Rachel Svelan, PHR
Head of Talent at Cloud Academy, Inc. - We are hiring!

October 19, 2016, Jeffrey worked with Rachel but at different companies

I recently referred a small business client to Rachel who was experience high employee turnover. Rachel was quickly able to assess the problem and implement a workable solution. Within weeks she drafted an employee handbook and training plan for employees, both of which have helped our client reduce turnover by 20%.
