Experience

World Tree
Founder & Co-Chair
February 2002 - Present (21 years 9 months)
Victoria BC

Many people are looking for green alternatives to conventional investment approaches. The World Tree Eco-Tree program is an investment opportunity for people who want to use their money to create both positive change in the world and a return on investment.

The Eco-Tree Program makes it possible for everyone to reverse their impact on the environment and generate wealth for themselves, their families and their communities.

National Scientific Corp
VP of Corporate Communications
May 1998 - October 2001 (3 years 6 months)

Prior to World Tree Technologies I was the Vice-President of Corporate Communications for National Scientific Corporation, stock symbol: NSCT. I was instrumental in helping to increase the company's market capitalization to nearly 1 billion dollars while increasing the number of shareholders from 147 to over 14,000 people.
