Nortland a church distributed

My wife and I served at the original Northland and continued serving when it reformed as "Northland a Church Distributed." We served coordinating Church wide prayer efforts, as head of the deacon board and later as a site elder. We saw a need to help high school seniors get ready for their years in college and started a ministry called Northland LifePfrep, which served over 300 seniors preparing for college over 9 years. We then served heading up college ministry for 4 years forming small group Bible studies and Christian Community. The ministry more than doubled during our time of service.
