may request reinstatement of the service by contacting our [name] Department at TrustOperations@bitgo.com. We reserve the right, in our sole discretion, to grant or deny reinstatement of the service.

2.9. Voting.

The stockholders entitled to vote at any meeting of stockholders shall be determined in accordance with the provisions of Section 2.12 of these Bylaws, subject to the provisions of Sections 217 and 218 of the General Corporation Law of Delaware (relating to voting rights of fiduciaries, pledgors and joint owners of stock and to voting trusts and other voting agreements).

Except as may be otherwise provided in the certificate of incorporation, each stockholder shall be entitled to one vote for each share of capital stock held by such stockholder. Whenever notice is required to be given under any provision of the General Corporation Law of Delaware or of the certificate of incorporation or these Bylaws, a written waiver thereof, signed by the person entitled to notice, or waiver by electronic mail or other electronic transmission by such person, whether before or after the time stated

therein, shall be deemed equivalent to notice. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of any regular or special meeting of the stockholders need be specified in any written waiver of notice, or any waiver of notice by electronic transmission, unless so required by the certificate of incorporation or these Bylaws.

2.11. Stockholder Action by Written Consent Without A Meeting.

Unless otherwise provided in the certificate of incorporation, any action required to be taken at any annual or special meeting of stockholders of the corporation, or any action that may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice, and without a vote if a consent in writing, setting forth the action so taken, is (i) signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, and (ii) delivered to the corporation in accordance with Section 228(a) of the Delaware General Corporation Law.

Every written consent shall bear the date of signature of each stockholder who signs the consent and no written consent shall be effective to take the corporate action referred to therein unless, within 60 days of the date the earliest dated consent is delivered to the corporation, a written consent or consents signed by a sufficient number of holders to take action are delivered to the corporation in the manner prescribed in this Section. A telegram, cablegram, electronic mail or other electronic transmission consenting to an action to be taken and transmitted by a stockholder or proxyholder, or by a person or persons authorized to act for a stockholder or proxyholder, shall be deemed to be written, signed and dated for purposes of this Section to the extent permitted by law. Any such consent shall be delivered in accordance with Section 228(d)(1) of the Delaware General Corporation Law.

Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used, provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing (including by electronic mail or other electronic transmission as permitted by law). If the action which is consented to is such as would have required the filing of a certificate under any section of the General Corporation Law of Delaware if such action had been voted on by stockholders at a meeting thereof, then the certificate filed under such section shall state, in lieu of any statement required by such section concerning any vote of stockholders, that written notice and written consent have been given as provided in Section 228 of the General Corporation Law of Delaware.

2.12. **Record Date For Stockholder Notice; Voting; Giving Consents.**

In order that the corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or entitled to express consent to corporate action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which shall not be more than 60 nor less than 10 days before the date of such meeting, nor more than 60 days prior to any other action.

If the Board of Directors does not so fix a record date:

(a) The record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held.

(b) The record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is necessary, shall be the day on which the first written consent (including consent by electronic mail or other electronic transmission as permitted by law) is delivered to the corporation.

(c) The record date for determining stockholders for any other purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting, if such adjournment is for thirty (30) days or less; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

2.13. **Proxies.**

Each stockholder entitled to vote at a meeting of stockholders or to express consent or dissent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder by an instrument in writing or by an electronic transmission permitted by law filed with the secretary of the corporation, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. A proxy shall be deemed signed if the stockholder's name is placed on the proxy (whether by manual signature, typewriting, facsimile, electronic or telegraphic transmission or otherwise) by the stockholder or the stockholder's attorney-in-fact. The revocability of a proxy that states on its face that it is irrevocable shall be governed by the provisions of Section 212(e) of the General Corporation Law of Delaware.

ARTICLE III
DIRECTORS

3.1. **Powers.**

Subject to the provisions of the General Corporation Law of Delaware and any limitations in the certificate of incorporation or these Bylaws relating to action required to be approved by the stockholders or by the outstanding shares, the business and affairs of the corporation shall be managed and all corporate powers shall be exercised by or under the direction of the Board of Directors.

3.2. **Number Of Directors.**

Upon the adoption of these Bylaws, the number of directors constituting the entire Board of Directors shall be three (3). Thereafter, this number may be changed by a resolution of the Board of Directors or of the stockholders, subject to Section 3.4 of these Bylaws. No reduction of the authorized number of directors shall have the effect of removing any director before such director's term of office expires.

3.3. **Election, Qualification And Term Of Office Of Directors.**

Except as provided in Section 3.4 of these Bylaws, and unless otherwise provided in the certificate of incorporation, directors shall be elected at each annual meeting of stockholders to hold office until the next annual meeting. Directors need not be stockholders unless so required by the certificate of incorporation or these Bylaws, wherein other qualifications for directors may be prescribed. Each director, including a director elected to fill a vacancy, shall hold office until his or her successor is elected and qualified or until his or her earlier resignation or removal.

Unless otherwise specified in the certificate of incorporation, elections of directors need not be by written ballot.

3.4. **Resignation And Vacancies.**

Any director may resign at any time upon written notice to the attention of the Secretary of the corporation. When one or more directors so resigns and the resignation is effective at a future date, a majority of the directors then in office, including those who have so resigned, shall have power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective, and each director so chosen shall hold office as provided in this section in the filling of other vacancies.

Unless otherwise provided in the certificate of incorporation or these Bylaws:

(a) Vacancies and newly created directorships resulting from any increase in the authorized number of directors elected by all of the stockholders having the right to vote as a single class may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director.

(b) Whenever the holders of any class or classes of stock or series thereof are entitled to elect one or more directors by the provisions of the certificate of incorporation, vacancies and newly created directorships of such class or classes or series may be filled by a majority of the directors elected by such class or classes or series thereof then in office, or by a sole remaining director so elected, or if no such director is in office, by a majority of all directors then in office, although less than a quorum, or by a sole remaining director. If at any time, by reason of death or resignation or other cause, the corporation should have no directors in office, then any officer or any stockholder or an executor, administrator, trustee or guardian of a stockholder, or other fiduciary entrusted with like responsibility for the person or estate of a stockholder, may call a special meeting of stockholders in accordance with the provisions of the certificate of incorporation or these Bylaws, or may apply to the Court of Chancery for a decree summarily ordering an election as provided in Section 211 of the General Corporation Law of Delaware.

If, at the time of filling any vacancy or any newly created directorship, the directors then in office constitute less than a majority of the whole board (as constituted immediately prior to any such increase), then the Court of Chancery may, upon application of any stockholder or stockholders holding at least 10% of the total number of the shares at the time outstanding having the right to vote for such directors, summarily order an election to be held to fill any such vacancies or newly created directorships, or to replace the directors chosen by the directors then in office as aforesaid, which election shall be governed by the provisions of Section 211 of the General Corporation Law of Delaware as far as applicable.

3.5. **Place Of Meetings; Meetings By Telephone.**

The Board of Directors of the corporation may hold meetings, both regular and special, either within or outside the state of Delaware.

Unless otherwise restricted by the certificate of incorporation or these Bylaws, members of the Board of Directors, or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors, or any committee, by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

3.6. **Regular Meetings.**

Regular meetings of the Board of Directors may be held without notice at such time and at such place as shall from time to time be determined by the board.

3.7. **Special Meetings; Notice**

Special meetings of the Board of Directors for any purpose or purposes may be called at any time by the chairman of the board, the chief executive officer, the president, any vice president, the secretary or any two directors.

Notice of the time and place of special meetings shall be delivered personally or by telephone to each director or sent by first-class mail, facsimile, electronic transmission, or telegram, charges prepaid, addressed to each director at that director's address as it is shown on the records of the corporation. If the notice is mailed, it shall be deposited in the United States mail at least four days before the time of the holding of the meeting. If the notice is delivered personally or by facsimile, electronic transmission, telephone or telegram, it shall be delivered at least 48 hours before the time of the holding of the meeting. Any oral notice given personally or by telephone may be communicated either to the director or to a person at the office of the director who the person giving the notice has reason to believe will promptly communicate it to the director. The notice need not specify the purpose of the meeting. The notice need not specify the place of the meeting, if the meeting is to be held at the principal executive office of the corporation. Unless otherwise indicated in the notice thereof, any and all business may be transacted at a special meeting.

3.8. **Quorum.**

At all meetings of the Board of Directors, a majority of the total number of directors shall constitute a quorum for the transaction of business and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board of Directors, except as may be otherwise specifically provided by statute or by the certificate of incorporation. If a quorum is not present at any meeting of the Board of Directors, then the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum is present.

A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting.

3.9. **Waiver Of Notice.**

Whenever notice is required to be given under any provision of the General Corporation Law of Delaware or of the certificate of incorporation or these Bylaws, a written waiver thereof, signed by the person entitled to notice, or waiver by electronic mail or other electronic transmission by such person, whether before or after the time stated therein, shall be deemed equivalent to notice. Attendance of a person at a meeting shall

constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the directors, or members of a committee of directors, need be specified in any written waiver of notice unless so required by the certificate of incorporation or these Bylaws.

3.10. Board Action By Written Consent Without A Meeting.

Unless otherwise restricted by the certificate of incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors, or of any committee thereof, may be taken without a meeting if all members of the board or committee, as the case may be, consent thereto in writing or by electronic transmission, and the writing or writings or electronic transmission or transmissions are filed with the minutes of proceedings of the board or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used, provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

3.11. Fees and Compensation Of Directors.

Unless otherwise restricted by the certificate of incorporation or these Bylaws, the Board of Directors shall have the authority to fix the compensation of directors. No such compensation shall preclude any director from serving the corporation in any other capacity and receiving compensation therefor.

3.12. Approval Of Loans To Officers.

The corporation may lend money to, or guarantee any obligation of, or otherwise assist any officer or other employee of the corporation or of its subsidiary, including any officer or employee who is a director of the corporation or its subsidiary, whenever, in the judgment of the directors, such loan, guaranty or assistance may reasonably be expected to benefit the corporation. The loan, guaranty or other assistance may be with or without interest and may be unsecured, or secured in such manner as the Board of Directors shall approve, including, without limitation, a pledge of shares of stock of the corporation. Nothing in this section shall be deemed to deny, limit or restrict the powers of guaranty or warranty of the corporation at common law or under any statute.

3.13. Removal Of Directors.

Unless otherwise restricted by statute, by the certificate of incorporation or by these Bylaws, any director or the entire Board of Directors may be removed, with or without cause, by the holders of a majority of the shares then entitled to vote at an election of

directors; provided, however, that if the stockholders of the corporation are entitled to cumulative voting, if less than the entire Board of Directors is to be removed, no director may be removed without cause if the votes cast against his removal would be sufficient to elect him if then cumulatively voted at an election of the entire Board of Directors.

No reduction of the authorized number of directors shall have the effect of removing any director prior to the expiration of such director's term of office.

3.14. **Chairman Of The Board Of Directors.**

The corporation may also have, at the discretion of the Board of Directors, a chairman of the Board of Directors who shall not be considered an officer of the corporation.

ARTICLE IV
COMMITTEES

4.1. **Committees Of Directors.**

The Board of Directors may designate one or more committees, each committee to consist of one or more of the directors of the corporation. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member. Any such committee, to the extent provided in the resolution of the Board of Directors, or in these Bylaws, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the corporation, and may authorize the seal of the corporation to be affixed to all papers which may require it; but no such committee shall have the power or authority in reference to the following matters: (i) approving or adopting, or recommending to the stockholders, any action or matter expressly required by the General Corporate Law of Delaware to be submitted to stockholders for approval or (ii) adopting, amending or repealing any Bylaw of the corporation.

4.2. **Committee Minutes.**

Each committee shall keep regular minutes of its meetings and report the same to the Board of Directors when required.

4.3. **Meetings And Action Of Committees.**

Meetings and actions of committees shall be governed by, and held and taken in accordance with, the provisions of Section 3.5 (place of meetings and meetings by telephone), Section 3.6 (regular meetings), Section 3.7 (special meetings and notice), Section 3.8 (quorum), Section 3.9 (waiver of notice), and Section 3.10 (action without a meeting) of these Bylaws, with such changes in the context of such provisions as are necessary to

substitute the committee and its members for the Board of Directors and its members; provided, however, that the time of regular meetings of committees may be determined either by resolution of the Board of Directors or by resolution of the committee, that special meetings of committees may also be called by resolution of the Board of Directors and that notice of special meetings of committees shall also be given to all alternate members, who shall have the right to attend all meetings of the committee. The Board of Directors may adopt rules for the government of any committee not inconsistent with the provisions of these Bylaws.

ARTICLE V **OFFICERS**

5.1. **Officers.**

The corporation may also have, at the discretion of the Board of Directors, a chief executive officer, chief financial officer, treasurer or one or more vice presidents, one or more assistant secretaries, one or more assistant treasurers, and any such other officers as may be appointed in accordance with the provisions of Section 5.3 of these Bylaws. Any number of offices may be held by the same person.

5.2. **Appointment Of Officers.**

The officers of the corporation, except such officers as may be appointed in accordance with the provisions of Sections 5.3 or 5.5 of these Bylaws, shall be appointed by the Board of Directors, subject to the rights, if any, of an officer under any contract of employment.

5.3. **Subordinate Officers.**

The Board of Directors may appoint, or empower the chief executive officer or the president to appoint, such other officers and agents as the business of the corporation may require, each of whom shall hold office for such period, have such authority, and perform such duties as are provided in these Bylaws or as the Board of Directors may from time to time determine.

5.4. **Removal And Resignation Of Officers.**

Subject to the rights, if any, of an officer under any contract of employment, any officer may be removed, either with or without cause, by an affirmative vote of the majority of the Board of Directors at any regular or special meeting of the board or, except in the case of an officer chosen by the Board of Directors, by any officer upon whom the power of removal is conferred by the Board of Directors.

Any officer may resign at any time by giving written notice to the corporation. Any resignation shall take effect at the date of the receipt of that notice or at

any later time specified in that notice; and, unless otherwise specified in that notice, the acceptance of the resignation shall not be necessary to make it effective. Any resignation is without prejudice to the rights, if any, of the corporation under any contract to which the officer is a party.

5.5. **Vacancies In Offices.**

Any vacancy occurring in any office of the corporation shall be filled by the Board of Directors.

5.6. **Chief Executive Officer.**

He or she shall have the general powers and duties usually vested in the office of treasurer of a corporation and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or these Bylaws.

The person serving as the treasurer shall also be the acting chief financial officer of the corporation whenever no other person is then serving in such capacity.

5.12. **Representation Of Shares Of Other Corporations.**

The chairman of the board, the chief executive officer, the president, any vice president, the chief financial officer, the secretary or assistant secretary of this corporation, or any other person authorized by the Board of Directors or the chief executive officer or the president or a vice president, is authorized to vote, represent, and exercise on behalf of this corporation all rights incident to any and all shares of any other corporation or corporations standing in the name of this corporation. The authority granted herein may be exercised either by such person directly or by any other person authorized to do so by proxy or power of attorney duly executed by the person having such authority.

5.13. **Authority And Duties Of Officers.**

In addition to the foregoing authority and duties, all officers of the corporation shall respectively have such authority and perform such duties in the management of the business of the corporation as may be designated from time to time by the Board of Directors or the stockholders.

ARTICLE VI

INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES, AND OTHER AGENTS

6.1. Indemnification Of Directors And Officers.

The corporation shall, to the maximum extent and in the manner permitted by the General Corporation Law of Delaware, indemnify each of its directors and officers against expenses (including attorneys' fees), judgments, fines, settlements and other amounts actually and reasonably incurred in connection with any proceeding, arising by reason of the fact that such person is or was an agent of the corporation. For purposes of this Section 6.1, a "director" or "officer" of the corporation includes any person (a) who is or was a director or officer of the corporation, (b) who is or was serving at the request of the corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, or (c) who was a director or officer of a corporation which was a predecessor corporation of the corporation or of another enterprise at the request of such predecessor corporation.

6.2. Indemnification Of Others.

The corporation shall have the power, to the maximum extent and in the manner permitted by the General Corporation Law of Delaware, to indemnify each of its employees and agents (other than directors and officers) against expenses (including attorneys' fees), judgments, fines, settlements and other amounts actually and reasonably incurred in connection with any proceeding, arising by reason of the fact that such person is or was an agent of the corporation. For purposes of this Section 6.2, an "employee" or "agent" of the corporation (other than a director or officer) includes any person (a) who is or was an employee or agent of the corporation, (b) who is or was serving at the request of the corporation as an employee or agent of another corporation, partnership, joint venture, trust or other enterprise, or (c) who was an employee or agent of a corporation which was a predecessor corporation of the corporation or of another enterprise at the request of such predecessor corporation.

6.3. Payment Of Expenses In Advance.

Expenses incurred in defending any action or proceeding for which indemnification is required pursuant to Section 6.1 or for which indemnification is permitted pursuant to Section 6.2 following authorization thereof by the Board of Directors shall be paid by the corporation in advance of the final disposition of such action or proceeding upon receipt of an undertaking by or on behalf of the indemnified party to repay such amount if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that the indemnified party is not entitled to be indemnified as authorized in this Article VI.

6.4. **Indemnity Not Exclusive.**

The indemnification provided by this Article VI shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any Bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in an official capacity and as to action in another capacity while holding such office, to the extent that such additional rights to indemnification are authorized in the certificate of incorporation

6.5 **Insurance.**

The corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him or her against such liability under the provisions of the General Corporation Law of Delaware.

6.6. **Conflicts.**

No indemnification or advance shall be made under this Article VI, except where such indemnification or advance is mandated by law or the order, judgment or decree of any court of competent jurisdiction, in any circumstance where it appears:

(a) That it would be inconsistent with a provision of the certificate of incorporation, these Bylaws, a resolution of the stockholders or an agreement in effect at the time of the accrual of the alleged cause of the action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

(b) That it would be inconsistent with any condition expressly imposed by a court in approving a settlement.

ARTICLE VII

RECORDS AND REPORTS

7.1. **Maintenance And Inspection Of Records.**

The corporation shall, either at its principal executive offices or at such place or places as designated by the Board of Directors, keep a record of its stockholders listing their names and addresses and the number and class of shares held by each stockholder, a copy of these Bylaws as amended to date, accounting books, and other records.

Any stockholder of record, in person or by attorney or other agent, shall, upon written demand under oath stating the purpose thereof, have the right during the usual hours for business to inspect for any proper purpose the corporation's stock ledger, a list of its stockholders, and its other books and records and to make copies or extracts therefrom. A proper purpose shall mean a purpose reasonably related to such person's interest as a stockholder. In every instance where an attorney or other agent is the person who seeks the right to inspection, the demand under oath shall be accompanied by a power of attorney or such other writing that authorizes the attorney or other agent to so act on behalf of the stockholder. The demand under oath shall be directed to the corporation at its registered office in Delaware or at its principal place of business.

A complete list of stockholders entitled to vote at any meeting of stockholders, arranged in alphabetical order for each class of stock and showing the address of each such stockholder and the number of shares registered in each such stockholder's name, shall be open to the examination of any such stockholder for a period of at least ten (10) days prior to the meeting in the manner provided by law. The stock list shall also be open to the examination of any stockholder during the whole time of the meeting as provided by law. This list shall presumptively determine the identity of the stockholders entitled to vote at the meeting and the number of shares held by each of them.

7.2. Inspection By Directors.

Any director shall have the right to examine the corporation's stock ledger, a list of its stockholders, and its other books and records for a purpose reasonably related to his or her position as a director. The Court of Chancery is hereby vested with the exclusive jurisdiction to determine whether a director is entitled to the inspection sought. The Court may summarily order the corporation to permit the director to inspect any and all books and records, the stock ledger, and the stock list and to make copies or extracts therefrom. The Court may, in its discretion, prescribe any limitations or conditions with reference to the inspection, or award such other and further relief as the Court may deem just and proper.

ARTICLE VIII

GENERAL MATTERS

8.1. Checks.

From time to time, the Board of Directors shall determine by resolution which person or persons may sign or endorse all checks, drafts, other orders for payment of money, notes or other evidences of indebtedness that are issued in the name of or payable to the corporation, and only the persons so authorized shall sign or endorse those instruments.

8.2. Execution Of Corporate Contracts And Instruments.

The Board of Directors, except as otherwise provided in these Bylaws, may authorize any officer or officers, or agent or agents, to enter into any contract or execute any instrument in the name of and on behalf of the corporation; such authority may be general or confined to specific instances. Unless so authorized or ratified by the Board of Directors or within the agency power of an officer, no officer, agent or employee shall have any power or authority to bind the corporation by any contract or engagement or to pledge its credit or to render it liable for any purpose or for any amount.

8.3. Stock Certificates; Partly Paid Shares.

The shares of a corporation shall be represented by certificates, provided that the Board of Directors of the corporation may provide by resolution or resolutions that some or all of any or all classes or series of its stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the corporation. Any or all of the signatures on the certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate has ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the corporation with the same effect as if he or she were such officer, transfer agent or registrar at the date of issue.

The corporation may issue the whole or any part of its shares as partly paid and subject to call for the remainder of the consideration to be paid therefor. Upon the face or back of each stock certificate issued to represent any such partly paid shares, upon the books and records of the corporation in the case of uncertificated partly paid shares, the total amount of the consideration to be paid therefor and the amount paid thereon shall be stated. Upon the declaration of any dividend on fully paid shares, the corporation shall declare a dividend upon partly paid shares of the same class, but only upon the basis of the percentage of the consideration actually paid thereon.

8.4. Special Designation On Certificates.

If the corporation is authorized to issue more than one class of stock or more than one series of any class, then the powers, the designations, the preferences, and the relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights shall be set forth in full or summarized on the face or back of the certificate that the corporation shall issue to represent such class or series of stock; provided, however, that, except as otherwise provided in Section 202 of the General Corporation Law of Delaware, in lieu of the foregoing requirements there may be set forth on the face or back of the certificate that the corporation shall issue to represent such class or series of stock a statement that the corporation will furnish without charge to each stockholder who so requests the powers, the designations, the preferences, and the relative, participating, optional or other special

rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights.

8.5. Lost Certificates.

Except as provided in this Section 8.5, no new certificates for shares shall be issued to replace a previously issued certificate unless the latter is surrendered to the corporation and cancelled at the same time. The corporation may issue a new certificate of stock or uncertificated shares in the place of any certificate previously issued by it, alleged to have been lost, stolen or destroyed, and the corporation may require the owner of the lost, stolen or destroyed certificate, or the owner's legal representative, to give the corporation a bond sufficient to indemnify it against any claim that may be made against it on account of the alleged loss, theft or destruction of any such certificate or the issuance of such new certificate or uncertificated shares.

8.6. Construction; Definitions.

Unless the context requires otherwise, the general provisions, rules of construction, and definitions in the Delaware General Corporation Law shall govern the construction of these Bylaws. Without limiting the generality of this provision, the singular number includes the plural, the plural number includes the singular, and the term "person" includes both a corporation and a natural person.

8.7. Dividends.

The directors of the corporation, subject to any restrictions contained in (a) the General Corporation Law of Delaware or (b) the certificate of incorporation, may declare and pay dividends upon the shares of its capital stock. Dividends may be paid in cash, in property, or in shares of the corporation's capital stock.

The directors of the corporation may set apart out of any of the funds of the corporation available for dividends a reserve or reserves for any proper purpose and may abolish any such reserve. Such purposes shall include but not be limited to equalizing dividends, repairing or maintaining any property of the corporation, and meeting contingencies.

8.8. Fiscal Year.

The fiscal year of the corporation shall be fixed by resolution of the Board of Directors and may be changed by the Board of Directors.

8.9. **Seal.**

The corporation may adopt a corporate seal, which may be altered at pleasure, and may use the same by causing it or a facsimile thereof, to be impressed or affixed or in any other manner reproduced.

8.10. **Transfer Restrictions.**

Shares of stock shall be transferrable on the books of the Corporation pursuant to applicable law and such rules and regulations as the Board of Directors shall from time to time prescribe.

8.11. **Transfer Of Stock.**

Upon surrender to the corporation or the transfer agent of the corporation of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignation or authority to transfer, it shall be the duty of the corporation to issue a new certificate to the person entitled thereto, cancel the old certificate, and record the transaction in its books.

8.12. **Stock Transfer Agreements.**

The corporation shall have power to enter into and perform any agreement with any number of stockholders of any one or more classes of stock of the corporation to restrict the transfer of shares of stock of the corporation of any one or more classes owned by such stockholders in any manner not prohibited by the General Corporation Law of Delaware.

8.13. **Registered Stockholders.**

The corporation shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends and to vote as such owner, shall be entitled to hold liable for calls and assessments the person registered on its books as the owner of shares, and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of another person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of Delaware.

8.14. **Facsimile Signature.**

In addition to the provisions for use of facsimile signatures elsewhere specifically authorized in these Bylaws, facsimile signatures of any officer or officers of the corporation may be used whenever and as authorized by the Board of Directors or a committee thereof.

ARTICLE IX

AMENDMENTS

The Bylaws of the corporation may be adopted, amended or repealed by the stockholders entitled to vote; provided, however, that the corporation may, in its certificate of incorporation, confer the power to adopt, amend or repeal Bylaws upon the directors. The fact that such power has been so conferred upon the directors shall not divest the stockholders of the power, nor limit their power to adopt, amend or repeal Bylaws.
