1. Competition from large online marketplaces such as Amazon
2. The founders are new to the e-commerce space
3. No guarantee that traffic can be driven to the site to drive sales
4. The company emphasizes a specialized market on beauty market.
5. This company is relatively, and has been operating less than one year.

THE OFFERING

9. What is the purpose of this offering?

Raise capital for marketing the platform and business development.

10. How does the issuer intend to use the proceeds of this offering?

Item	Target Proceeds	Maximum Proceeds
Marketing	\$1,500	\$18,000
Bank Charges	\$0	\$0
Legal/Professional	\$500	\$2,500
Cash on Hand	\$0	\$6,142
Salaries	\$19,998	\$69,798

Inventory	\$1,002	\$2,000
Funding Portal	\$2,000	\$8,560
Total	\$25,000	\$107,000

11. How will the issuer complete the transaction and deliver securities to the investors?

All transactions will be completed by North Capital Investment Technology, Inc. Deliverance of these securities to the investors are performed by the North Capital Private Securities Corporation.

12. How can an investor cancel an investment commitment?

Investors may cancel an investment commitment at any time until 48 hours prior to the deadline specified in their application, which was: 04/10/2018

Thrivera will notify investors when the target offering amount has been met.

If Crownmob reaches the target offering amount prior to the deadline identified in the offering materials, it may close the offering early if it provides notice about the new offering deadline at least five business days prior to such new offering deadline (absent a material change that would require an extension of the offering and reconfirmation of the investment commitment). If the sum of the investment commitments does not equal or exceed the target offering amount at the offering deadline, no securities will be sold in the offering, investment commitments will be cancelled and committed funds will be returned.

If an investor does not cancel an investment commitment before the 48-hour period prior to the offering deadline, the funds will be released to the issuer upon closing of the offering and the investor will receive securities in exchange for his or her investment.

If an investor does not reconfirm his or her investment commitment after a material change is made to the offering, the investor's investment commitment will be cancelled and the committed funds will be returned.

OWNERSHIP AND CAPITAL STRUCTURE

The Offering

13. Describe the terms of the securities being offered.

Crownmob will give the right to future shares in their company. An investor will get a 20% discount on those shares. Crownmob is speculating that they will be worth more than \$1,500,000 in the future.

14. Do the securities offered have voting rights?

No

15. Are there any limitations on any voting or other rights identified above?

No

16. How may the terms of the securities being offered be modified?

None at this time

Description of Issuer's Securities

17. What other securities or classes of securities of the issuer are outstanding? Describe the material terms of any other outstanding securities or classes of securities of the issuer.

Please see the cap table.

18. How may the rights of the securities being offered be materially limited, diluted, or qualified by the rights of any other class of security identified above?

Currently the only other shares on the Cap table that will affect the shares being offered are the non-dilutable shares that Uptech Accelerator out of Covington, Kentucky hold. These shares being offered will dilute the shares that the Founders currently own.

19. Are there any differences not reflected above between the securities being offered and each other class of security of the issuer? If so, please explain below:

The founders (Ricardo Grant, Jordan Crone) and UpTech Accelerator hold common shares in the company that retain voting rights & informational rights. The offered future equity shares will convert into common shares upon an institutional financing event.

20. How could the exercise of rights held by the principal shareholders identified in Question 6 above affect the purchasers of the securities being offered?

Ricardo has the largest share of voting rights and control of the company decisions as CEO.

21. How are the securities being offered being valued? Include examples of methods for how such securities may be valued by the issuer in the future, including during subsequent corporate actions.

In September in 2017 the company was valued \$833,000 for 6%. Crownmob has since launched and begun generating revenue. They now believe they can set a valuation cap for this SAFE agreement at a pre-money valuation of \$1.5 million with a 20% conversion discount on future shares.. The minimum and maximum target raise is \$25,000 to \$107,000 which would dilute up to 8.32% of the company' s shares when converted.

22. What are the risks to purchasers of the securities relating to minority ownership in the issuer?

None at this time

23. What are the risks to purchasers associated with corporate actions including:

- additional issuances of securities
- issuer repurchases of securities
- a sale of the issuer or of assets of the issuer or
- transactions with related parties?

The company will retain all informational rights, reserve the right to buy back shares at a later date, and the issuance of shares will occur at the moment of the next capital raise.

24. Describe the material terms of any indebtedness of the issuer:

Creditor: None

Amount Outstanding: \$ n/a
