Experience

Entrepreneur

DownToDash

Sep 2015 – Present · 3 yrs 10 mos

DownToDash is an app that connects people in the same location based on what they are down to do whether it's workouts, sports, movies or travelling. The app allows users to discover what events, classes and activities that are going on around them and connect with people who are down for the same. Users can create a specific plan (example: play Tennis on Thursday at 5 pm) and other users can join the plan.

Intern

Lightbox Ventures

May 2015 – Aug 2015 · 4 mos

Mumbai Area, India

Marketing Associate
