### About

After working for 25 years as a screenwriter in Europe -- where people have a very different relationship to food -- I returned to the US and founded Out of the Box Collective in 2010, with the goal of inspiring people to get back into their kitchens with amazing ingredients, and back around the table with their loved ones creating la ... see more

 I love my long standing relationships with the very best organic growers and food makers in California, and introducing them to our customer base with curated weekly boxes of food with a different theme each week. Take back cooking, take control of your health, and create lasting memories around the table with your loved ones.
