FOR VALUE RECEIVED, AptDeco, Inc., a Delaware corporation (the “**Company**”) promises to pay to [ENTITY_NAME] (“**Holder**”), or its registered assigns, in lawful money of the United States of America the principal sum of [\$[AMOUNT]], or such lesser amount as shall equal the outstanding principal amount hereof, together with simple interest from the date of this Convertible Promissory Note (this “**Note**”) on the unpaid principal balance at a rate equal to 4.00% per annum, computed on the basis of the actual number of days elapsed and a year of 365 days. All unpaid principal, together with any then unpaid and accrued interest and other amounts payable hereunder (the “**Outstanding Balance**”), shall be due and payable at any time on or after the Maturity Date upon demand of a Majority in Interest of Investors. This Note is one of the “Notes” issued pursuant to the Note Purchase Agreement.

The following is a statement of the rights of Holder and the conditions to which this Note is subject, and to which Holder, by the acceptance of this Note, agrees:

1. ***Payments.***

(a) ***Interest.*** Accrued interest on this Note shall be payable at maturity.

(b) ***Voluntary Prepayment.*** Subject to the prior written approval of a Majority in Interest of Investors, the Company may prepay this Note at any time, in whole or in part, without any premium or penalty, provided that (i) any prepayment of this Note may only be made in connection with the prepayment of all Notes on a pro rata basis, based on the respective aggregate outstanding principal amounts of each such Note and (ii) any such prepayment will be applied first to the payment of any expenses due under this Note, second to any interest accrued on this Note and third, if the amount of prepayment exceeds the amount of all such expenses and accrued interest, to the payment of principal of this Note.

2. ***Events of Default.*** The occurrence of any of the following shall constitute an “***Event of Default***” under this Note and the other Transaction Documents:

(a) ***Failure to Pay.*** The Company shall fail to pay (i) when due any principal payment on the due date hereunder or (ii) any interest payment or other payment required under the terms of this Note or any other Transaction Document on the date due and such payment shall not have been made within five (5) Business Days of the Company’s receipt of written notice to the Company of such failure to pay by a Majority in Interest of Investors; or

(b) ***Breaches of Covenants.*** The Company shall fail to observe or perform any other covenant, obligation, condition or agreement contained in this Note (other than those specified in Section 2(a) hereof) or in the Note Purchase Agreement, and such failure shall continue for 30 days after the Company’s receipt of written notice by the Majority in Interest of Investors to the Company of such failure; or

(c) ***Voluntary Bankruptcy or Insolvency Proceedings.*** The Company shall (i) apply for or consent to the appointment of a receiver, trustee, liquidator or custodian of itself or of all or a substantial part of its property, (ii) admit in writing its inability to pay its debts generally as they mature, (iii) make a general assignment for the benefit of its or any of its creditors, (iv) be dissolved or liquidated, (v) commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or consent to any such relief or to the appointment of or taking possession of its property by any official in an involuntary case or other proceeding commenced against it, or (vi) take any action for the purpose of effecting any of the foregoing; or

(d) ***Involuntary Bankruptcy or Insolvency Proceedings.*** Proceedings for the appointment of a receiver, trustee, liquidator or custodian of the Company, or of all or a substantial part of the property thereof, or an involuntary case or other proceedings seeking liquidation, reorganization or other relief with respect to the Company or the debts thereof under any bankruptcy, insolvency or other similar law now or hereafter in effect shall be commenced and an order for relief entered or such proceeding shall not be dismissed or discharged within 45 days of commencement.

3. ***Rights of Holder upon Default.*** Upon the occurrence of any Event of Default (other than an Event of Default described in Sections 2(c) or 2(d)) and at any time thereafter during the continuance of such Event of Default, a Majority in Interest of Investors, by written notice to the Company, declare all outstanding Obligations payable by the Company hereunder to be immediately due and payable without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived, anything contained herein or in the other Transaction Documents to the contrary notwithstanding. Upon the occurrence of any Event of Default described in Sections 2(c) and 2(d), immediately and without notice, all outstanding Obligations payable by the Company hereunder shall automatically become immediately due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived, anything contained herein or in the other Transaction Documents to the contrary notwithstanding. In addition to the foregoing remedies, upon the occurrence and during the continuance of any Event of Default, Holder may, with the written consent of a Majority in Interest of Investors, exercise any other right power or remedy granted to it by the Transaction Documents or otherwise permitted to it by law, either by suit in equity or by action at law, or both.

4. ***Conversion***

(a) ***Automatic Conversion Upon Qualified Financing.*** In the event the Company consummates a Qualified Financing while this Note is outstanding, then the entire Outstanding Balance of this Note at such time shall automatically convert into Note Preferred Shares at a price per share equal to the Conversion Price. The total number of Note Preferred Shares issuable upon conversion pursuant to this Section 4(a) will be determined by dividing the Outstanding Balance by the Conversion Price, rounded down to the nearest whole Note Preferred Share.

(b) ***Optional Conversion Upon Liquidity Event.*** If the Company consummates a Liquidity Event while this Note is outstanding, upon the written election of a Majority in Interest of Investors, the entire Outstanding Balance shall convert into shares of the Company's common stock, at a price per share equal to the Target Valuation Price Per Share. To the extent there are not sufficient shares of capital stock authorized to enable a conversion of this Note as contemplated by this Section 4(b), the Company shall use its reasonable best efforts to authorize such additional shares of such Preferred Stock.

(c) ***Optional Conversion Upon Maturity.*** If the Note has not converted prior to the Maturity Date in accordance with Section 4(a) or Section 4(b), then at any time following the Maturity Date, at the election of a Majority in Interest of Investors, the entire Outstanding Balance of this Note shall convert into shares of a newly created class of preferred stock of the Company at a price per share equal to the Target Valuation Price Per Share (the "***Optional Conversion Shares***"). The Optional Conversion Shares shall have a liquidation preference per share equal to the Conversion Price, and shall be senior and in preference to the Common Stock and existing Preferred Stock at the time of such conversion, and otherwise be on terms and conditions substantially similar to the most senior class of then outstanding Preferred Stock and as reasonably acceptable to a Majority in Interest of Investors.

(d) ***Conversion Procedures.*** Upon any conversion of this Note, Holder shall surrender the original of this Note, duly endorsed, at the office of the Company for cancellation (or a notice to the effect that the original Note has been lost, stolen or destroyed and an agreement acceptable to the Company whereby Holder agrees to indemnify the Company from any loss incurred by it in connection with this Note); *provided, however*, that upon any conversion or election to convert this Note in accordance with this Section 4, this Note shall be deemed converted and of no further force and effect, whether or not it is delivered for cancellation as set forth in this sentence. The Company shall, as soon as practicable thereafter,

issue and deliver to Holder a certificate or certificates (if the equity interests are certificated) for the number of shares for which Holder shall be entitled upon conversion (bearing such legends as are required by the applicable equity purchase agreement, the Stockholder Agreements, any other related agreements, and applicable state and federal securities laws in the opinion of counsel to the Company), together with a replacement Note (if any principal amount is not converted) and any other securities and property to which Holder is entitled upon such conversion under the terms of this Note, including a check payable to Holder for any cash amounts payable as described in Section 4(d). The conversion shall be deemed to have been made immediately prior to the close of business on the date of the required surrender of this Note, and the record holder of the Note on such date shall be treated for all purposes as the Person entitled to receive the shares upon such conversion.

(i) *Additional Automatic Conversion Procedures.* Upon any conversion of this Note in accordance with Section 4(a), the additional terms and conditions of this Section 4(c)(i) shall apply. The issuance of Note Preferred Shares shall be upon the terms and subject to the conditions applicable to the Qualified Financing. Upon such a Qualified Financing, Holder hereby agrees to execute and deliver to the Company all transaction documents related to the Qualified Financing including without limitation, the then in effect Stockholder Agreement of the Company; *provided, however*, that such transaction documents are identical to the documents to be entered into with the purchasers in connection with the Qualified Financing. Holder acknowledges that the transaction documents will or do contain customary representations and warranties of the Holder, transfer restrictions (including a lock-up agreement in connection with an IPO), and agreements affecting the voting rights of the equity issued to Holder. The Company acknowledges that all shares issuable upon conversion of the Note will be deemed to be outstanding and held by Holder prior to the Qualified Financing for purposes of calculating Holder's pro rata rights in connection with the Qualified Financing.

(ii) *Additional Optional Conversion Procedures.* Upon any conversion of this Note in accordance with Section 4(b) or 4(c), the additional terms and conditions of this Section 4(d)(ii) shall apply. In the event that the Majority in Interest of Investors elect to convert this Note in accordance with Section 4(b) or 4(c), all Notes (including this Note) shall be so converted. Upon any conversion of this Note into shares of Preferred Stock pursuant to Section 4(c), Holder shall execute and deliver to the Company transaction documents in a form provided by the Company including the Stockholder Agreements and an equity purchase agreement containing customary representations and warranties of Holder, transfer restrictions, and agreements affecting the voting rights of the equity issued to Holder.

(e) *Fractional Shares; Interest; Effect of Conversion.* No fractional shares shall be issued upon conversion of this Note. In lieu of the Company issuing any fractional shares to Holder upon the conversion of this Note, the Company shall pay to Holder an amount equal to the product obtained by multiplying the applicable conversion price by the fraction of a share not issued pursuant to the previous sentence. In addition, to the extent not converted into shares, the Company shall pay to Holder any interest accrued on the amount converted and on the amount to be paid to Company pursuant to the previous sentence. Upon conversion or payment of this Note in full, Company shall be forever discharged of all its obligations and liabilities under this Note and this Note shall be deemed of no further force or effect, whether or not the original of this Note has been delivered to the Company for cancellation.

5. ***Rights Upon Liquidity Event.*** Subject to Section 4(b), if this Note is outstanding, at the election of the Majority in Interest of Investors, this Note shall accelerate and be due and payable in an amount equal to 150% of the outstanding principal amount plus accrued interest (the "***Liquidity Amount***"); *provided, however*, that if immediately prior to the consummation of the Liquidity Event, the assets of the

Company legally available for distribution to the Holder and all holders of all other Notes (the “**Liquidity Event Holders**”), are insufficient to permit the payment to the Liquidity Event Holders of their entire respective Liquidity Amount, as determined in good faith by the Board, then the entire assets of the Company legally available for distribution will be distributed with equal priority and pro rata among the Liquidity Event Holders in proportion to their respective Liquidity Amount.

6. “**MFN**” **Amendment Provision**. If the Company issues any convertible securities (excluding any other Notes issued under the Note Purchase Agreement) after the date hereof and prior to the conversion or the Company’s payment in full of all Obligations hereunder (“**Subsequent Convertible Securities**”), the Company will promptly provide Holder with written notice thereof, together with a copy of all documentation relating to such Subsequent Convertible Securities and, upon written request of Holder, any additional information related to such Subsequent Convertible Securities as may be reasonably requested by Holder. In the event a Majority in Interest of the Investors determines that the terms of the Subsequent Convertible Securities are preferable to the terms of this Note, and notifies the Company in writing of such determination, the Company agrees to amend and restate this Note to be identical to the instrument(s) evidencing the Subsequent Convertible Securities.
