CPO / COO
Univoice Corp
Sep 2018 – Present · 1 yr 11 mos
Austin, Texas Area

Univoice is the first language-learning platform that teaches language through song!
Traditional methods of language learning – categorical vocabulary, repetition of key words and
phrases, listening comprehension, etc. – teach only vocabulary. To meet language learner's
need to commit grammar patterns, conjugation, parts of speech, slang, irony, and other
structures to long-term memory, Univoice guides users to produce real speech with real
meaning. Its the perfect learning companion for language students inside or outside of the
classroom - as addicting and engaging as it is educational. Tying these elements together
through gamification, song by song users learn their target language via side-by-sic ...**see mor**
