Michael Oraschewsky

CEO TBJ Gourmet | Upcycled Food Association Founding Board Member
Conshohocken

Summary

I am an entrepreneur with a passion for taking good ideas to the next level. I am a Co-Founder of TBJ Gourmet, creators of bacon jam and other fine foods. I have owned and launched business from restaurants to mortgage brokerages, and had been a consultant for many successful start ups. I believe my success comes from an ability to analyse trends, build teams and design systems that function. A limitless thirst for knowledge helps as well.
