

Hi Briana,

Some good news to share: we are launching a Community Round of investment, which is open to anyone. The minimum investment is \$1000. I've attached our deck. Please also feel free to take a look at the video below.

If you would like to consider an investment of \$25k or more, please let me know. We are collecting a group of core investors of that level to commit ahead of the launch to help us get going with a lot of momentum. Otherwise, I'm honored for you to consider investing at whatever level feels comfortable. We will be sending out the link to do so in a few weeks with the public launch.

Thank you again and all the best,
Katrina

We are 'testing the waters' to gauge investor interest in an offering under Regulation Crowdfunding. No money or other consideration is being solicited. If sent, it will not be accepted. No offer to buy securities will be accepted. No part of the purchase price will be received until a Form C is filed and only through Wefunder's platform. Any indication of interest involves no obligation or commitment of any kind.
