00:01
social media becoming a part of the
00:03
upcoming generations everyday lives many
00:06
positive and negative results will rise
00:07
with it
00:08
one of those negative things is
00:10
cyberbullying with twenty five percent
00:12
of teenagers reporting they have been
00:14
cyber bullied repetitively in 52 percent
00:18
of teenagers saying they have
00:19
experienced cyber bullying themselves
00:21
it's time to take a stand again I'm a
00:23
Jerome Media Network being able to take
00:26
a stand against the problem while
00:27
keeping the fun environment they have it
00:30
needs a whole new market for a new
00:31
network through Drive as founder and CEO
00:34
I would like to introduce to you booster
00:37
booster is a social network where every
00:40
user can be themselves without fear of
00:43
trolling or Sabbath holy rooster is a
00:45
100% video based social network that
00:49
strong who solves the major issues with
00:51
current social media that all big
00:53
companies neglect all about keeping a
00:55
fun and safe and innovative and farmed
00:59
booster plans to achieve this and to
01:01
stick out from its competitors are - age
01:04
verification features as well as putting
01:07
users into - each route 18 and under
01:09
needs by splitting age groups that
01:13
allows for the possibility of
01:14
inappropriate content stay out of the
01:17
fans of button the all video based
01:19
network will limit on cyber voice
01:21
control as they do not always want to be
01:24
a face behind their actions
01:26
there are also be no comments and only

01:29
for interaction button as well as a
01:31
video response web where users to
01:33
respond to the friends bugs these
01:36
features will help in the effort to
01:37
prevent cyber war
01:39
however rooster still wants keep a fun
01:42
environment it strives to do this by
01:44
allowing users to send private videos
01:46
chapter videos daily and allows users to
01:49
look back on these chapters in the
01:50
future the network will also have weekly
01:53
contest where users complain closets to
01:56
grow a user basis users in the talk with
01:59
two major companies to help grow the app
02:01
to millions of users however Brewster
02:04
need your help today so we can continue
02:06
to develop and reach the App Store and
02:09
Google Play Store by February back us
02:12
today so we can stand up against cyber
02:14
bullying and create a fun and safe
02:16
social network for every user out there
