6. Risk Factors. THE UNDERSIGNED UNDERSTANDS THAT AN INVESTMENT IN THE SHARES INVOLVES A HIGH DEGREE OF RISK. THE UNDERSIGNED IS AWARE THAT AN INVESTMENT IN THE COMPANY IS SPECULATIVE AND INVOLVES A HIGH DEGREE OF RISK, INCLUDING THE POSSIBLE LOSS OF THE ENTIRE INVESTMENT, AND HAS CAREFULLY READ AND CONSIDERED THE RISK FACTORS AND ALL MATTERS SPECIFIED IN THESE DISCLOSURE MATERIALS IN DETERMINING WHETHER OR NOT TO INVEST IN THE COMPANY AS SPECIFIED HEREIN. THE UNDERSIGNED UNDERSTANDS THAT SUCH FACTORS ARE NOT AN ALL-INCLUSIVE LIST OF POSSIBLE RISKS INHERENT IN THE OFFERING.
- a. The undersigned acknowledges that (a) any projections, forecasts or estimates as may have been provided to the undersigned are purely speculative and cannot be relied upon to indicate actual results that may be obtained through this investment; any such projections, forecasts and estimates are based upon assumptions which are subject to change and which are beyond the control of the Company or its management; (b) the tax effects which may be expected by this investment are not susceptible to absolute prediction, and new developments and rules of the Internal Revenue Service (the "IRS"), audit adjustment, court decisions or legislative changes may have an adverse effect on one or more of the tax consequences of this investment; and (c) the undersigned has been advised to consult with his own advisor regarding legal matters and tax consequences involving this investment.
 - b. No assurance can be given that the undersigned will realize a substantial return on investment, or any return at all, or that the undersigned will not lose a substantial portion or all of the investment. For this reason, each prospective investor should carefully read the Disclosure Materials and all exhibits attached hereto and should consult with an attorney, accountant, and/or business advisor prior to making any investment

decision.

- c. The Company may need to raise additional capital and expects to conduct subsequent fundraising under Regulation CF or other exemptions. The Company is not working with an underwriter, placement agent or similar party, and so there is no guarantee that the Company will raise any particular amount in this offering or in the subsequent offerings. It is possible that the Company will need to raise additional capital to expand or even continue operating its business, and there is no guarantee that, in such a scenario, such additional capital would be available on terms favorable to the Company or its members, or at all.
- d. The offering price of the Series CF1 Seed Preferred Shares is arbitrary and based on a pre-money valuation of the Company at approximately \$2.5 million divided by the number of shares outstanding on a fully-diluted basis (inclusive of options being considered exercised and convertible debt being converted at its valuation cap). The offering price of the Series CF2 Seed Preferred Shares is arbitrary and based on a pre-money valuation of the Company at approximately \$3.0 million divided by the number of shares outstanding on a fully-diluted basis (inclusive of options being considered exercised and convertible debt being converted at its valuation cap). These pre-money valuations bear no relationship to established value criteria such as net tangible assets, or a multiple of earnings and accordingly should not be considered an indication of the actual value of the Company.
- e. The Company's legal counsel has not conducted any due diligence with respect to the offering and does not represent investors with respect to this offering, and investors are hereby advised to consult their own legal and financial advisors in connection with their investment decisions.
- f. Unfavorable weather, earthquakes, other natural disasters as well as health matters, including pandemics, could impact the Company's success. Such disasters could cause damage to the Company's business and otherwise lead to a loss of revenue or an increase in costs to the Company.
- g. The Company was organized in 2016 and it has not yet generated revenues or any profits. The Company's business will be subject to the risks inherent in the development of a new business enterprise. The likelihood of success of the Company should be considered in light of the difficulties of attracting and retaining experienced qualified personnel, as well as the problems, expenses, difficulties, complications and delays which frequently are encountered in connection with the development stages of a new technology based business, including regulatory issues related to its business plan. In particular, if the Company's proposed services are successful in the marketplace, its competitors may introduce similar services.
- h. The Company has identified a process for potentially recycling rubber into its base components in an environmentally friendly manner. The initial research has been conducted based on the licensing of two patents, with

limited remaining useful life. The Company expects to develop its own intellectual property portfolio and to secure patent protection on the major aspects of such process. There can be no assurance that the Company's technology development will be successful. If the technology is successfully developed, there is no assurance that the Company will be able to secure patent protection in the United States and abroad sufficient to protect the rights to such developed technology. And, if such technology is secured, the Company's intellectual property strategy may require the expenditure of substantial resources to protect its rights and such expenditures may not be successful in securing the Company's position.

- i. Apart from intellectual property and regulatory issues, competitors and potential competitors of the Company, some of whom are larger than the Company and possess greater financial, technical, and personnel resources, and access to existing marketing channels, could develop and market competing services, and there can be no assurance that the Company will be able to withstand such competition. There can be no assurance that services developed by others will not render the Company's services uncompetitive.

The Company will be dependent upon the services of its founders, Betzalel Mendel Bassman (President/Chief Executive). At this point in time, he is serving the Company pursuant to an Employment Agreement. The loss of the services of Betzalel Mendel Bassman and failure to attract additional critical management personnel could have a material adverse effect on the Company.

- j. There is no known market for the resale of the Shares, and no such market is currently expected to develop. With respect to the Shares, sale or transfer will be restricted by conditions set forth in the Second Amended and Restated Shareholders' Agreement. Such restrictions include, but are not limited to, the power of the Company to require an opinion of counsel that a proposed transfer will not result in a violation of federal or applicable state securities laws, as well as approval, a right of first refusal and certain additional obligations.
- k. The founding shareholder, Smart Tire Recycling Corporation, and its officers, control of the operations of the Company, with an approval right by the other shareholders in certain circumstances set forth in the Second Amended and Restated Shareholders' Agreement. A representative of the Investors will serve on the Company's Management Committee, but will have specific approval rights only on certain issues described in the Second Amended and Restated Shareholders' Agreement.

7. Company Representations. The undersigned understands that upon issuance of Shares to the undersigned, the Company will be deemed to have made following representations and warranties to the undersigned as of the date of such issuance:

- a. Corporate Power. The Company has been duly formed as a corporation

This Agreement, when executed and delivered by the Company, shall constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their respective terms except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, or other laws of general application relating to or affecting the enforcement of creditors' rights generally, or (b) as limited by laws relating to the availability of specific performance, injunctive relief, or other equitable remedies.

c. Valid Issuance. The Shares, when issued, sold and delivered in accordance with the terms and for the consideration set forth in this Agreement and the Form C, will be validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer arising under this Agreement, the Governing Documents, or under applicable state and federal securities laws and liens or encumbrances created by or imposed by a subscriber.

d. No Conflict. The execution, delivery and performance of and compliance with this Agreement and the issuance of the Shares will not result in any violation of, or conflict with, or constitute a default under, the Company's Articles of Incorporation or Governing Documents, as amended, and will not result in any violation of, or conflict with, or constitute a default under, any agreements to which the Company is a party or by which it is bound, or any statute, rule or regulation, or any decree of any court or governmental agency or body having jurisdiction over the Company, except for such violations, conflicts, or defaults which would not individually or in the aggregate, have a material adverse effect on the business, assets, properties, financial condition or results of operations of the Company.

8. Grant of Proxy. The undersigned acknowledges that the Shares being acquired have voting rights as set forth in the Governing Documents and as may be required by law and that major actions may be taken without the vote of the holders of the Shares. The undersigned and any successors or assigns of the undersigned (the "Grantor") (to the fullest extent permitted by applicable law) appoints XX Team, LLC, as the sole and exclusive attorney and proxy of Grantor, with full power of substitution and re-substitution, to vote and exercise all voting and related rights (to the fullest extent that Grantor is entitled to do so) with respect to all of the Shares of the Company that now are or hereafter may be beneficially owned by Grantor, and any and all other Shares or securities of the Company issued or issuable in respect thereof on or after the date hereof (collectively, the "Proxy Shares") in accordance with the terms of this Section and of the Voting Agreement executed as part of this purchase. The Proxy Shares beneficially owned by Grantor as of the date hereof constitute the Shares being acquired under this Agreement. Upon Grantor's execution of this Agreement and the Voting Agreement, any and all prior proxies (other than the proxy granted in this Section) given by Grantor with respect to the Proxy Shares are hereby revoked and Grantor agrees not to grant any subsequent

proxies with respect to the Proxy Shares or enter into any agreement or understanding with any person to vote or give instructions with respect to such subject matter in any manner inconsistent with the terms of this Agreement as long as the Proxy Shares are outstanding; provided however that if Grantor has entered into the Voting Agreement with XX Investments, LLC ("XX Investments"), then XX Investments will be the entity that XX Team directs to vote and take any other actions in connection with such voting (including the execution of documents) on behalf of Grantor. The proxy granted under this Section 8 and in the Voting Agreement is irrevocable (to the fullest extent permitted by applicable law), is coupled with an interest sufficient in law to support an irrevocable proxy, and is granted pursuant to this Agreement and the Voting Agreement. The attorney and proxy named above is hereby authorized and empowered by Proxy, at any time, to act as Grantor's attorney and proxy to vote the Proxy Shares, and to exercise all voting and other rights of Grantor with respect to the Proxy Shares (including, without limitation, the power to execute and deliver any written instruments or documents it determines is necessary and appropriate, including consents and the right to consent to any actions constituting protective provisions or other veto rights in the Company's Governing Documents or elsewhere), at every annual, special or adjourned meeting of the members of the Company and in every written consent in lieu of such meeting. All authority herein conferred shall survive the death or incapacity of Grantor and any obligation of Grantor hereunder shall be binding upon the heirs, personal representatives, successors and assigns of Grantor. The proxy granted in this Section and the Voting Agreement is coupled with an interest as aforesaid and is irrevocable. This irrevocable proxy may not be amended or otherwise modified without the prior written consent of the member and the Proxy.

9. Repurchase. If the Company determines, in its sole discretion, that it is likely that within six months the securities of the Company will be held of record by a number of persons that would require the Company to register a class of its equity securities under the Securities Exchange Act of 1934, as amended, as required by Section 12(g) thereof, the Company shall have the option to repurchase the Shares from the undersigned and other holders of Shares for the greater of (i) the Purchase Price and (ii) the fair market value of the Shares, determined by an independent appraiser of securities chosen by the Company (such repurchase, the "Repurchase," and such greater value, the "Repurchase Value"); provided, however, that, in the event an Equity Financing (as defined below) occurs within three months after the Repurchase and the Repurchase Value is less than the Aggregate Value (as defined below) of the Shares the undersigned would have received had the Repurchase not occurred (where such value is determined by multiplying the number of Shares by the Financing Price (as defined below) and is referred to as the "Aggregate Value"), the Company shall pay to the undersigned an amount equal to the difference between the Aggregate Value and the Repurchase Value promptly following the Equity Financing. The determination of which holder's Shares to repurchase shall be made based on the fewest Shares owned to the most Shares owned and in the case of holders with the same number of Shares, from the latest purchase back to earliest purchase. Such independent appraiser shall be regularly engaged in the valuation of securities. The foregoing repurchase option terminates upon a Change of Control or Dissolution Event (each, as defined below).

For the purposes of this Section 9, the following terms mean:

(a) "Change of Control" - (i) a transaction or series of related transactions in which

any person" or "group" (within the meaning of Section 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended), becomes the "beneficial owner" (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended), directly or indirectly, of more than 50% of the outstanding voting securities of the Company having the right to vote for the election of members of the Company's board of directors, (ii) any reorganization, merger or consolidation of the Company, other than a transaction or series of related transactions in which the holders of the voting securities of the Company outstanding immediately prior to such transaction or series of related transactions retain, immediately after such transaction or series of related transactions, at least a majority of the total voting power represented by the outstanding voting securities of the Company or such other surviving or resulting entity or (iii) a sale, lease or other disposition of all or substantially all of the assets of the Company.

- (b) "Dissolution Event" - (i) a voluntary termination of operations, (ii) a general assignment for the benefit of the Company's creditors or (iii) any other liquidation, dissolution or winding up of the Company (excluding a Change of Control or initial public offering), whether voluntary or involuntary.

11. Market Stand-Off. If so requested by the Company or any representative of the underwriters (the "Managing Underwriter") in connection with any underwritten or Regulation A+ offering of securities of the Company under the Securities Act, the undersigned (including any successor or assign) shall not sell or otherwise transfer any Shares or other securities of the Company during the 30-day period preceding and the 270-day period following the effective date of a registration or offering statement of the Company filed under the Securities Act for such public offering or Regulation A+ offering or underwriting (or such shorter period as may be requested by the Managing Underwriter and agreed to by the Company) (the "Market Standoff Period"). The Company may impose stop-transfer instructions with respect to securities subject to the foregoing restrictions until the end of such Market Standoff Period.

12. Notices. All notices or other communications given or made hereunder shall be in writing and shall be mailed, by registered or certified mail, return receipt requested, postage prepaid or otherwise actually delivered, to the undersigned's address provided to the Company at the address set forth in the Form C, or such other place as the undersigned or the Company from time to time designate in writing.

15. Invalidity of Specific Provisions. If any provision of this Agreement is held to be illegal, invalid, or unenforceable under the present or future laws effective during the term of this Agreement, such provision shall be fully severable; this Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part of this Agreement, and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance from this Agreement.

16. Titles and Subtitles. The titles of the sections and subsections of this Agreement are for convenience of reference only and are not to be considered in construing this Agreement.

17. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Any holder of Series CF1 Seed Preferred Stock and/or Series CF2 Seed Preferred Stock shall have the right to convert those shares, with any accrued but unpaid dividends, at any time into Common Stock, at the conversion price then in effect. Additionally, each share of Series CF1 Seed Preferred Stock and/or Series CF2 Seed Preferred Stock, as the case may be, shall be converted into Common Stock, if so elected by holders of a majority of the shares of Series CF1 Seed Preferred Stock and/or Series CF2 Seed Preferred Stock, as the case may be, with any accrued but unpaid dividends convertible at the conversion price then in effect.

After the Preference Amounts have been paid in full, each share of the Series CF1 Seed Preferred Stock and/or Series CF2 Seed Preferred Stock, as the case may be, shall be convertible into shares of the Company's Common Stock at the election of the Company, provided, however, that all shares of the Series CF1 Seed Preferred Stock and/or Series CF2 Seed Preferred Stock, as the case may be, shall be automatically converted upon a public offering of the Company's securities of at least Twenty Million Dollars (\$20,000,000) where the Common Stock is offered for not less than Four Dollars (\$4.00) per share.

Series CF1 Seed Preferred Stock shall initially convert to Common Stock on a one to one ratio (i.e., a conversion price of \$1.8707) and Series CF2 Seed Preferred Stock shall initially convert to Common Stock on a one to one ration (i.e., a conversion price of \$2.2450) unless adjusted for stock splits, reverse splits, or other capital restructuring as described below.

If at any time, the Company shall issue additional shares of Common Stock (or shares of another class of stock convertible into common stock or warrants or options for common stock or a class of convertible stock, or debt convertible into any of the foregoing) and if the price per share is less than the then current conversion price, the

conversion price shall be adjusted to a weighted average based on such lower price. Shares, options or warrants issued to institutional lenders, strategic partners and under a Company option plan of 200,000 shares (and any increase approved by holders of a majority of the shares of Series CF Seed Preferred Stock) are excluded.

Voting Rights:

The holders of Series CF1 Seed Preferred Stock and Series CF2 Seed Preferred Stock shall have the right to vote the number of votes equal to the number of shares of common stock into which the Series Preferred Stock held by them would then be convertible.

Liquidation Rights:

Unless previously converted, the holders of the Series CF1 Seed Preferred Stock and Series CF2 Seed Preferred Stock shall be entitled to a liquidation preference equal to the applicable Preference Amount (reduced by any dividends actually paid to such holders). The liquidation preference shall also be applicable, in the form of a cash or in-kind payment to the holders of any Series CF1 Seed Preferred Stock and/or Series CF2 Seed Preferred Stock, as the case may be, not previously converted (in lieu of any participation with Common Stock), in the event of a sale of all or substantially all of the assets of, or merger (including stock for stock exchanges) or consolidation of, the Company. After payment of the Preference Amount, the Series CF1 Seed Preferred Stock and/or Series CF2 Seed Preferred Stock, as the case may be, will share pro rata on an "as converted basis".

If there are not sufficient proceeds to fully pay all Preference Amounts for all outstanding Preferred Shareholders, the proceeds of liquidation will be distributed pro rata to the holders, based on the respective liquidation preferences.

Board Rights:

At each election of Directors, the holders of Series CF1 Seed Preferred Stock and Series CF2 Seed Preferred Stock will vote as a single class to elect one (1) director (the "Series CF Seed Director"). Holders of Series Seed Preferred Stock have the right to elect one (1) director and the holders of common stock have the right to elect three (3) directors.

Right of First Refusal:

The Company shall have a right of first negotiation and first refusal and the remaining stockholders shall have a right of second refusal with respect to any proposed sale of Series CF1 Seed Preferred Stock (or Common Stock into which it has been converted) and/or Series CF2 Seed Preferred Stock (or Common Stock into which it has been converted) by any Series CF Seed investor to a third party (transfers among Series CF Seed investors excluded). These rights shall terminate upon the Company's initial public offering or upon sale of the Company.

Stock Options, Warrants, Etc.: The Company has reserved 200,000 shares of Common Stock for issuance under its Option Plan.

Protective Rights: The holders of the Series CF1 Seed Preferred Stock and Series CF2 Seed Preferred Stock, by a majority vote have the right to consent to amendments to the Company's Certificate of Incorporation, By-Laws or any other action which materially and adversely affects the rights, privileges and preferences of the Series CF Seed Preferred Stock in relation to the Common Stock.

The Series CF Seed investors shall have preemptive rights to invest on the same terms as subsequent investors (unless (i) waived by the holders of a majority of the shares of Series CF1 Seed Preferred Stock and Series CF2 Seed Preferred Stock in response to a demand made with respect to any proposed Venture Capital or institutional investment of \$2,000,000 or more, or (ii) waived by the holders of at least two-thirds of the shares of Series CF1 Seed Preferred Stock and Series CF2 Seed Preferred Stock). The Series CF Seed investors will not have preemptive rights with regard to any strategic stock investments, acquisitions by the Company or other similar transactions. A stock option plan (or warrants for consultants, etc.) can be adopted or increased, without triggering the pre-emptive rights of the Series CF Seed investors.

The Series CF Seed investors shall have take-along rights and be subject to bring-along obligations with respect to any transaction approved by the holders of Common Stock (subject to the three times "exit" provision above).

Information Rights: Each Series CF Seed investor shall be entitled to receive annual unaudited financial statements, as well as any significant revisions to the Company's business plan. The annual statements will be delivered within 120 days after the end of the fiscal year. If for any other reason, such statements are audited or reviewed, then such audited or reviewed statements shall be delivered. Additionally, such statements will be accompanied by a summary business report. To the extent that the Board approves any substantial change to the Company's business plan, such plan or a summary of the changes will be provided to each Series CF Seed Investor.
