It's been a while...how's business?
Things are going great here at Content Launch.

The latest for us: we're prepping to do a \$1M RAISE on WeFunder. Check out our campaign profile here: <https://wefunder.com/contentlaunch>

Company highlights:

- Record revenue in 2021
- V2 of our Content Prescription technology (patent pending) rolling out in Q4...We are rebranding it the "Content Plan to Production Engine" (<https://bit.ly/3JnNEMW>)
- Biggest U.S. sales/marketing campaign ever launching in October
