Hiring a Operations Manager/COO

Michelle Gordon
Published on LinkedIn

The ideal candidate for this position will have experience taking soft good and consumable products from an idea to a purchase by the customer and all steps in between. They are comfortable both developing products as well as creating and managing vendor and strategic relationships. Working in a startup environment they are capable and happy wearing many hats, to ensure all facets of the business are coordinated and working together. This may includ... [...see more](#)
