

Participant Assistive Products

Revolutionizing mobility for children, starting with a groundbreaking wheelchair

We are focused on the belief that everyone should have an equal opportunity to participate fully in life. Product is a result of the 2015 and 2016 successful crowdfunding campaign. Today, we are a growing company focused on revolutionizing mobility and improving the lives of children with disabilities. We are currently seeking experienced and motivated individuals to join our team. We are looking for individuals who are passionate about helping and other relevant fields.

Kevin King CEO, Founder, Co-Founder of Participant Assistive Products
