teleCalm

Jan 2016 – Present · 4 yrs 9 mos

Dallas/Fort Worth Area

At teleCalm, we have developed the first phone service platform for the 5.3 million seniors living with Alzheimer's and other dementias. The teleCalm wireless desk phone is easy to set up and solves the phone-related challenges for families affected by this disease.

We understand the importance of keeping loved ones in contact with friends and family, which boosts their emotional and physical well-being. teleCalm helps seniors retain the dignity and confidence to continue living in place, while reducing everyday stress for their caregivers.
