Use of Proceeds

Hando anticipates that the total cost of the project will be approximately \$450,000. The owners have committed approximately \$225,000 in equity to date.

If Hando reaches the minimum raise amount of \$150,000 on NextSeed, proceeds from the raise will be put towards the restaurant build-out, kitchen and bar equipment, opening inventory and other startup costs (e.g. signage and marketing). Anything raised above the \$150,000 minimum and up to the \$200,000 maximum will be further allocated towards the restaurant build-out, kitchen and bar equipment, opening inventory, other startup costs (e.g. signage and marketing) and labor.

Total Payment Calculator

* Payment for any given month (including the total payment at the end of the final month) indicates the cumulative amount contractually required to be paid to an investor after the end of that month, assuming the loan is not prepaid. This calculation is a mathematical illustration only and may not reflect actual performance. It does not take into account NextSeed fees of 2% on each payment made to investors. Payment is not guaranteed or insured and investors may lose some or all of the principal invested if the Issuer cannot make its payments.
