The Preferred Stock may be issued from time to time in one or more series, each of such series to consist of such number of shares and to have such terms, rights, powers and preferences, and the qualifications and limitations

with respect thereto, as stated or expressed herein. As of the effective date of this Restated Certificate, 1,893,334 shares of the Preferred Stock of the Corporation are hereby designated “*Series Seed-1 Preferred Stock*” and 873,244 shares of the Preferred Stock are hereby designated “*Series Seed SAFE Preferred Stock*”.

A. COMMON STOCK

The following rights, powers privileges and restrictions, qualifications, and limitations apply to the Common Stock.

1. General. The voting, dividend and liquidation rights of the holders of the Common Stock are subject to and qualified by the rights, powers and privileges of the holders of the Preferred Stock set forth in this Restated Certificate.

2. Voting. The holders of the Common Stock are entitled to one vote for each share of Common Stock held at all meetings of stockholders (and written actions in lieu of meetings). Unless required by law, there shall be no cumulative voting. The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by (in addition to any vote of the holders of one or more series of Preferred Stock that may be required by the terms of the Restated Certificate) the affirmative vote of the holders of shares of capital stock of the Corporation representing a majority of the votes represented by all outstanding shares of capital stock of the Corporation entitled to vote.

B. PREFERRED STOCK

The following rights, powers and privileges, and restrictions, qualifications and limitations, shall apply to the Preferred Stock. Unless otherwise indicated, references to “Sections” in this Part B of this Article V refer to sections of this Part B.

1. Liquidation, Dissolution, or Winding Up; Certain Mergers, Consolidations and Asset Sales.

1.1 Payments to Holders of Preferred Stock. In the event of any voluntary or involuntary liquidation, dissolution, or winding up of the Corporation or any Deemed Liquidation Event (as defined below), before any payment shall be made to the holders of Common Stock by reason of their ownership thereof, the holders of shares of Preferred Stock then outstanding must be paid out of the funds and assets available for distribution to its stockholders, an amount per share equal to the greater of (a) the Original Issue Price for such share and series of Preferred Stock, plus any dividends declared but unpaid thereon, or (b) such amount per share as would have been payable had all shares of Preferred Stock been converted into Common Stock pursuant to Section 3 immediately prior to such liquidation, dissolution or winding up or Deemed Liquidation Event. If upon any such liquidation, dissolution, or winding up or Deemed Liquidation Event of the Corporation, the funds and assets available for distribution to the stockholders of the Corporation are insufficient to pay the holders of shares of Preferred Stock the full amount to which they are entitled under this Section 1.1, the holders of shares of Preferred Stock will share ratably in any distribution of the funds and assets available for distribution in proportion to the respective amounts that would otherwise be payable in

respect of the shares of Preferred Stock held by them upon such distribution if all amounts payable on or with respect to such shares were paid in full.

1.2 Payments to Holders of Common Stock. In the event of any voluntary or involuntary liquidation, dissolution, or winding up or Deemed Liquidation Event of the Corporation, after the payment of all preferential amounts required to be paid to the holders of shares of Preferred Stock as provided in Section 1.1, the remaining funds and assets available for distribution to the stockholders of the Corporation will be distributed among the holders of shares of Common Stock, pro rata based on the number of shares of Common Stock held by each such holder.

1.3 Deemed Liquidation Events.

1.3.1 Definition. Each of the following events is a “***Deemed Liquidation Event***” unless the Requisite Holders elect otherwise by written notice received by the Corporation at least five (5) days prior to the effective date of any such event:

(a) a merger or consolidation in which (i) the Corporation is a constituent party or (ii) a subsidiary of the Corporation is a constituent party and the Corporation issues shares of its capital stock pursuant to such merger or consolidation, except any such merger or consolidation involving the Corporation or a subsidiary in which the shares of capital stock of the Corporation outstanding immediately prior to such merger or consolidation continue to represent, or are converted into or exchanged for equity securities that represent, immediately following such merger or consolidation, at least a majority, by voting power, of the equity securities of (1) the surviving or resulting party or (2) if the surviving or resulting party is a wholly owned subsidiary of another party immediately following such merger or consolidation, the parent of such surviving or resulting party; provided that, for the purpose of this Section 1.3.1, all shares of Common Stock issuable upon exercise of options outstanding immediately prior to such merger or consolidation or upon conversion of Convertible Securities (as defined below) outstanding immediately prior to such merger or consolidation shall be deemed to be outstanding immediately prior to such merger or consolidation and, if applicable, deemed to be converted or exchanged in such merger or consolidation on the same terms as the actual outstanding shares of Common Stock are converted or exchanged; or

(b) the sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions, by the Corporation or any subsidiary of the Corporation of all or substantially all the assets of the Corporation and its subsidiaries taken as a whole, or, if substantially all of the assets of the Corporation and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Corporation, except where such sale, lease, transfer or other disposition is to the Corporation or one or more wholly owned subsidiaries of the Corporation.

1.3.2 Amount Deemed Paid or Distributed. The funds and assets deemed paid or distributed to the holders of capital stock of the Corporation upon any such merger, consolidation, sale, transfer or other disposition described in this Section 1.3 will be the

cash or the value of the property, rights or securities paid or distributed to such holders by the Corporation or the acquiring person, firm or other entity. The value of such property, rights or securities shall be determined in good faith by the Board.

2. Voting.

2.1 General. On any matter presented to the stockholders of the Corporation for their action or consideration at any meeting of stockholders of the Corporation (or by written consent of stockholders in lieu of meeting), each holder of outstanding shares of Preferred Stock may cast the number of votes equal to the number of whole shares of Common Stock into which the shares of Preferred Stock held by such holder are convertible as of the record date for determining stockholders entitled to vote on such matter. Fractional votes shall not be permitted and any fractional voting rights available on an as-converted basis (after aggregating all shares into which shares of Preferred stock held by each holder could be converted) will be rounded to the nearest whole number (with one-half being rounded upward). Except as provided by law or by the other provisions of this Restated Certificate, holders of Preferred Stock shall vote together with the holders of Common Stock as a single class on an as-converted basis, shall have full voting rights and powers equal to the voting rights and powers of the holders of Common Stock, and shall be entitled, notwithstanding any provision of this Restated Certificate, to notice of any stockholder meeting in accordance with the Bylaws of the Corporation.

2.2 Election of Directors. The holders of record of the Company's capital stock are entitled to elect directors as described in the Board Composition. Any director elected as provided in the preceding sentence may be removed without cause by the affirmative vote of the holders of the shares of the class, classes, or series of capital stock entitled to elect the director or directors, given either at a special meeting of the stockholders duly called for that purpose or pursuant to a written consent of stockholders. At any meeting held for the purpose of electing a director, the presence in person or by proxy of the holders of a majority of the outstanding shares of the class, classes, or series entitled to elect the director constitutes a quorum for the purpose of electing the director.

3. Conversion. The holders of the Preferred Stock have the following conversion rights (the "*Conversion Rights*"):

3.1 Right to Convert.

3.1.1 Conversion Ratio. Each share of Preferred Stock is convertible, at the option of the holder thereof, at any time, and without the payment of additional consideration by the holder thereof, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing the Original Issue Price for the series of Preferred Stock by the Conversion Price for that series of Preferred Stock in effect at the time of conversion. The "*Conversion Price*" for each series of Preferred Stock means the Original Issue Price for such series of Preferred Stock, which initial Conversion Price, and the rate at which shares of Preferred Stock may be converted into shares of Common Stock, is subject to adjustment as provided in this Restated Certificate.

3.1.2 Termination of Conversion Rights. Subject to Section 3.3.1 in the case of a Contingency Event herein, in the event of a liquidation, dissolution, or winding up of

the Corporation or a Deemed Liquidation Event, the Conversion Rights will terminate at the close of business on the last full day preceding the date fixed for the first payment of any funds and assets distributable on such event to the holders of Preferred Stock.

3.2 Fractional Shares. No fractional shares of Common Stock will be issued upon conversion of the Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the fair market value of a share of Common Stock as determined in good faith by the Board. Whether or not fractional shares would be issuable upon such conversion will be determined on the basis of the total number of shares of Preferred Stock the holder is at the time converting into Common Stock and the aggregate number of shares of Common Stock issuable upon such conversion.

3.3 Mechanics of Conversion.

3.3.1 Notice of Conversion. To voluntarily convert shares of Preferred Stock into shares of Common Stock, a holder of Preferred Stock shall surrender the certificate or certificates for the shares of Preferred Stock (or, if such registered holder alleges that any such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Corporation to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate), at the office of the transfer agent for the Preferred Stock (or at the principal office of the Corporation if the Corporation serves as its own transfer agent), together with written notice that the holder elects to convert all or any number of the shares of the Preferred Stock represented by the certificate or certificates and, if applicable, any event on which the conversion is contingent (a “*Contingency Event*”). The conversion notice must state the holder’s name or the names of the nominees in which such holder wishes the certificate or certificates for shares of Common Stock to be issued. If required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by a written instrument or instruments of transfer, in form reasonably satisfactory to the Corporation, duly executed by the registered holder or such holder’s attorney duly authorized in writing. The close of business on the date of receipt by the transfer agent (or by the Corporation if the Corporation serves as its own transfer agent) of the certificates (or lost certificate affidavit and agreement) and notice (or, if later, the date on which all Contingency Events have occurred) will be the time of conversion (the “*Conversion Time*”), and the shares of Common Stock issuable upon conversion of the shares represented by such certificate shall be deemed to be outstanding of record as of such time. The Corporation shall, as soon as practicable after the Conversion Time, (a) issue and deliver to the holder, or to the holder’s nominees, a certificate or certificates for the number of full shares of Common Stock issuable upon the conversion in accordance with the provisions of this Restated Certificate and a certificate for the number (if any) of the shares of Preferred Stock represented by the surrendered certificate that were not converted into Common Stock, (b) pay in cash such amount as provided in Section 3.2 in lieu of any fraction of a share of Common Stock otherwise issuable upon such conversion and (c) pay all declared but unpaid dividends on the shares of Preferred Stock converted.

3.3.2 Reservation of Shares. For the purpose of effecting the conversion of the Preferred Stock, the Corporation shall at all times while any share of Preferred Stock is outstanding, reserve and keep available out of its authorized but unissued capital stock, that

number of its duly authorized shares of Common Stock as may from time to time be sufficient to effect the conversion of all outstanding Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock is be sufficient to effect the conversion of all then-outstanding shares of the Preferred Stock, the Corporation shall use its best efforts to cause such corporate action to be taken as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes, including, without limitation, engaging in best efforts to obtain the requisite stockholder approval of any necessary amendment to this Restated Certificate. Before taking any action that would cause an adjustment reducing the Conversion Price of a series of Preferred Stock below the then-par value of the shares of Common Stock issuable upon conversion of such series of Preferred Stock, the Corporation shall take any corporate action that may be necessary so that the Corporation may validly and legally issue fully paid and nonassessable shares of Common Stock at such adjusted Conversion Price.

3.3.3 Effect of Conversion. All shares of Preferred Stock that shall have been surrendered for conversion as provided in this Restated Certificate shall no longer be deemed to be outstanding and all rights with respect to such shares will immediately cease and terminate at the Conversion Time, except only the right of the holders thereof to receive shares of Common Stock in exchange therefor, to receive payment in lieu of any fraction of a share otherwise issuable upon such conversion as provided in Section 3.2, and to receive payment of any dividends declared but unpaid thereon. Any shares of Preferred Stock so converted shall be retired and cancelled and may not be reissued.

3.3.4 No Further Adjustment. Upon any conversion of shares of Preferred Stock, no adjustment to the Conversion Price of the applicable series of Preferred Stock will be made with respect to the converted shares for any declared but unpaid dividends on such series of Preferred Stock or on the Common Stock delivered upon conversion.

3.4 Adjustment for Stock Splits and Combinations. If the Corporation at any time or from time to time after the date on which the first share of a series of Preferred Stock is issued by the Corporation (such date referred to herein as the “*Original Issue Date*” for such series of Preferred Stock) effects a subdivision of the outstanding Common Stock, the Conversion Price for each series of Preferred Stock in effect immediately before that subdivision shall be proportionately decreased so that the number of shares of Common Stock issuable on conversion of each share of that series will be increased in proportion to the increase in the aggregate number of shares of Common Stock outstanding. If the Corporation at any time or from time to time after the Original Issue Date for a series of Preferred Stock combines the outstanding shares of Common Stock, the Conversion Price for each series of Preferred Stock in effect immediately before the combination will be proportionately increased so that the number of shares of Common Stock issuable on conversion of each share of such series shall be decreased in proportion to such decrease in the aggregate number of shares of Common Stock outstanding. Any adjustment under this Section 3.4 becomes effective at the close of business on the date the subdivision or combination becomes effective.

3.5 Adjustment for Certain Dividends and Distributions. If the Corporation at any time or from time to time after the Original Issue Date for a series of Preferred Stock makes or issues, or fixes a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable on the Common Stock in additional shares of

Common Stock, then and in each such event the Conversion Price for such series of Preferred Stock in effect immediately before the event will be decreased as of the time of such issuance or, in the event a record date has been fixed, as of the close of business on such record date, by multiplying such Conversion Price then in effect by a fraction:

(a) the numerator of which is the total number of shares of Common Stock issued and outstanding immediately prior to the time of the issuance or the close of business on the record date, and

(b) the denominator of which is the total number of shares of Common Stock issued and outstanding immediately before the time of such issuance or the close of business on the record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution.

Notwithstanding the foregoing, (i) if such record date has have been fixed and the dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, such Conversion Price shall be recomputed accordingly as of the close of business on such record date and thereafter such Conversion Price shall be adjusted pursuant to this Section 3.5 as of the time of actual payment of such dividends or distributions; and (ii) no such adjustment shall be made if the holders of such series of Preferred Stock simultaneously receive a dividend or other distribution of shares of Common Stock in a number equal to the number of shares of Common Stock that they would have received if all outstanding shares of such series of Preferred Stock had been converted into Common Stock on the date of the event.

3.6 Adjustments for Other Dividends and Distributions. If the Corporation at any time or from time to time after the Original Issue Date for a series of Preferred Stock shall makes or issues, or fixes a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in securities of the Corporation (other than a distribution of shares of Common Stock in respect of outstanding shares of Common Stock), then and in each such event the Corporation shall make, simultaneously with the distribution to the holders of Common Stock, a dividend or other distribution to the holders of the series of Preferred Stock in an amount equal to the amount of securities as the holders would have received if all outstanding shares of such series of Preferred Stock had been converted into Common Stock on the date of such event.

3.7 Adjustment for Reclassification, Exchange and Substitution. If at any time or from time to time after the Original Issue Date for a series of Preferred Stock the Common Stock issuable upon the conversion of such series of Preferred Stock is changed into the same or a different number of shares of any class or classes of stock of the Corporation, whether by recapitalization, reclassification, or otherwise (other than by a stock split or combination, dividend, distribution, merger or consolidation covered by Sections 3.4, 3.5, 3.6 or 3.8 or by Section 1.3 regarding a Deemed Liquidation Event), then in any such event each holder of such series of Preferred Stock may thereafter convert such stock into the kind and amount of stock and other securities and property receivable upon such recapitalization, reclassification or other change by holders of the number of shares of Common Stock into which such shares of Preferred Stock could have been converted immediately prior to such recapitalization, reclassification or change.

3.8 Adjustment for Merger or Consolidation. Subject to the provisions of Section 1.3, if any consolidation or merger occurs involving the Corporation in which the Common Stock (but not a series of Preferred Stock) is converted into or exchanged for securities, cash, or other property (other than a transaction covered by Sections 3.5, 3.6 or 3.7), then, following any such consolidation or merger, the Corporation shall provide that each share of such series of Preferred Stock will thereafter be convertible, in lieu of the Common Stock into which it was convertible prior to the event, into the kind and amount of securities, cash, or other property which a holder of the number of shares of Common Stock of the Corporation issuable upon conversion of one share of such series of Preferred Stock immediately prior to the consolidation or merger would have been entitled to receive pursuant to the transaction; and, in such case, the Corporation shall make appropriate adjustment (as determined in good faith by the Board) in the application of the provisions in this Section 3 with respect to the rights and interests thereafter of the holders of such series of Preferred Stock, to the end that the provisions set forth in this Section 3 (including provisions with respect to changes in and other adjustments of the Conversion Price of such series of Preferred Stock) shall thereafter be applicable, as nearly as reasonably may be, in relation to any securities or other property thereafter deliverable upon the conversion of such series of Preferred Stock.

3.9 Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Conversion Price of a series of Preferred Stock pursuant to this Section 3, the Corporation at its expense shall, as promptly as reasonably practicable but in any event not later than 15 days thereafter, compute such adjustment or readjustment in accordance with the terms of this Restated Certificate and furnish to each holder of such series of Preferred Stock a certificate setting forth the adjustment or readjustment (including the kind and amount of securities, cash, or other property into which such series of Preferred Stock is convertible) and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, as promptly as reasonably practicable after the written request at any time of any holder of any series of Preferred Stock (but in any event not later than 10 days thereafter), furnish or cause to be furnished to such holder a certificate setting forth (a) the Conversion Price of such series of Preferred Stock then in effect and (b) the number of shares of Common Stock and the amount, if any, of other securities, cash, or property which then would be received upon the conversion of such series of Preferred Stock.

3.10 Mandatory Conversion. Upon either (a) the closing of the sale of shares of Common Stock to the public in a firm-commitment underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended or (b) the date and time, or the occurrence of an event, specified by vote or written consent of the Requisite Holders at the time of such vote or consent, voting as a single class on an as-converted basis (the time of such closing or the date and time specified or the time of the event specified in such vote or written consent, the “**Mandatory Conversion Time**”), (i) all outstanding shares of Preferred Stock will automatically convert into shares of Common Stock, at the applicable ratio described in Section 3.1.1 as the same may be adjusted from time to time in accordance with Section 3 and (ii) such shares may not be reissued by the Corporation.

3.11 Procedural Requirements. The Corporation shall notify in writing all holders of record of shares of Preferred Stock of the Mandatory Conversion Time and the place designated for mandatory conversion of all such shares of Preferred Stock pursuant to Section

3.10. Unless otherwise provided in this Restated Certificate, the notice need not be sent in advance of the occurrence of the Mandatory Conversion Time. Upon receipt of the notice, each holder of shares of Preferred Stock shall surrender such holder's certificate or certificates for all such shares (or, if such holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Corporation to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate) to the Corporation at the place designated in such notice, and shall thereafter receive certificates for the number of shares of Common Stock to which such holder is entitled pursuant to this Section 3. If so required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by written instrument or instruments of transfer, in form reasonably satisfactory to the Corporation, duly executed by the registered holder or such holder's attorney duly authorized in writing. All rights with respect to the Preferred Stock converted pursuant to Section 3.10, including the rights, if any, to receive notices and vote (other than as a holder of Common Stock), will terminate at the Mandatory Conversion Time (notwithstanding the failure of the holder or holders thereof to surrender the certificates at or prior to such time), except only the rights of the holders thereof, upon surrender of their certificate or certificates (or lost certificate affidavit and agreement) therefor, to receive the items provided for in the next sentence of this Section 3.11. As soon as practicable after the Mandatory Conversion Time and the surrender of the certificate or certificates (or lost certificate affidavit and agreement) for Preferred Stock, the Corporation shall issue and deliver to such holder, or to such holder's nominee(s), a certificate or certificates for the number of full shares of Common Stock issuable on such conversion in accordance with the provisions hereof, together with cash as provided in Section 3.2 in lieu of any fraction of a share of Common Stock otherwise issuable upon such conversion and the payment of any declared but unpaid dividends on the shares of Preferred Stock converted. Such converted Preferred Stock shall be retired and cancelled and may not be reissued as shares of such series, and the Corporation may thereafter take such appropriate action (without the need for stockholder action) as may be necessary to reduce the authorized number of shares of Preferred Stock (and the applicable series thereof) accordingly.

4. **Dividends.** The Corporation shall declare all dividends pro rata on the Common Stock and the Preferred Stock on a pari passu basis according to the number of shares of Common Stock held by such holders. For this purpose, each holder of shares of Preferred Stock will be treated as holding the greatest whole number of shares of Common Stock then issuable upon conversion of all shares of Preferred Stock held by such holder pursuant to Section 3.

5. **Redeemed or Otherwise Acquired Shares.** Any shares of Preferred Stock that are redeemed or otherwise acquired by the Corporation or any of its subsidiaries will be automatically and immediately cancelled and retired and shall not be reissued, sold or transferred. Neither the Corporation nor any of its subsidiaries may exercise any voting or other rights granted to the holders of Preferred Stock following any such redemption.

6. **Waiver.** Any of the rights, powers, privileges and other terms of the Preferred Stock set forth herein may be waived prospectively or retrospectively on behalf of all holders of Preferred Stock by the affirmative written consent or vote of the holders of the Requisite Holders.

7. **Notice of Record Date.** In the event:

(a) the Corporation takes a record of the holders of its Common Stock (or other capital stock or securities at the time issuable upon conversion of the Preferred Stock) for the purpose of entitling or enabling them to receive any dividend or other distribution, or to receive any right to subscribe for or purchase any shares of capital stock of any class or any other securities, or to receive any other security; or

(b) of any capital reorganization of the Corporation, any reclassification of the Common Stock of the Corporation, or any Deemed Liquidation Event; or

(c) of the voluntary or involuntary dissolution, liquidation or winding-up of the Corporation,

then, and in each such case, the Corporation shall send or cause to be sent to the holders of the Preferred Stock a written notice specifying, as the case may be, (i) the record date for such dividend, distribution, or right, and the amount and character of such dividend, distribution or right, or (ii) the effective date on which such reorganization, reclassification, consolidation, merger, transfer, dissolution, liquidation or winding-up is proposed to take place, and the time, if any is to be fixed, as of which the holders of record of Common Stock (or such other capital stock or securities at the time issuable upon the conversion of the Preferred Stock) will be entitled to exchange their shares of Common Stock (or such other capital stock or securities) for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, transfer, dissolution, liquidation or winding-up, and the amount per share and character of such exchange applicable to the Preferred Stock and the Common Stock. The Corporation shall send the notice at least 20 days before the earlier of the record date or effective date for the event specified in the notice.

8. Notices. Except as otherwise provided herein, any notice required or permitted by the provisions of this Article V to be given to a holder of shares of Preferred Stock must be mailed, postage prepaid, to the post office address last shown on the records of the Corporation, or given by electronic communication in compliance with the provisions of the Business Corporation Law, and will be deemed sent upon such mailing or electronic transmission.

ARTICLE VI: PREEMPTIVE RIGHTS.

No stockholder of the Corporation has a right to purchase shares of capital stock of the Corporation sold or issued by the Corporation except to the extent that such a right may from time to time be set forth in a written agreement between the Corporation and the stockholder.

ARTICLE VII: STOCK REPURCHASES.

In accordance with Section 500 of the California Corporations Code, a distribution can be made without regard to any preferential dividends arrears amount (as defined in Section 500 of the California Corporations Code) or any preferential rights amount (as defined in Section 500 of the California Corporations Code) in connection with (i) repurchases of Common Stock issued to or held by employees, officers, directors, or consultants of the Corporation or its subsidiaries upon termination of their employment or services pursuant to agreements providing for the right of said repurchase, (ii) repurchases of Common Stock issued to or held by employees, officers, directors or consultants of the Corporation or its subsidiaries pursuant to rights of first refusal

contained in agreements providing for such right, (iii) repurchases of Common Stock or Preferred Stock in connection with the settlement of disputes with any stockholder, or (iv) any other repurchase or redemption of Common Stock or Preferred Stock approved by the holders of Preferred Stock of the Corporation.

ARTICLE VIII: BYLAW PROVISIONS.

A. AMENDMENT OF BYLAWS. Subject to any additional vote required by this Restated Certificate or bylaws of the Corporation (the “*Bylaws*”), in furtherance and not in limitation of the powers conferred by statute, the Board is expressly authorized to make, repeal, alter, amend and rescind any or all of the Bylaws.

B. NUMBER OF DIRECTORS. Subject to any additional vote required by this Restated Certificate, the number of directors of the Corporation will be determined in the manner set forth in the Bylaws.

C. BALLOT. Elections of directors need not be by written ballot unless the Bylaws so provide.

D. MEETINGS AND BOOKS. Meetings of stockholders may be held within or without the State of New York, as the Bylaws may provide. The books of the Corporation may be kept outside the State of New York at such place or places as may be designated from time to time by the Board or in the Bylaws.

ARTICLE IX: DIRECTOR LIABILITY.

A. LIMITATION. To the fullest extent permitted by law, a director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. If the Business Corporation Law or any other law of the State of New York is amended after approval by the stockholders of this Article IX to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the Business Corporation Law as so amended. Any repeal or modification of the foregoing provisions of this Article IX by the stockholders will not adversely affect any right or protection of a director of the Corporation existing at the time of, or increase the liability of any director of the Corporation with respect to any acts or omissions of such director occurring prior to, such repeal or modification.

B. INDEMNIFICATION. To the fullest extent permitted by applicable law, the Corporation is authorized to provide indemnification of (and advancement of expenses to) directors, officers and agents of the Corporation (and any other persons to which Business Corporation Law permits the Corporation to provide indemnification) through Bylaw provisions, agreements with such agents or other persons, vote of stockholders or disinterested directors or otherwise, in excess of the indemnification and advancement otherwise permitted by Section 722 of the Business Corporation Law.

C. **MODIFICATION.** Any amendment, repeal, or modification of the foregoing provisions of this Article IX will not adversely affect any right or protection of any director, officer or other agent of the Corporation existing at the time of such amendment, repeal or modification.

ARTICLE X: CORPORATE OPPORTUNITIES.

AGREEMENT TERMS

1. PURCHASE AND SALE OF SERIES SEED PREFERRED STOCK.

1.1 Sale and Issuance of Series Seed Preferred Stock.

1.1.1 The Company shall adopt and file the Company's restated organizational documents, as applicable (e.g. certificate of incorporation), in substantially the form of Exhibit C attached to this Agreement (as the same may be amended, restated, supplemented or otherwise modified from time to time) (the "**Restated Charter**") with the Secretary of State of the State of Incorporation on or concurrently with the Initial Closing.

1.1.2 Subject to the terms and conditions of this Agreement, each investor listed as a "Purchaser" on Schedule 1 (each, a "**Purchaser**") shall purchase at the applicable Closing and the Company agrees to sell and issue to each Purchaser at such Closing that number of shares of Series Seed-1 Preferred Stock and Series Seed SAFE Preferred Stock of the Company (collectively, the "**Preferred Stock**") set forth opposite such Purchaser's name on Schedule 1, at a purchase price per share equal to the Purchase Price.

1.2 Closing; Delivery.

1.2.1 The initial purchase and sale of the shares of Preferred Stock hereunder shall take place remotely via the exchange of documents and signatures on the Agreement Date or the subsequent date on which one or more Purchasers execute counterpart signature pages to this Agreement and if applicable, deliver the Purchase Price to the Company (which date is referred to herein as the "**Initial Closing**").

1.2.2 At any time and from time to time during the one hundred twenty (120) day period immediately following the Initial Closing (the "**Additional Closing Period**"), the Company may, at one or more additional closings (each an "**Additional Closing**" and together with the Initial Closing, each, a "**Closing**"), without obtaining the signature, consent or permission of any of the Purchasers in the Initial Closing or any prior Additional Closing, offer and sell to other investors (the "**New Purchasers**"), at a per share purchase price equal to the Purchase Price, up to that number of shares of Series Seed Preferred Stock that is equal to that number of shares of Series Seed-1 Preferred Stock equal to the quotient of (x) Total Series Seed Investment Amount divided by (y) the Purchase Price, rounded up to the next whole share (the "**Total Shares Authorized for Sale**") less the number of shares of Series Seed-1 Preferred Stock actually issued and sold by the Company at the Initial Closing and any prior Additional Closings. New Purchasers may include persons or entities who are already Purchasers under this Agreement. The Company and each of the New Purchasers purchasing shares of Series Seed Preferred Stock at each Additional Closing will execute counterpart signature pages to this Agreement and each New Purchaser will, upon delivery by such New Purchaser and acceptance by the Company of such New Purchaser's signature page and delivery of the Purchase Price by such New Purchaser to the Company, become a party to, and bound by, this Agreement to the same extent as if such New Purchaser had been a Purchaser at the Initial Closing and each such New Purchaser shall be deemed to be a Purchaser for all purposes under this Agreement as of the date of the applicable Additional Closing.

1.2.3 Promptly following each Closing, if required by the Company's governing documents, the Company shall deliver to each Purchaser participating in such Closing a certificate representing the shares of Preferred Stock being purchased by such Purchaser at such Closing

against payment of the Purchase Price therefor by check payable to the Company, by wire transfer to a bank account designated by the Company, by cancellation or conversion of indebtedness of the Company to Purchaser or by any combination of such methods.

2. REPRESENTATIONS AND WARRANTIES OF THE COMPANY. The Company hereby represents and warrants to each Purchaser that, except as set forth on the Disclosure Schedule attached as Exhibit D to this Agreement (the “Disclosure Schedule”), if any, which exceptions shall be deemed to be part of the representations and warranties made hereunder, the following representations are true and complete as of the date of the Agreement Date, except as otherwise indicated.

2.1 Organization, Good Standing, Corporate Power and Qualification. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Incorporation and has all corporate power and corporate authority required (a) to carry on its business as presently conducted and as presently proposed to be conducted and (b) to execute, deliver and perform its obligations under this Agreement. The Company is duly qualified to transact business as a foreign corporation and is in good standing under the laws of each jurisdiction in which the failure to so qualify or be in good standing would have a material adverse effect on the business, assets (including intangible assets), liabilities, financial condition, property, or results of operations of the Company.

2.2 Capitalization.

2.2.1 The authorized capital of the Company consists, immediately prior to the Agreement Date (unless otherwise noted), of the following:

(a) The common stock of the Company (the “Common Stock”), of which that number of shares of Common Stock equal to (a) the Common Shares Issued and Outstanding Pre-Money are issued and outstanding as of immediately prior to the Agreement Date and (b) the number of shares of Common Stock which are issuable on conversion of shares of the Preferred Stock will be reserved for issuance upon conversion of the Preferred Stock, upon filing the Restated Certificate.

(b) The shares of the preferred stock of the Company, 1,893,334 of which is designated as Series Seed-1 Preferred Stock and 873,244 of which is designated as Series Seed SAFE Preferred Stock, none of which is issued and outstanding immediately prior to the Agreement Date.

2.2.2 There are no outstanding preemptive rights, options, warrants, conversion privileges or rights (including but not limited to rights of first refusal or similar rights), orally or in writing, to purchase or acquire any securities from the Company including, without limitation, any shares of Common Stock, or Preferred Stock, or any securities convertible into or exchangeable or exercisable for shares of Common Stock or Preferred Stock, except for (a) the conversion privileges of the Preferred Stock pursuant to the terms of the Restated Charter and (b) the securities and rights described in this Agreement.

2.2.3 The Key Holders set forth in Schedule 1 (each a “Key Holder”) hold that number of shares of Common Stock set forth opposite each such Key Holder’s name in Section 2.2.3 of the Disclosure Schedule (such shares, the “Key Holders’ Shares”). Except as specified in Section 2.2.3 of the Disclosure Schedule, the Key Holders do not own or have any other rights to any other securities of the Company.

2.3 Subsidiaries. The Company does not currently own or control, directly or indirectly, any interest in any other corporation, partnership, trust, joint venture, limited liability

company, association, or other business entity. The Company is not a participant in any joint venture, partnership or similar arrangement.

2.4 Authorization. All corporate action has been taken, or will be taken prior to the applicable Closing, on the part of the Board and stockholders that is necessary for the authorization, execution and delivery of this Agreement by the Company and the performance by the Company of the obligations to be performed by the Company as of the date hereof under this Agreement. This Agreement, when executed and delivered by the Company, shall constitute the valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, or other laws of general application relating to or affecting the enforcement of creditors' rights generally, or (b) as limited by laws relating to the availability of specific performance, injunctive relief, or other equitable remedies.

2.5 Valid Issuance of Shares. The shares of Preferred Stock, when issued, sold and delivered in accordance with the terms and for the consideration set forth in this Agreement, will be duly authorized, validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer under this Agreement, applicable state and federal securities laws and liens or encumbrances created by or imposed by a Purchaser. Based in part on the accuracy of the representations of the Purchasers in Section 3 of this Agreement and subject to filings pursuant to Regulation D of the Securities Act of 1933, as amended (the "**Securities Act**"), Regulation Crowdfunding of the Securities Act, and applicable state securities laws, the offer, sale and issuance of the shares of Preferred Stock to be issued pursuant to and in conformity with the terms of this Agreement and the issuance of the Common Stock, if any, to be issued upon conversion thereof for no additional consideration and pursuant to the Restated Charter, will be issued in compliance with all applicable federal and state securities laws. The Common Stock issuable upon conversion of the shares of Preferred Stock has been duly reserved for issuance, and upon issuance in accordance with the terms of the Restated Charter, will be duly authorized, validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer under this Agreement, applicable federal and state securities laws and liens or encumbrances created by or imposed by a Purchaser. Based in part upon the representations of the Purchasers in Section 3 of this Agreement, and subject to filings pursuant to Regulation D of the Securities Act, Regulation Crowdfunding of the Securities Act and applicable state securities laws, the Common Stock issuable upon conversion of the shares of Preferred Stock will be issued in compliance with all applicable federal and state securities laws.

2.6 Litigation. To the Company's knowledge, there is no pending action, suit, proceeding, arbitration, mediation, complaint, claim, charge or investigation before any court, arbitrator, mediator or governmental body or, to the Company's knowledge, currently threatened in writing against the Company.

2.7 Intellectual Property. The Company owns or possesses sufficient legal rights to all Intellectual Property (as defined below) that is materially necessary to the conduct of the Company's business as now conducted and as presently proposed to be conducted (the "**Company Intellectual Property**") without any violation or infringement (or in the case of third-party patents, patent applications, trademarks, trademark applications, service marks, or service mark applications, without any violation or infringement known to the Company) of the rights of others. To the Company's knowledge, no product or service marketed or sold by the Company violates any license or infringes any rights to any patents, patent applications, trademarks, trademark applications, service marks, trade names, copyrights, trade secrets, licenses, domain names, mask works, information and proprietary rights and processes (collectively, "**Intellectual Property**") of any other party.

2.8 Employee and Consultant Matters. Each current employee, consultant and officer of the Company has executed an agreement with the Company regarding confidentiality and proprietary information. To the Company's knowledge, no such employees or consultants is in violation thereof.

2.9 Compliance with Other Instruments. To the Company's knowledge, the Company is not in violation or default (a) of any provisions of the Restated Charter or the Company's bylaws, (b) of any judgment, order, writ or decree of any court or governmental entity, or (c) of any provision of federal or state statute, rule or regulation materially applicable to the Company. The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated by this Agreement will not result in any such violation or default, or constitute, with or without the passage of time and giving of notice, either (i) a default under any such judgment, order, writ, decree, agreement, instrument, contract, lease, note, indenture, mortgage or purchase order or (ii) an event which results in the creation of any lien, charge or encumbrance upon any assets of the Company or the suspension, revocation, forfeiture, or nonrenewal of any material permit or license applicable to the Company.

2.10 Title to Property and Assets. The Company owns its properties and assets free and clear of all mortgages, deeds of trust, liens, encumbrances and security interests except for statutory liens for the payment of current taxes that are not yet delinquent and liens, encumbrances and security interests which arise in the ordinary course of business and which do not affect material properties and assets of the Company. With respect to the property and assets it leases, the Company is in material compliance with each such lease.

2.11 Agreements. Except for this Agreement, there are no agreements, understandings, instruments, contracts or proposed transactions to which the Company is a party that involve (a) obligations (contingent or otherwise) of, or payments to, the Company in excess of \$100,000, (b) the license of any Intellectual Property to or from the Company other than licenses with respect to commercially available software products under standard end-user object code license agreements or standard customer terms of service and privacy policies for Internet sites, (c) the grant of rights to manufacture, produce, assemble, license, market, or sell its products to any other person, or that limit the Company's exclusive right to develop, manufacture, assemble, distribute, market or sell its products, or (d) indemnification by the Company with respect to infringements of proprietary rights other than standard customer or channel agreements (each, a "**Material Agreement**"). To the Company's knowledge, the Company is not in material breach of any Material Agreement. Each Material Agreement is in full force and effect and is enforceable by the Company in accordance with its respective terms, except as may be limited by (i) applicable bankruptcy, insolvency, reorganization or others laws of general application relating to or affecting the enforcement of creditors' rights generally, or (ii) the effect of rules of law governing the availability of equitable remedies.

3. REPRESENTATIONS AND WARRANTIES AND COVENANTS OF THE PURCHASERS. Each Purchaser hereby represents and warrants to the Company, severally and not jointly, as follows.

3.1 Authorization. The Purchaser has full power and authority to enter into this Agreement. This Agreement, when executed and delivered by the Purchaser, will constitute a valid and legally binding obligation of the Purchaser, enforceable in accordance with their terms, except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, and any other laws of general application relating to or affecting the enforcement of creditors' rights generally, or (b) the effect of rules of law governing the availability of equitable remedies.

3.2 Purchase Entirely for Own Account. This Agreement is made with the Purchaser in reliance upon the Purchaser's representation to the Company, which by the Purchaser's execution of this Agreement, the Purchaser hereby confirms, that the shares of Preferred Stock to be acquired by the Purchaser will be acquired for investment for the Purchaser's own account, not as a nominee or agent, and not with a view to the resale or distribution of any part thereof, and that the Purchaser has no present intention of selling, granting any participation in, or otherwise distributing the same. By executing this Agreement, the Purchaser further represents that the Purchaser does not presently have any contract, undertaking, agreement or arrangement with any person to sell, transfer or grant participations to such person or to any third person, with respect to any of the shares of Preferred Stock. The Purchaser has not been formed for the specific purpose of acquiring the shares of Preferred Stock.

3.3 Disclosure of Information. The Purchaser has had an opportunity to discuss the Company's business, management, financial affairs and the terms and conditions of the offering of the shares of Preferred Stock with the Company's management. Nothing in this Section 3, including the foregoing sentence, limits or modifies the representations and warranties of the Company in Section 2 of this Agreement or the right of the Purchasers to rely thereon.

3.4 Restricted Securities. The Purchaser understands that the shares of Preferred Stock have not been, and will not be, registered under the Securities Act, by reason of a specific exemption from the registration provisions of the Securities Act which depends upon, among other things, the bona fide nature of the investment intent and the accuracy of the Purchaser's representations as expressed herein. The Purchaser understands that the shares of Preferred Stock are "restricted securities" under applicable United States federal and state securities laws and that, pursuant to these laws, the Purchaser must hold the shares of Preferred Stock indefinitely unless they are registered with the Securities and Exchange Commission and qualified by state authorities or an exemption from such registration and qualification requirements is available. The Purchaser acknowledges that the Company has no obligation to register or qualify the shares of Preferred Stock, or the Common Stock into which it may be converted, for resale. The Purchaser further acknowledges that if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale, the holding period for the shares of Preferred Stock, and on requirements relating to the Company which are outside of the Purchaser's control, and which the Company is under no obligation and may not be able to satisfy.

3.5 No Public Market. The Purchaser understands that no public market now exists for the shares of Preferred Stock, and that the Company has made no assurances that a public market will ever exist for the shares of Preferred Stock.

3.6 Legends. The Purchaser understands that the shares of Preferred Stock and any securities issued in respect of or exchange for the shares of Preferred Stock, may bear any one or more of the following legends: (a) any legend set forth in, or required by, this Agreement; (b) any legend required by the securities laws of any state to the extent such laws are applicable to the shares of Preferred Stock represented by the certificate so legended; and (c) the following legend:

"THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND HAVE BEEN ACQUIRED FOR INVESTMENT AND NOT WITH A VIEW TO, OR IN CONNECTION WITH, THE SALE OR DISTRIBUTION THEREOF. NO TRANSFER MAY BE EFFECTED WITHOUT AN EFFECTIVE REGISTRATION STATEMENT RELATED THERETO OR AN OPINION OF COUNSEL IN A FORM REASONABLY SATISFACTORY TO THE COMPANY THAT SUCH

REGISTRATION IS NOT REQUIRED UNDER THE SECURITIES ACT OF 1933, AS AMENDED.”

3.7 Accredited and Sophisticated Purchaser. Unless Purchaser is purchasing the Preferred Stock through the Crowdfunding platform, WeFunder, in the Company’s Regulation Crowdfunding offer, Purchaser is an accredited investor as defined in Rule 501(a) of Regulation D promulgated under the Securities Act. In the event that Purchaser is purchasing the Preferred Stock through Regulation Crowdfunding, Purchaser acknowledges that he or she is familiar with the rules thereunder and satisfies the investor financial thresholds provided therein. The Purchaser is an investor in securities of companies in the development stage and acknowledges that Purchaser is able to fend for itself, can bear the economic risk of its investment, and has such knowledge and experience in financial or business matters that it is capable of evaluating the merits and risks of the investment in the shares of Preferred Stock. If other than an individual, Purchaser also represents it has not been organized for the purpose of acquiring the shares of Preferred Stock.

3.8 Exculpation Among Purchasers. The Purchaser acknowledges that it is not relying upon any person, other than the Company and its officers and directors, in making its investment or decision to invest in the Company. The Purchaser agrees that neither any Purchaser nor the respective controlling persons, officers, directors, partners, agents, or employees of any Purchaser shall be liable to any other Purchaser for any action heretofore taken or omitted to be taken by any of them in connection with the purchase of the shares of Preferred Stock.

3.9 Residence. If the Purchaser is an individual, then the Purchaser resides in the state identified in the address of the Purchaser set forth on the signature page hereto and/or on Schedule 1; if the Purchaser is a partnership, corporation, limited liability company or other entity, then the office or offices of the Purchaser in which its principal place of business is identified in the address or addresses of the Purchaser set forth on the signature page hereto and/or on Schedule 1. In the event that the Purchaser is not a resident of the United States, such Purchaser hereby agrees to make such additional representations and warranties relating to such Purchaser’s status as a non-United States resident as reasonably may be requested by the Company and to execute and deliver such documents or agreements as reasonably may be requested by the Company relating thereto as a condition to the purchase and sale of any shares of Preferred Stock by such Purchaser.

4. COVENANTS OF THE COMPANY.

4.1 Information Rights.

4.1.1 Basic Financial Information. The Company shall furnish to each Purchaser holding that number of shares equal to or in excess of the quotient determined by dividing (x) the Major Purchaser Dollar Threshold by (y) the Purchase Price, rounded up to the next whole share (a “**Major Purchaser**”) and any entity that requires such information pursuant to its organizational documents when available (1) annual unaudited financial statements for each fiscal year of the Company, including an unaudited balance sheet as of the end of such fiscal year, an unaudited income statement, and an unaudited statement of cash flows, all prepared in accordance with generally accepted accounting principles and practices; and (2) quarterly unaudited financial statements for each fiscal quarter of the Company (except the last quarter of the Company’s fiscal year), including an unaudited balance sheet as of the end of such fiscal quarter, an unaudited income statement, and an unaudited statement of cash flows, all prepared in accordance with generally accepted accounting principles and practices, subject to changes resulting from normal year-end audit adjustments. If the Company has audited records of any of the foregoing, it shall provide those in lieu of the unaudited versions.

4.1.2 **Confidentiality.** Anything in this Agreement to the contrary notwithstanding, no Purchaser by reason of this Agreement shall have access to any trade secrets or confidential information of the Company. The Company shall not be required to comply with any information rights of any Purchaser whom the Company reasonably determines to be a competitor or an officer, employee, director, or holder of five percent (5%) or more of a competitor. Each Purchaser shall keep confidential and shall not disclose, divulge, or use for any purpose (other than to monitor its investment in the Company) any confidential information obtained from the Company pursuant to the terms of this Agreement other than to any of the Purchaser's attorneys, accountants, consultants, and other professionals, to the extent necessary to obtain their services in connection with monitoring the Purchaser's investment in the Company.

4.1.3 **Inspection Rights.** The Company shall permit each Major Purchaser to visit and inspect the Company's properties, to examine its books of account and records and to discuss the Company's affairs, finances and accounts with its officers, all at such reasonable times as may be requested by such Major Purchaser.

4.2 **Registration Rights.** If the Company issues securities in its next equity financing after the date hereof (the "**Next Financing**") that provide all such future investors registration rights, the Company shall provide substantially equivalent registration rights to the Purchasers with respect to the shares of Preferred Stock (with appropriate adjustment for economic terms or other contractual rights), subject to such Purchaser's execution of any documents, executed by the investors purchasing securities in the Next Financing.

4.3 **Reservation of Common Stock.** The Company shall at all times reserve and keep available, solely for issuance and delivery upon the conversion of the Preferred Stock, all Common Stock issuable from time to time upon conversion of that number of shares of Preferred Stock equal to the Total Shares Authorized for Sale, regardless of whether or not all such shares have been issued at such time.

5. **RESTRICTIONS ON TRANSFER; DRAG ALONG; REPURCHASE.**

5.1 **Limitations on Disposition.** Each person owning of record shares of Common Stock of the Company issued or issuable pursuant to the conversion of the shares of Preferred Stock and any shares of Common Stock of the Company issued as a dividend or other distribution with respect thereto or in exchange therefor or in replacement thereof (collectively, the "**Securities**") or any assignee of record of Securities (each such person, a "**Holder**") shall not make any disposition of all or any portion of any Securities unless:

(a) there is then in effect a registration statement under the Securities Act, covering such proposed disposition and such disposition is made in accordance with such registration statement; or

(b) such Holder has notified the Company of the proposed disposition and has furnished the Company with a statement of the circumstances surrounding the proposed disposition, and, at the expense of such Holder or its transferee, with an opinion of counsel, reasonably satisfactory to the Company, that such disposition will not require registration of such securities under the Securities Act.

Notwithstanding the provisions of Sections 5.1(a) and (b), no such registration statement or opinion of counsel will be required: (i) for any transfer of any Securities in compliance with the Securities and Exchange Commission's Rule 144 or Rule 144A, or (ii) for any transfer of any

Securities by a Holder that is a partnership, limited liability company, a corporation, or a venture capital fund to (A) a partner of such partnership, a member of such limited liability company, or stockholder of such corporation, (B) an affiliate of such partnership, limited liability company or corporation (including, any affiliated investment fund of such Holder), (C) a retired partner of such partnership or a retired member of such limited liability company, (D) the estate of any such partner, member, or stockholder, or (iii) for the transfer without additional consideration or at no greater than cost by gift, will, or intestate succession by any Holder to the Holder's spouse or lineal descendants or ancestors or any trust for any of the foregoing; provided that, in the case of clauses (ii) and (iii), the transferee agrees in writing to be subject to the terms of this Agreement to the same extent as if the transferee were an original Purchaser under this Agreement.

5.2 “Market Stand-Off” Agreement. To the extent requested by the Company or an underwriter of securities of the Company, each Holder shall not sell or otherwise transfer or dispose of any Securities or other shares of stock of the Company then owned by such Holder (other than to donees or partners of the Holder who agree to be similarly bound) for up to 180 days following the effective date of any registration statement of the Company filed under the Securities Act; provided however that, if during the last 17 days of the restricted period the Company issues an earnings release or material news or a material event relating to the Company occurs, or before the expiration of the restricted period the Company announces that it will release earnings results during the 16-day period beginning on the last day of the restricted period, and if the Company's securities are listed on the Nasdaq Stock Market and Rule 2711 thereof applies, then the restrictions imposed by this Section 5.2 will continue to apply until the expiration of the 18-day period beginning on the issuance of the earnings release or the occurrence of the material news or material event; provided, further, that such automatic extension will not apply to the extent that the Financial Industry Regulatory Authority has amended or repealed NASD Rule 2711(f)(4), or has otherwise provided written interpretive guidance regarding such rule, in each case, so as to eliminate the prohibition of any broker, dealer, or member of a national securities association from publishing or distributing any research report, with respect to the securities of an “emerging growth company” (as defined in the Jumpstart Our Business Startups Act of 2012) before or after the expiration of any agreement between the broker, dealer, or member of a national securities association and the emerging growth company or its stockholders that restricts or prohibits the sale of securities held by the emerging growth company or its stockholders after the initial public offering date. In no event will the restricted period extend beyond 215 days after the effective date of the registration statement. For purposes of this Section 5.2, “Company” includes any wholly-owned subsidiary of the Company into which the Company merges or consolidates. The Company may place restrictive legends on the certificates representing the shares subject to this Section 5.2 and may impose stop transfer instructions with respect to the Securities and such other shares of stock of each Holder (and the shares or securities of every other person subject to the foregoing restriction) until the end of such period. Each Holder shall enter into any agreement reasonably required by the underwriters to implement the foregoing within any reasonable timeframe so requested.

5.3 Drag Along Right. If a Deemed Liquidation Event (as defined in the Restated Charter) is approved by each of the holders of (i) a majority of the shares of Common Stock and the holders of Common Stock then issued or issuable upon conversion of the shares of Preferred Stock then-outstanding, voting as one class and (ii) the Board, then each Stockholder shall vote (in person, by proxy or by action by written consent, as applicable) all shares of capital stock of the Company now or hereafter directly or indirectly owned of record or beneficially by such Stockholder (collectively, the “Shares”) in favor of, and adopt, such Deemed Liquidation Event and to execute and deliver all related documentation and take such other action in support of the Deemed Liquidation Event as may reasonably be requested by the Company to carry out the terms and provision of this Section 5.3, including executing and delivering instruments of conveyance and transfer, and any purchase agreement, merger agreement, indemnity agreement, escrow agreement, consent, waiver, governmental filing, share certificates duly

endorsed for transfer (free and clear of impermissible liens, claims and encumbrances) and any similar or related documents. The obligation of any party to take the actions required by this Section 5.3 will not apply to a Deemed Liquidation Event if the other party involved in such Deemed Liquidation Event is an affiliate or stockholder of the Company holding more than 10% of the voting power of the Company. “**Stockholder**” means each Holder and Key Holder, and any transferee thereof.

5.4 Exceptions to Drag Along Right. Notwithstanding the foregoing, a Stockholder need not comply with Section 5.3 above in connection with any proposed Sale of the Company (the “**Proposed Sale**”) unless:

- (a) any representations and warranties to be made by the Stockholder in connection with the Proposed Sale are limited to representations and warranties related to authority, ownership and the ability to convey title to such Shares, including representations and warranties that (i) the Stockholder holds all right, title and interest in and to the Shares the Stockholder purports to hold, free and clear of all liens and encumbrances, (ii) the obligations of the Stockholder in connection with the transaction have been duly authorized, if applicable, (iii) the documents to be entered into by the Stockholder have been duly executed by the Stockholder and delivered to the acquirer and are enforceable against the Stockholder in accordance with their respective terms and, (iv) neither the execution and delivery of documents to be entered into in connection with the transaction, nor the performance of the Stockholder’s obligations thereunder, will cause a breach or violation of the terms of any agreement, law, or judgment, order, or decree of any court or governmental agency;
- (b) the Stockholder will not be liable for the inaccuracy of any representation or warranty made by any other Person in connection with the Proposed Sale, other than the Company (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties, and covenants of the Company as well as breach by any stockholder of any identical representations, warranties and covenants provided by all stockholders);
- (c) the liability for indemnification, if any, of the Stockholder in the Proposed Sale and for the inaccuracy of any representations and warranties made by the Company or its Stockholders in connection with such Proposed Sale, is several and not joint with any other Person (except to the extent that funds may be paid out of an escrow established to cover breach of representations, warranties and covenants of the Company as well as breach by any stockholder of any identical representations, warranties, and covenants provided by all stockholders), and except as required to satisfy the liquidation preference of the Series Seed Preferred Stock, if any, is pro rata in proportion to, and does not exceed, the amount of consideration paid to such Stockholder in connection with such Proposed Sale;
- (d) liability will be limited to the Stockholder's applicable share (determined based on the respective proceeds payable to each Stockholder in connection with the Proposed Sale in accordance with the provisions of the Restated Charter) of a negotiated aggregate indemnification amount that applies equally to all Stockholders but that in no event exceeds the amount of consideration otherwise payable to the Stockholder in connection with the Proposed Sale, except with respect to claims related to fraud by the Stockholder, the liability for which need not be limited as to the Stockholder;

(e) upon the consummation of the Proposed Sale, (i) each holder of each class or series of the Company's stock will receive the same form of consideration for their shares of such class or series as is received by other holders in respect of their shares of such same class or series of stock unless the holders of at least a majority of Series Seed Preferred Stock elect otherwise, (ii) each holder of a series of Series Seed Preferred Stock will receive the same amount of consideration per share of such series of Series Seed Preferred Stock as is received by other holders in respect of their shares of such same series, (iii) each holder of Common Stock will receive the same amount of consideration per share of Common Stock as is received by other holders in respect of their shares of Common Stock, and (iv) unless the holders of at least a majority of the Series Seed Preferred Stock elect to receive a lesser amount, the aggregate consideration receivable by all holders of the Preferred Stock and Common Stock shall be allocated among the holders of Preferred Stock and Common Stock on the basis of the relative liquidation preferences to which the holders of each respective series of Preferred Stock and the holders of Common Stock are entitled in a Deemed Liquidation Event (assuming for this purpose that the Proposed Sale is a Deemed Liquidation Event) in accordance with the Company's Restated Charter in effect immediately prior to the Proposed Sale.

5.5 Repurchase. If the Purchaser is not a Major Purchaser, the Company may repurchase Preferred Stock from the Purchaser prior to a Deemed Liquidation Event (as defined in the Company's Restated Charter) for the fair market value of such Purchaser's Preferred Stock, as determined by an independent appraiser of securities chosen by the Company (such repurchase, the "**Repurchase**," and such value, the "**Repurchase Value**"); *provided, however*, that, in the event a Deemed Liquidation Event occurs within three months after the Repurchase and the Repurchase Value is less than the value of the consideration in the Deemed Liquidation Event that Purchaser would have received had the Repurchase not occurred, the Company shall pay to the Purchaser an amount equal to the difference between such consideration and the Repurchase Value promptly following the consummation of the Deemed Liquidation Event. Such independent appraiser shall be regularly engaged in the valuation of securities.

6. PARTICIPATION RIGHT.

6.1 General. Each Major Purchaser has the right of first refusal to purchase the Major Purchaser's Pro Rata Share of any New Securities (as defined below) that the Company may from time to time issue after the date of this Agreement, provided, however, the Major Purchaser will have no right to purchase any such New Securities if the Major Purchaser cannot demonstrate to the Company's reasonable satisfaction that such Major Purchaser is at the time of the proposed issuance of such New Securities an "accredited investor" as such term is defined in Regulation D under the Securities Act. A Major Purchaser's "**Pro Rata Share**" for means the ratio of (a) the number of shares of the Company's Common Stock issued or issuable upon conversion of the shares of Preferred Stock owned by such Major Purchaser, to (b) the Fully-Diluted Share Number.

6.2 New Securities. "**New Securities**" means any Common Stock or Preferred Stock, whether now authorized or not, and rights, options or warrants to purchase Common Stock or Preferred Stock, and securities of any type whatsoever that are, or may become, convertible or exchangeable into Common Stock or Preferred Stock; provided, however, that "New Securities" does not include: (a) shares of Common Stock issued or issuable upon conversion of any outstanding shares of Preferred Stock; (b) shares of Common Stock or Preferred Stock issuable upon exercise of any options, warrants, or rights to purchase any securities of the Company outstanding as of the Agreement Date and any securities issuable upon the conversion thereof; (c) shares of Common Stock or Preferred Stock issued in connection with any stock split or stock dividend or recapitalization; (d) shares of Common

Stock (or options, warrants or rights therefor) granted or issued after the Agreement Date to employees, officers, directors, contractors, consultants or advisers to, the Company or any subsidiary of the Company pursuant to incentive agreements, stock purchase or stock option plans, stock bonuses or awards, warrants, contracts or other arrangements that are approved by the Board; (e) shares of the Company's Preferred Stock issued pursuant to this Agreement; (f) any other shares of Common Stock or Preferred Stock (and/or options or warrants therefor) issued or issuable primarily for other than equity financing purposes and approved by the Board; and (g) shares of Common Stock issued or issuable by the Company to the public pursuant to a registration statement filed under the Securities Act.

6.3 Procedures. If the Company proposes to undertake an issuance of New Securities, it shall give notice to each Major Purchaser of its intention to issue New Securities (the "**Notice**"), describing the type of New Securities and the price and the general terms upon which the Company proposes to issue the New Securities. Each Major Purchaser will have (10) days from the date of notice, to agree in writing to purchase such Major Purchaser's Pro Rata Share of such New Securities for the price and upon the general terms specified in the Notice by giving written notice to the Company and stating therein the quantity of New Securities to be purchased (not to exceed such Major Purchaser's Pro Rata Share).

6.4 Failure to Exercise. If the Major Purchasers fail to exercise in full the right of first refusal within the 10-day period, then the Company will have one hundred twenty (120) days thereafter to sell the New Securities with respect to which the Major Purchasers' rights of first refusal hereunder were not exercised, at a price and upon general terms not materially more favorable to the purchasers thereof than specified in the Company's Notice to the Major Purchasers. If the Company has not issued and sold the New Securities within the 120-day period, then the Company shall not thereafter issue or sell any New Securities without again first offering those New Securities to the Major Purchasers pursuant to this Section 6.

7. ELECTION OF BOARD OF DIRECTORS.

7.1 Voting; Board Composition. Subject to the rights of the stockholders to remove a director for cause in accordance with applicable law, during the term of this Agreement, each Stockholder shall vote (or consent pursuant to an action by written consent of the stockholders) all shares of capital stock of the Company now or hereafter directly or indirectly owned of record or beneficially by the Stockholder (the "**Voting Shares**"), or to cause the Voting Shares to be voted, in such manner as may be necessary to elect (and maintain in office) as the members of the Board that number of individuals, if any, equal to the Common Board Member Count (collectively, the "**Common Board Designees**") designated from time to time in a writing delivered to the Company and signed by Common Control Holders who then hold shares of issued and outstanding Common Stock of the Company representing a majority of the voting power of all issued and outstanding shares of Common Stock then held by all Common Control Holders. Subject to the rights of the stockholders of the Company to remove a director for cause in accordance with applicable law, during the term of this Agreement, a Stockholder shall not take any action to remove an incumbent Board Designee or to designate a new Board Designee unless such removal or designation of a Board Designee is approved in a writing signed by the parties entitled to designate the Board Designee. Each Stockholder hereby appoints, and shall appoint, the then-current Chief Executive Officer of the Company, as the Stockholder's true and lawful proxy and attorney, with the power to act alone and with full power of substitution, to vote all shares of the Company's capital stock held by the Stockholder as set forth in this Agreement and to execute all appropriate instruments consistent with this Agreement on behalf of the Stockholder if, and only if, the Stockholder (a) fails to vote or (b) attempts to vote (whether by proxy, in person or by written consent), in a manner which is inconsistent with the terms of this Agreement, all of the Stockholder's Voting Shares or execute such other instruments in accordance with the provisions of this Agreement within five days of the Company's

or any other party's written request for the Stockholder's written consent or signature. The proxy and power granted by each Stockholder pursuant to this Section are coupled with an interest and are given to secure the performance of the Stockholder's duties under this Agreement. Each such proxy and power will be irrevocable for the term of this Agreement. The proxy and power, so long as any Stockholder is an individual, will survive the death, incompetency and disability of such Stockholder and, so long as any Stockholder is an entity, will survive the merger or reorganization of the Stockholder or any other entity holding Voting Shares.

References to sections or subsections within this set of Agreement Terms shall be deemed to be references to the sections of this set of Agreement Terms contained in Exhibit B to the Agreement, unless otherwise specifically stated herein.

8.6 No Finder's Fees. Each party severally represents to the other parties that it neither is nor will be obligated for any finder's fee or commission in connection with this transaction. Each Purchaser shall indemnify, defend, and hold harmless the Company from any liability for any commission or compensation in the nature of a finder's or broker's fee arising out of this transaction (and the costs and expenses of defending against such liability or asserted liability) for which the Purchaser or any of its officers, employees, or representatives is responsible. The Company shall indemnify, defend, and hold harmless each Purchaser from any liability for any commission or compensation in the nature of a finder's or broker's fee arising out of this transaction (and the costs and expenses of defending against such liability or asserted liability) for which the Company or any of its officers, employees or representatives is responsible.

8.7 Attorneys' Fees. If any action at law or in equity (including arbitration) is necessary to enforce or interpret the terms of this Agreement, the prevailing party will be entitled to reasonable attorneys' fees, costs, and necessary disbursements in addition to any other relief to which the party may be entitled. Each party shall pay all costs and expenses that it incurs with respect to the negotiation, execution, delivery, and performance of the Agreement.

8.8 Amendments and Waivers. Except as specified in Section 1.2.2, any term of this Agreement may be amended, terminated or waived (either generally or in a particular instance and either retroactively or prospectively) only with the written consent of the Company and the Purchasers holding a majority of the then-outstanding shares of Preferred Stock (or Common Stock issued on conversion thereof); provided, however, that any amendment to Section 7.1 will also require the additional written consent of the holders of a majority of the outstanding shares of the Company's Common Stock then held by all of the Common Control Holders. Notwithstanding the foregoing, the addition of a party to this Agreement pursuant to a transfer of Shares in accordance with Section 8.1 will not require any further consent. Any amendment or waiver effected in accordance with this Section 8.8 will be binding upon the Purchasers, the Key Holders, each transferee of the shares of Preferred Stock (or the Common Stock issuable upon conversion thereof) or Common Stock from a Purchaser or Key Holders, as applicable, and each future holder of all such securities, and the Company.

8.9 Severability. The invalidity or unenforceability of any provision of this Agreement will in no way affect the validity or enforceability of any other provision.

8.10 Delays or Omissions. No delay or omission to exercise any right, power or remedy accruing to any party under this Agreement, upon any breach or default of any other party under this Agreement, will impair any such right, power or remedy of such non-breaching or non-defaulting party nor will it be construed to be a waiver of any such breach or default, or an acquiescence therein, or of or in any similar breach or default thereafter occurring; nor will any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval of any kind or character on the part of any party of any breach or default under this Agreement, or any waiver on the part of any party of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement or by law or otherwise afforded to any party, are cumulative and not alternative.

8.11 Termination. Unless terminated earlier pursuant to the terms of this Agreement, (x) the rights, duties and obligations under Sections 4, 6 and 7 will terminate immediately prior to the closing of the Company's initial public offering of Common Stock pursuant to an effective registration statement filed under the Securities Act, (y) notwithstanding anything to the contrary herein, this Agreement (excluding any then-existing obligations) will terminate upon the closing of a Deemed Liquidation Event as defined in the Company's Restated Charter, as amended from time to time and (z) notwithstanding anything to the contrary herein, Section 1, Section 2, Section 3, Section 4.1.2 and this Section 8 will survive any termination of this Agreement.
