Many people are looking for green alternatives to conventional investment approaches. The World Tree Carbon Offset Program is an investment opportunity for people who want to use their money to create both positive change in the world and a return on investment.

Investment Objective of the World Tree 2016 Carbon Offset Program

1. To participate in a collective effort to reduce the carbon footprint of its investors.
2. To produce income from the harvesting of Empress Splendor trees to be distributed in 2026.
