#### Benjamin Gips · 3rd

Product Operations at Byteboard - We're Hiring!

March 31, 2020, Benjamin reported directly to Christopher

Chris is a visionary leader. From my seat, I watched him leverage his broad expertise in finance, technology, and trade to chart the next steps for Kountable in an uncertain global environment. He invests in his global team and gets to know them as people, providing consistently clear, fair, and honest leadership.

#### Dan Newhall · 2nd

Chief Business Development Officer for Mergers & Acquisitions at Perigon Wealth Management

March 20, 2014, Christopher was Dan's client

Chris has been a huge asset and advisor to me in learning about and growing my financial services business. I lean on Chris as an industry expert in RIA business development, deal structure, M&A, and enterprise value. His approach to the business is unique, which is crucial when attracting new clients and talented advisors. Thanks for all the help Chris!
