Experience

Chief Operating Officer
WhiteClouds
Jul 2015 – Present • 3 yrs 1 mo
Ogden, Utah

COO of an amazing company with a bright future. Responsible for all operations of the company. WhiteClouds leads the 3D printing industry with unmatched capabilities. With an in-house team of designers as well as 3D print production professionals, we are increasingly sought after as experts in this area. Given recent equipment acquisitions, we are one of the largest 3D printing service bureaus in the world. Our full-color printing capacity allow us to dominate architectural and character modeling. Our expertise pulls us into new markets and sciences.

Jeff Wadman
Professional Sales Major
BASc at Weber State University

January 15, 2018, Joey was a client of Jeff's

Jeff Wadman is a professional in every way. He is an expert in humans, horses, and business. I would most highly recommend Jeff to any company or individual who believes in high values and honest success. If you are looking to hire him, do it quick, you won't want to miss out on him. If you are looking to be a client of his, you will be overwhelmingly satisfied. He is classy, hard working, knowledgeable, friendly, and ethical. He has helped me tremendously.

Andy Willis
Founder at Wintergold Software

August 9, 2014, Joey worked with Andy but at different companies

Andy is an extremely bright professional who will excel wherever he is. I appreciate his honesty, his knowledge, and his charisma. He is very talented at many things and surpasses all norms when it comes to interpersonal skills. I recommend him to any company who is looking for someone who will work foster professionalism and teamwork without worrying about a big ego fitting in. There is no ego here.
