At tribeOS, we help advertisers and publishers run secure, ad-fraud free campaigns online using our decentralized and fully transparent platform. Our mission is to create the fairest, most transparent, most profitable digital advertising marketplace in the world by ending ad-fraud, decentralizing authority, increasing accountability, transparency, and ease-of-use for

advertisers and publishers alike.

Ad-fraud is not a problem that only affects large companies. On the contrary, it is the small, independent brands who can least afford it that are routinely cheated out of their li... See more
