👁️ Whoa! \$100k in interest in another round of crowdfunding already? You might be trying to tell us something...

And believe it: we're listening.

If you haven't expressed your interest yet, you can do so at [angel.com/theshift](https://angel.com/theshift) Only takes a couple minutes.

Legal makes us say this part: (1) no money or other consideration is being solicited, and if sent, will not be accepted; (2) no offer to buy the securities can be accepted and no part of the purchase price can be received until the offering statement is filed and only through an intermediary's platform; (3) a prospective purchaser's indication of interest is non-binding.

🎉🎉 Last night we announced we are now gauging interest in a possible third round of crowdfunding at [angel.com/theshift](https://angel.com/theshift), AND we shared this INCREDIBLE art from the animatic (animated storyboard) we are putting together of an important sequence from the feature film.

If you missed your chance at investing, or would like to invest again, head on over to [angel.com/theshift](https://angel.com/theshift) to express your interest in joining a third round so you can be one of the first to know when and if we open up investment again.
