We have compiled the accompanying statement of assets, liabilities and equity-income tax basis of Instaparty LLC as of December 31, 2015, and the related statements of revenues, expenses and retained earnings-income tax basis for the year then ended. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with the income tax basis of accounting.

Management (the owners) is responsible for the preparation and fair presentation of the financial statements in accordance with the income tax basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management (the owners) in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

Management (the owners) has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the company's assets, liabilities, equity, revenue and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Instaparty LLC as of December 31, 2015 because we performed certain accounting and bookkeeping services that impaired our independence.
