

ONĒVA™

Caring For Yours Like They're Ours™

Incubated by  Microsoft Benefits

Anita Darden Gardyne

VALUE PROPOSITION AND VISION

Onēva is the only in-home platform developed for global enterprise:

- Targets privacy, security, and accessibility standards,
- Supports a global workforce with changing demographics,
- Manages enterprise care subsidies.

Infant to elder care, housecleaning, and other in-home services offered as a Voluntary Benefit.

THE PROBLEM

43% of professional women with children leave the workforce.

Talent acquisition and retention challenge enterprise employers **globally**.

USING THE ONĒVA CREDENTIAL MANAGEMENT SYSTEM

BROAD CROSS-MARKET APPEAL FROM BOOMERS AND MILLENNIALS

REAL WORLD USE CASE FROM 2017 SF MICROSOFT PILOT

Our best client:

- Onēva supported a Microsoft family with five children under six for 10 months to ready their infant twins for childcare,
- They relocated from South Bay to Marin based on our commitment to support them, which we did,
- Billable hours ranged from \$2,500-\$4,000 per month, paid with personal credit card.

HOW WE MAKE MONEY

COMPETITIVE LANDSCAPE

Onēva is the **only** Platform As A Service delivering in-home care as a compliant employer-provided benefit.

ASK

\$1,070,000 on Simple Agreement for Future Equity

- \$15M valuation cap w/ \$2M early bird discount
- Raised over \$1.5M on five convertible notes

To deliver the following milestones:

1. Completed client and caregiver native apps, and enterprise-grade security, privacy, and accessibility.
2. Contracts with one to four enterprise customers,
3. Staff up Ops and caregiver hiring, and rollout San Francisco Bay Area to 20,000+ employee base.
