LaneAxis Inc.

SAFE

(Simple Agreement for Future Equity)

THIS CERTIFIES THAT in exchange for the payment by [ENTITY NAME] (the “**Investor**”) of \$[AMOUNT] (the “**Purchase Amount**”) in readily available funds on or about [EFFECTIVE DATE], LaneAxis Inc., a Delaware corporation (the “**Company**”), issues to the Investor the right to certain shares of the Company’s Capital Stock, subject to the terms described below.

This Safe is similar to one of the forms available at <http://ycombinator.com/documents> and the Company and the Investor agree that neither one has modified the form, except to fill in blanks and bracketed terms, to update certain terms as the Company deemed reasonably necessary, and remove the requirement to be an accredited investor.

This Safe is part of a sale of a series of Safes that are substantially identical (except for the name of the respective Investor and Purchase Amount) and are being sold to other Investors as approved in each case by the Company, the aggregate Purchase Amounts of which, including the Purchase Amount of this Safe, shall not exceed \$5,000,000.00 (the “**Offering**”). The minimum Purchase Amount is \$500.00 per Investor, but the Company, in its sole discretion, may waive such minimum investment requirement from time to time. This Offering is more fully described in the Company’s Offering Memorandum filed as an exhibit to the Company’s Form C filed with the U.S. Securities and Exchange Commission in connection with the Offering (collectively, the “**Form C**”).

The “**Pre-Money Valuation Cap**” is **\$67,500,000**.

The “**Discount Rate**” is **75%**.

See Section 2 for certain additional defined terms.

1. **Events**

(a) **Equity Financing.** If there is an Equity Financing before the termination of this Safe, on the initial closing of such Equity Financing, this Safe will automatically convert into the number of shares of Safe Preferred Stock equal to the Purchase Amount divided by the Conversion Price.

In connection with the automatic conversion of this Safe into shares of Standard Preferred Stock or Safe Preferred Stock, the Investor will execute and deliver to the Company all of the transaction documents related to the Equity Financing; provided, that such documents (i) are substantially similar to the documents to be entered into with the purchasers of Standard Preferred Stock, with appropriate variations for the Safe Preferred Stock if applicable, and (ii) may include customary exceptions to any drag-along applicable to the Investor, including (without limitation) limited representations, warranties, liability and indemnification obligations for the Investor. For the avoidance of doubt, (x) the per share liquidation preference attached to the Equity Financing Securities into which this Safe converts will equal to (A) the conversion price at which this Safe is converted (the “**Conversion Price**”), multiplied by (B) any liquidation preference multiple granted to the Equity Financing Securities (i.e., 1x, 2x, etc. of the Purchase Amount), (y) the conversion price for purposes of price-based anti-dilution protection will equal the Conversion Price, and (z) the basis for any dividend rights will be based on the Conversion Price. “**Equity Financing Securities**” means securities with identical rights, privileges, preferences and restrictions as the Equity Financing Securities issued to new investors in an Equity Financing.

(b) **Liquidity Event.** If there is a Liquidity Event before the termination of this Safe, this Safe will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds, due and payable to the Investor immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the greater of (i) the Purchase Amount (the “**Cash-Out Amount**”) or (ii) the amount payable on the number of shares of Common Stock equal to the Purchase Amount divided by the Liquidity Price (the “**Conversion Amount**”). If any of the Company’s

securityholders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice, provided that the Investor may not choose to receive a form of consideration that the Investor would be ineligible to receive as a result of the Investor's failure to satisfy any requirement or limitation generally applicable to the Company's securityholders, or under any applicable laws. For the avoidance of doubt, the choice as to the form and amount of Proceeds to be received in a Liquidity Event referenced in the preceding sentence shall be exercised by each individual Investor acting in such Investor's own discretion and not by the Majority-in-interest acting on behalf of all of the Safes sold in the Offering.

Notwithstanding the foregoing, in connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce the cash portion of Proceeds payable to the Investor by the amount determined by the Company's board of directors in good faith for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, provided that such reduction (A) does not reduce the total Proceeds payable to such Investor and (B) is applied in the same manner and on a pro rata basis to all securityholders who have equal priority to the Investor under Section 1(d).

(c) **Dissolution Event.** If there is a Dissolution Event before the termination of this Safe, the Investor will automatically be entitled (subject to the liquidation priority set forth in Section 1(d) below) to receive a portion of Proceeds equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event.

(d) **Liquidation Priority** In a Liquidity Event or Dissolution Event, this Safe is intended to operate like standard non-participating preferred stock of the Company. The Investor's right to receive its Cash-Out Amount is:

(i) Junior to payment of outstanding indebtedness, shares of the Company's preferred stock senior to the Common Stock, Safe Preferred Stock and/or Standard Preferred Stock and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Stock);

(ii) On par with payments for other Safes and/or Standard Preferred Stock, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other Safes and/or Standard Preferred Stock, the applicable Proceeds will be distributed pro rata to the Investor and such other Safes and/or Standard Preferred Stock in proportion to the full payments that would otherwise be due; and

(iii) Senior to payments for Common Stock.

The Investor's right to receive its Conversion Amount is (A) on par with payments for Common Stock and other Safes and/or shares of the Company's preferred stock who are also receiving Conversion Amounts or Proceeds on a similar as-converted to Common Stock basis, and (B) junior to payments described in clauses (i) and (ii) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Termination.** This Safe will automatically terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this Safe) immediately following the earliest to occur of: (i) the issuance of Capital Stock to the Investor pursuant to the automatic conversion of this Safe under Section 1(a); or (ii) the payment, or setting aside for payment, of amounts due the Investor pursuant to Section 1(b) or Section 1(c).

2. *Definitions*

"Capital Stock" means the capital stock of the Company, including, without limitation, the shares of the Company's common stock, \$0.0001 par value per share (the **"Common Stock"**), and the shares of the Company's preferred stock, \$0.0001 par value per share (the **"preferred stock"**).

"Change of Control" means (i) a transaction or series of related transactions in which any "person" or "group" (within the meaning of Section 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the **"Exchange Act"**)), becomes the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of more than 50% of the outstanding voting securities of the Company having the right to vote for the election of members of the Company's board of directors, (ii) any reorganization, merger or consolidation of the Company, other than a transaction or series of related transactions in which the holders of the voting securities of the Company outstanding immediately prior to such transaction or series of related transactions retain, immediately after such transaction or

series of related transactions, at least a majority of the total voting power represented by the outstanding voting securities of the Company or such other surviving or resulting entity or (iii) a sale, lease or other disposition of all or substantially all of the assets of the Company.

• **“Company Capitalization”** is calculated as of immediately prior to the Equity Financing and (without double-counting, in each case calculated on an as-converted to Common Stock basis):

- Includes the Unissued Option Pool, except that any creation of or increase to the Unissued Option Pool in connection with the Equity Financing will only be included to the extent that the number of Promised Options exceeds the Unissued Option Pool prior to such increase and all shares of Common Stock reserved and available for future grant under the Unissued Option Pool following such creation or increase that are not subject to any outstanding Options or Promised Options shall be excluded.

“Conversion Price” means either: (1) the Safe Price or (2) the Discount Price, whichever calculation results in a greater number of shares of Safe Preferred Stock.

For the avoidance of doubt, a Direct Listing will not be deemed to be an underwritten offering and will not involve any underwriting services.

“Discount Price” means the price per shares of the Standard Preferred Stock sold in the Equity Financing multiplied by the Discount Rate.

“Dissolution Event” means (i) a voluntary termination of operations, (ii) a general assignment for the benefit of the Company’s creditors or (iii) any other liquidation, dissolution or winding up of the Company (**excluding** a Liquidity Event), whether voluntary or involuntary.

“Dividend Amount” means, with respect to any date on which the Company pays a dividend on its outstanding Common Stock, the amount of such dividend that is paid per share of Common Stock multiplied by (x) the Purchase Amount divided by (y) the Liquidity Price (treating the dividend date as a Liquidity Event solely for purposes of calculating such Liquidity Price).

“Equity Financing” means a bona fide transaction or series of transactions with the principal purpose of raising capital, pursuant to which the Company issues and sells Preferred Stock at a fixed valuation, including but not limited to, a pre-money or post-money valuation.

- Excludes the Unissued Option Pool.

“**Liquidity Price**” means the price per share equal to the Pre-Money Valuation Cap divided by the Liquidity Capitalization.

“**Options**” includes options, restricted stock awards or purchases, RSUs, SARs, warrants or similar securities, vested or unvested.

“**Proceeds**” means cash and other assets (including without limitation stock consideration) that are proceeds from the Liquidity Event or the Dissolution Event, as applicable, and legally available for distribution.

“**Promised Options**” means promised but ungranted Options that are the greater of those (i) promised pursuant to agreements or understandings made prior to the execution of, or in connection with, the term sheet or letter of intent for the Equity Financing or Liquidity Event, as applicable (or the initial closing of the Equity Financing or consummation of the Liquidity Event, if there is no term sheet or letter of intent), (ii) in the case of an Equity Financing, treated as outstanding Options in the calculation of the Standard Preferred Stock’s price per share, or (iii) in the case of a Liquidity Event, treated as outstanding Options in the calculation of the distribution of the Proceeds.

“**Safe**” means an instrument containing a future right to shares of Capital Stock, similar in form and content to this instrument, purchased by investors for the purpose of funding the Company’s business operations; provided, that such other Safes not sold in connection with the Offering may contain a different Valuation Cap and/or Discount Rate. The Investor has such knowledge and experience in financial and business matters that the Investor is capable of evaluating the merits and risks of such investment, is able to incur a complete loss of such investment without impairing the Investor's financial condition and is able to bear the economic risk of such investment for an indefinite period of time.

4. *Miscellaneous*

(a) Any provision of this Safe may be amended, waived or modified by written consent of the Company and either (i) the Investor or (ii) the majority-in-interest of all then-outstanding Safes with the same “Pre-Money Valuation Cap” and “Discount Rate” as this Safe (and Safes lacking one or both of such terms will be considered to be the same with respect to such term(s)), provided that with respect to clause (ii): (A) the Purchase Amount may not be amended, waived or modified in this manner, (B) the consent of the Investor and each holder of such Safes must be solicited (even if not obtained), and (C) such amendment, waiver or modification treats all such holders in the same manner. “**Majority-in-interest**” refers to the holders of the applicable group of Safes whose Safes have a total Purchase Amount greater than 50% of the total Purchase Amount of all of such applicable group of Safes.

(c) The Investor is not entitled, as a holder of this Safe, to vote or be deemed a holder of Capital Stock for any purpose other than tax purposes, nor will anything in this Safe be construed to confer on the Investor, as such, any rights of a Company stockholder or rights to vote for the election of directors or on any matter submitted to Company stockholders, or to give or withhold consent to any corporate action or to receive notice of meetings, until shares have been issued on the terms described in Section 1. However, if the Company pays a dividend on outstanding shares of Common Stock (that is not payable in shares of Common Stock) while this Safe is outstanding, the Company will pay the Dividend Amount to the Investor at the same time.

(d) Neither this Safe nor the rights in this Safe are transferable or assignable, by operation of law or otherwise, by either party without the prior written consent of the other (and, for the avoidance of doubt, the consent described in this paragraph shall be exercised by each Investor with respect to the Safe held by such Investor, and not by the Majority-in-interest on behalf of all Investors); provided, however, that this Safe and/or its rights may be assigned without the Company’s consent by the Investor (i) to the Investor’s estate, heirs, executors, administrators, guardians and/or successors in the event of Investor’s death or disability, or (ii) to any other entity who directly or indirectly, controls, is controlled by or is under common control with the Investor, including, without limitation, any general partner, managing member, officer or director of the Investor, or any venture capital fund now or hereafter existing which is controlled by one or more general partners or managing members of, or shares the same management company with, the Investor; and provided, further, that the Company may assign this Safe in whole, without the consent of the Investor, in connection with a reincorporation to change the Company’s domicile.

(e) In the event any one or more of the provisions of this Safe is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the provisions of this Safe operate or would prospectively operate to invalidate this Safe, then and in any such event, such provision(s) only will be deemed null and void and will not affect any other provision of this Safe and the remaining provisions of this Safe will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.

(f) All rights and obligations hereunder will be governed by the laws of the State of Delaware, without regard to the conflicts of law provisions of such jurisdiction.

(g) The Company may issue other Safes, similar in form and content to this instrument, to other investors that may contain a different Valuation Cap and/or Discount Rate.

Accordingly, the parties agree to treat this Safe consistent with the foregoing intent for all United States federal and state income tax purposes (including, without limitation, on their respective tax returns or other informational statements).
