Russell is simply a superstar at Due Diligence needed for startup companies. He is super smart, highly organized, and willing to take the time to learn a new skill. At Keiretsu Forum he joined every DD committee for one year, adding his expertise and knowledge to the team effort. His professionalism a... **See more**

**Eugene Miya**
Retired at Retired
June 8, 2012, Eugene worked with Russell but at different companies

Russell has a good intellect. He was hired by a Distinguished Laboratory Fellow who was my office mate at Ames 1 day per week (George Michael, not that Rock Star, but a rock star in the field of supercomputing). If George hired Russell, then I would trust Russell. I was drafted (of sorts) to moderate an... **See more**
