Lora Rae Anderson
Director of Communications at the Connecticut Department of Consumer Protection

October 26, 2015, Aaron was senior to Lora Rae but didn't manage directly

Lora Rae did a great job for the Obama campaign in Ohio in 2012. She is focused, energetic and has a keen understanding of the dynamics of organizing young voters

Natalie Wymer
Vice President, Global Corporate Communications at SunPower Corporation

October 24, 2011, Aaron managed Natalie directly

Natalie was an amazing asset to the Obama/Biden Ohio campaign in 2008. Her ability to work in an ever changing, fast paced environment was key. Natalie was able to work strategically to ensure we were able to deploy the appropriate surrogates and principals to the most effective media markets - helping the campaign get maximum exposure. She would work with the entire team to ensure all our assets were being used in the most effective manner. She was also a tireless, focused, good humored, tenacious member of the President's team in Ohio
