Foundation Collection
PERFORMANCE OCEANWEAR
LOCL

Dear Partners,

LOCL® is creating a premium niche in the global surfwear market.

After our debut in Autumn 2019, we intend to grow the LOCL® range and become synonymous with the highest levels of performance, quality and style. Our mission is to become the world's most culturally distinctive and respected surfing apparel brand through an unwavering commitment to quality, design, innovation, customer experience, and social and environmental causes.

We believe that companies today need to set the example for those of tomorrow. Through partnerships with bluesign®, Surfrider®, Oceana® and others, we will be at the forefront of environmental giving and social responsibility. Our customers will be a part of the solution.

Thank you for believing in us. We look forward to seeing you out there.

Sincerely,

Jonathan Rath
Founder & CEO

WE ARE THE NEW STANDARD

"IF THE SINS OF MODERN SURFING — THE CROWDED LINEUPS AND OVERHYPED COMPETITION — HAD ORIGINATED IN CALIFORNIA, THEN PERHAPS IT WAS TIME TO SET THINGS RIGHT. OR AT LEAST TO SAFEGUARD THE GOOD THAT WAS LEFT. THIS WAS THE THINKING. LOCALISM, ALWAYS, WAS DEFINED AS A KIND OF RETURN TO PURITY."

WINTER ANORAK

PROTECTION FROM WINTER SURFING'S ELEMENTS

The LOCL® Winter Anorak is our warmest performance jacket for serious winter surf exploration. Designed as a cold-weather outer layer to protect against frigid temperatures, wind and rain. Premium quality PrimaLoft® GOLD insulation, a performance Schoeller® microfiber shell, and a slim silhouette make the LOCL® Anorak as stylish as it is functional. Versatile enough to be worn downtown or while overlooking Atlantic lines on the bluffs of the Azores. This jacket is warm, weatherproof, and one of the finest pieces of surfing outerwear in the world.

KEY FEATURES

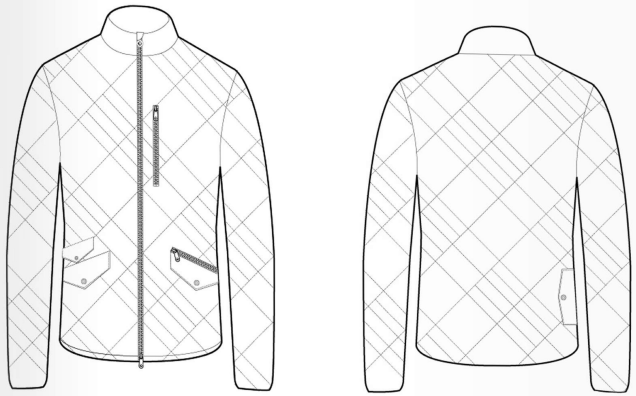
- Schoeller® microfiber performance shell
- 300 grams of PrimaLoft® GOLD insulation
- Pertex® Quantum™ microfiber quilted liner
- Riri® Simmetrica weatherproof zippers
- High storm collar for wind protection
- Breathable water-resistant membrane
- 100% windproof seam-sealed construction
- Two front zip 2-in-1 side pockets
- Two interior zippered pockets
- Anchored bottom-hem adjusters
- Interior audio cord valve

AVAILABLE COLORS

- Black with Black interior
- Fog Grey with Charcoal interior
- Navy with Pop Blue interior

RETAIL - $595

WINTER EXPLORER



MULTI-PURPOSE WINTER SURFING WARMTH

The LOCL® Winter Explorer is a warm, highly functional performance surfing jacket designed for style in cold weather. Engineered to protect you from inclement weather and to work as an all-in-one global travel piece. This jacket is equally at home downtown or while overlooking the cold water setups of Donegal. Highest quality PrimaLoft® GOLD insulation and a performance Schoeller® microfiber shell help make the LOCL® Winter Explorer a world-class piece of outerwear. This jacket is ready to meet winter's elements, and designed to take you to distant regions in comfort and style.

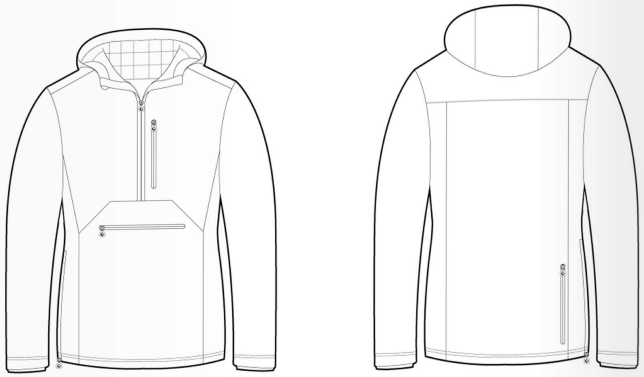
KEY FEATURES

- Schoeller® microfiber performance shell
- 200 grams of PrimaLoft® GOLD insulation
- Riri® Simmetrica weatherproof zippers
- High collar for weather protection
- Breathable water-resistant membrane
- 100% windproof seam-sealed construction
- Two front zip 3-in-1 pockets
- Two interior zippered pockets
- Anchored bottom-hem adjusters
- Interior audio cord valve

AVAILABLE COLORS

- Black with Black interior
- Charcoal with Pop Blue interior
- Navy with Navy interior

RETAIL - $595



WINDPROOF 3-SEASON COMFORT AND STYLE

The LOCL® Insulated Hooded Wind Jacket is a lightweight jacket for cold, windy and dry conditions. With 100 grams of PrimaLoft® GOLD insulation, the jacket offers heat retention without the bulk of down. Constructed from a water-resistant Schoeller® microfiber shell and a super soft quilted microfiber ripstop liner, this is an exceptional 3-season piece. The adjustable hood can be cinched down to lock out the wind, while a zipper garage at the collar prevents a cold zipper from pressing against your neck. The jacket features a vertical, zippered chest pocket; a zippered rear essentials pocket; and a unique horizontal front storage pocket. The resulting aesthetic is clean, minimal and modern.

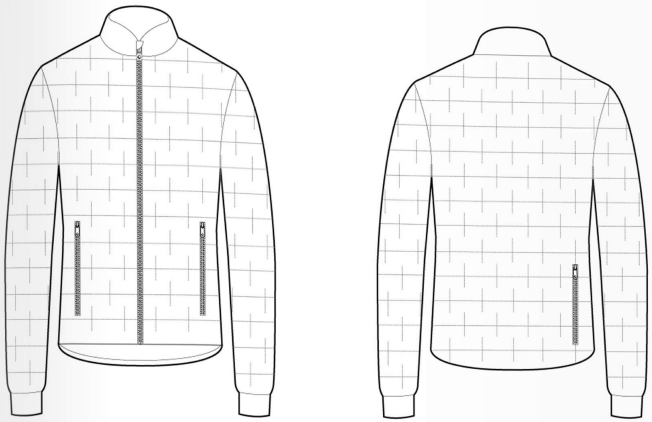
KEY FEATURES

- Schoeller® microfiber performance shell
- 100 grams of PrimaLoft® GOLD insulation
- Pertex® Quantum™ microfiber quilted liner
- Riri® Aquazip weatherproof zippers
- Breathable water-resistant membrane
- 100% windproof seam-sealed construction
- Horizontal front pocket and one chest pocket
- Two interior zippered pockets
- Unique asymmetrical pull over design
- Interior audio cord valve

AVAILABLE COLORS

- Black with Black interior
- Fog Grey with Charcoal interior
- Navy with Pop Blue interior

RETAIL - $395



TIMELESS STYLE WITH MODERN PERFORMANCE

Our lightweight performance jacket works great as an all-purpose everyday or as a go-to global travel piece. Designed with a slim-fitting tailored cut, our Lightweight Anorak is designed and built to protect you from cold temperatures, wind and rain. With premium quality PrimaLoft® GOLD insulation, a high-performance Schoeller® microfiber shell and a multitude of pockets, the LOCL® Lightweight Anorak is stylish, functional and timeless. This core piece of our line is versatile enough to be worn everyday around town or while sipping a post-session espresso in Hossegor.

KEY FEATURES

- Schoeller® microfiber performance shell
- 100 grams of PrimaLoft® GOLD insulation
- Pertex® Quantum™ microfiber quilted liner
- Riri® Simmetrica weatherproof zippers
- Breathable water-resistant membrane
- 100% windproof seam-sealed construction
- Two front side pockets and rear essentials pocket
- Two interior zippered pockets
- Anchored bottom-hem adjusters
- Interior audio cord valve

AVAILABLE COLORS

- Black with Black interior
- Fog Grey with Charcoal interior
- Navy with Pop Blue interior

COOL WEATHER SURFING SOFTSHELL

The world's finest performance softshell for early morning surf checks and post-session warmth. The LOCL® Performance Softshell offers a perfect balance of insulation, windproofing and breathability. Created as a stylish outer layer to protect against cool and inclement weather, this jacket is versatile enough for all but the coldest conditions. Designed with a tailored fit and crafted with world-class quality, this core piece of the LOCL® collection is functional, comfortable and built to last. Interior and exterior pockets provide additional function.

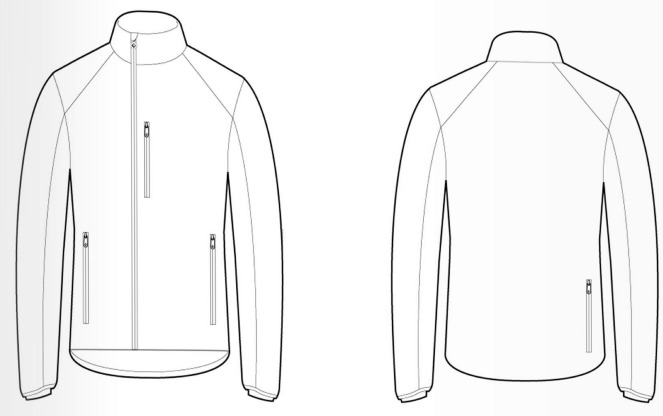
KEY FEATURES

- Schoeller® performance outer softshell
- Riri® Aquazip weatherproof zippers
- Breathable water-resistant membrane
- High collar for weather protection
- 100% windproof seam-sealed construction
- Two interior zippered pockets
- Interior audio cord valve

AVAILABLE COLORS

- Black with Black interior
- Pop Blue with Navy interior

RETAIL - $395



STORM WEATHER SURFING HARDSHELL

Our high-performance hardshell keeps you dry, comfortable and protected in stormy and inclement weather. Whether checking the surf in NorCal or on your way downtown, the LOCL® Performance Hardshell offers uncompromising rain protection and breathability. Created as a stylish outer layer, this jacket is versatile and may be worn over layers in cold conditions. Tailored with a streamlined fit and crafted with our signature attention to detail, this core piece the LOCL® collection is built to protect you from the elements.

KEY FEATURES

- Schoeller® performance outer hardshell
- Riri® Aquazip weatherproof zippers
- Breathable waterproof membrane
- High collar for weather protection
- 100% windproof seam-sealed construction
- Asymmetrical straight zip with one chest pocket
- Two interior zippered pockets
- Interior audio cord valve

AVAILABLE COLORS

- Black with Black interior

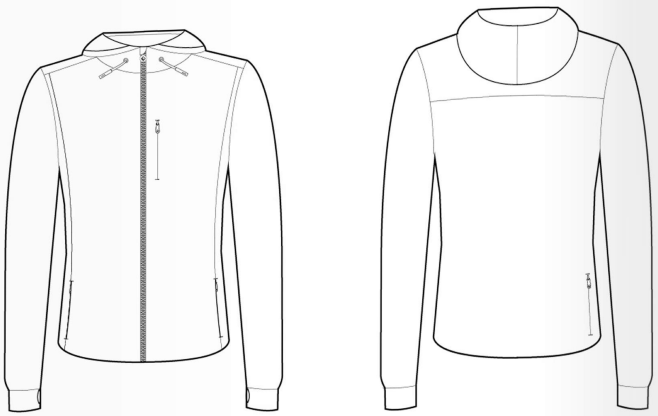
LIGHTWEIGHT HOODIE



CASUAL AND FUNCTIONAL EVERYDAY SURFING STYLE

The LOCL® Lightweight Hoodie is a surfer's everyday go-to piece for refined casual style and high quality function. This piece is designed with a modern silhouette, and constructed from a lightweight performance fleece and a soft interior microfiber ripstop liner. The high collar can be zipped up to protect your face from cool weather and the adjustable hood can be cinched down for more complete protection. The jacket also features a vertical, zippered chest pocket; a zippered rear essentials pocket, and two front hand-warmer pockets with concealed zippers on both sides. A smart interior phone pocket with an audio cord valve for headphones completes this modern piece.

KEY FEATURES

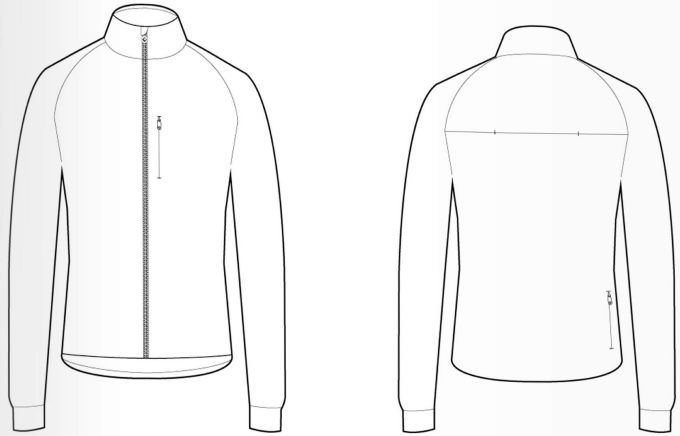
- Schoeller® microfleece performance shell
- Pertex® Quantum™ microfiber ripstop liner
- High-collar for wind protection
- Riri® Simmetrica weatherproof zippers
- Windproof seam-sealed construction
- Two front side pockets and one chest pocket
- Interior phone pocket and audio cord valve

AVAILABLE COLORS

- Black with Black detail
- Charcoal with Fog Grey detail
- Navy Blue with Pop Blue detail

RETAIL - $195

LIGHTWEIGHT WIND JACKET



WINDPROOF AND PACKABLE SURFING ESSENTIAL

The LOCL® Lightweight Wind Jacket is designed for temperate surfing conditions, including cool morning surf checks, and sudden showers. The two-way stretch fabric is extremely lightweight and packs down small to fit into an included LOCL® branded pouch. The jacket features a zippered chest pocket and zippered rear essentials pocket. An interior phone pocket with an audio cord valve for headphones adds to the functionality of the jacket. This is an essential and versatile piece for the modern surfer who is always on the go.

KEY FEATURES

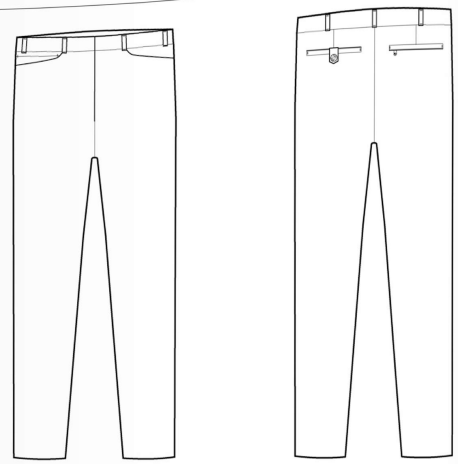
- Schoeller® windproof 2-way stretch
- Tailored for style, comfort and performance
- Left chest vertical zippered valuables pocket
- High storm collar for wind protection
- Zippered rear essentials pocket
- Nanosphere® coated for stain protection
- Treated with activesilver™ for moisture control
- Includes branded waterproof drawstring bag

AVAILABLE COLORS

- Black with Black detail
- Fog Grey with Charcoal detail
- Pop Blue with Navy detail

RETAIL - $195

CLASSIC TROUSER



CLASSICALLY TAILORED SURFING TROUSERS

Inspired by durable and casual styles worn by California surfers from the 50s and 60s, the LOCL® Classic Trouser brings an updated silhouette and modern performance to a surfing and global travel essential. These stylish, slim-fitting straight leg pants are made from a lightweight, breathable fabric, which has a slight stretch. The fabric is quick drying, and crease resistant, making the trousers ideal for traveling. The pants feature a flat front and zipper fly closure. In addition to a smart right side slim phone pocket and two front pockets, the pants feature one rear zippered pocket and one rear button-down pocket for function and style.

KEY FEATURES

- Slim fitting straight leg with flat front
- Fine cotton-blend performance fabric
- Slight stretch for comfort and movement
- Right side slim phone and essentials pocket
- Quick drying fabric helps wicks moisture
- Nanosphere® coated for stain protection
- Treated with activesilver™ for moisture control

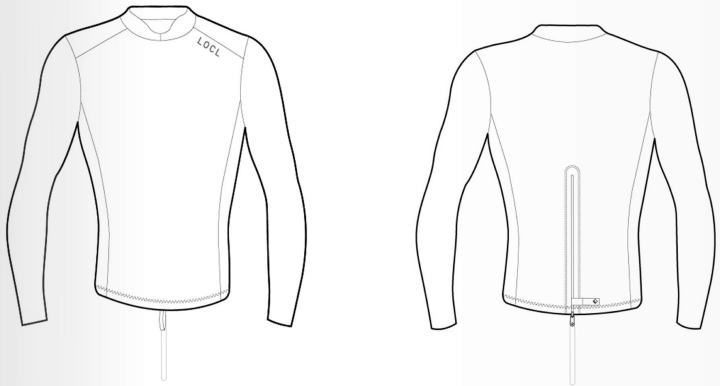
LONGSLEEVE WETSUIT TOP



AWARD-WINNING WETSUIT DESIGN

Inspired by the classic wetsuit styles of the 70s, the LOCL® Longsleeve Wetsuit Top brings modern design and world-class construction to an iconic piece of surfwear. Our finest quality wetsuit top is cut from a luxurious and exceptionally soft Japanese limestone neoprene rubber, which is lighter, more flexible, more buoyant, and significantly more friendly to the environment than traditional oil-based neoprene. The LOCL® Longsleeve Wetsuit Top is designed to take the chill out of windy days and the hurt out of a reef bounce. This piece can be worn everywhere from Malibu to the reef passes of Tahiti.

KEY FEATURES

- Luxuriously soft 2mm Yamamoto® neoprene
- Anatomical paneling for fit and flexibility
- Flatlock seams for comfort and durability
- Rear entry zipper for easy entry
- Low scoop collar for rash protection
- Front waist cinch loop

AVAILABLE COLORS
