Hi Justin!

I wanted to make sure that you saw this email from last week, and personally let you know that we have just now opened a limited number of reservations for our new investment round!

As one of our most valued and committed investors, you have exclusive private access to our limited preferred terms before we go public.

You can reserve and fund your allocation on [WeFunder](#), and you will receive the preferred terms\* and benefits. Once Tampon Tribe's Form C is filed with the SEC, your paperwork will arrive, and your investment can be confirmed.

Since your last investment, we have an average growth of 290% each year. Amazon sales are up 615% YoY in Q2, our D2C returning customer rate is 74%, and Google, WeWork, Ritz Carlton, Four Seasons, Postmates, and Pixar are on recurring contracts. Capital is the only thing holding us back.

We'd love to have you on board as an investor in this round.

Also, it would be great to hop on a call to discuss the raise. Feel free to let me know what works for you or you can grab a spot → [here](#).

Let's do this!  
Jen.

(Apologies if this is hitting your inbox twice, we just want to make sure you receive it.)

Thanks Jennifer. I did see this and am considering adding an additional investment this round. You and the team have hit some big milestones and have a much-needed lineup of products with a promising outlook. Plus, it appears the question isn't necessarily "if", but "when" I'll see a return. No promises of course, but it all makes it seem like a sound place to put my money that'd otherwise be sitting underneath my mattress.
