## INDEPENDENT ACCOUNTANT REVIEW REPORT

To the Board of Skejul, Inc:

We have reviewed the accompanying statement of financial position of Skejul, Inc. as of December 31, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America

**Skejul, Inc**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2017**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

Skejul, Inc is a Delaware C Corporation headquartered in St. Louis, MO. Its primary business is software, data and data analytics around the process of scheduling. Skejul is an early-stage tech company and is currently developing the initial beta product for consumers.

**Basis of Accounting**

The financial statements of the Company have been prepared on the accrual basis. As a result, the Company records revenue when earned and expenses when incurred.

**Cash and Cash Equivalents**

For purposes of the statements of cash flows, the Company considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

**Use of Estimates**

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosures of contingent assets and liabilities and other items, as well as the reported revenues and expenses. Actual results could differ from those estimates.

**Skejul, Inc**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2017**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Property and Depreciation

Property and Equipment is stated at cost. Accounting principles generally accepted in the United States of America require that property and equipment be depreciated using the straight line method. Depreciation in these financial statements reflects accelerated depreciation methods used for the tax return. The effects of these departures from accounting principles generally accepted in the United States of America on financial position, results of operations, and cash flows have not been determined. Expenditures for normal repairs and maintenance are charged to operations as incurred.

The Company reviews long-lived assets for impairment whenever events or circumstances indicate that the carrying value of such assets may not be fully recoverable. Impairment is present when the sum of the undiscounted estimated future cash flows expected to result from use of the assets is less than carrying value. If impairment is present, the carrying value of the impaired asset is reduced to its fair value. As of December 31, 2017 and 2016, no impairment loss has been recognized for long-lived assets.

Income Taxes

The Company, as registered as a C Corporation, is responsible for its own local, state, and federal tax liabilities. As the Company has observed losses, no liability has been observed

**Skejul, Inc**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2017**

NOTE 2 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents at year end consist of the following:

Checking and money market accounts:

	<u>December 31, 2017</u>		<u>December 31, 2016</u>	
Cash	\$	4,065	\$	2,958
<b>Total</b>	<b>\$</b>	<b>4,065</b>	<b>\$</b>	<b>2,958</b>

NOTE 3 – CONCENTRATIONS OF CREDIT AND MARKET RISK

The Company maintains substantially all of their cash balances in deposit accounts that at times may exceed Federally insured limits. The Company has not experienced any losses in such accounts. The Company believes they are not exposed to any significant credit risk related to these deposit accounts.

Financial instruments that potentially expose the Company to concentrations of credit and market risk consist primarily of cash and cash equivalents. Cash and cash equivalents are maintained at financial institutions and accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At December 31, 2017, the organization had \$0 of uninsured balances at these institutions.

**Skejul, Inc**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2017**

**NOTE 4 – FAIR VALUE MEASUREMENTS**

Fair values of assets measured on a recurring basis at December 31, 2017 are as follows:

	Quoted Prices in Active markets for Identical Assets FMV	Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
	(Level 1)	(Level 2)	(Level 3)
Cash	\$4,065	NONE	NONE

**NOTE 5. SUBSEQUENT EVENTS**

Management has evaluated subsequent events through July 5, 2018, the date on which the financial statements were available to be issued. Management has determined that none of the events occurring after the date of the balance sheet through the date of Management’s review substantially affect the amounts and disclosure of the accompanying financial statements.
