

Hi Todd,

We'd like to personally invite you to explore the new investment opportunity in Tucson Tamale.

As you may know, Tucson Tamale has already sold more than 30 million tamales, generating over \$48 million dollars in lifetime sales. Our products are found nationwide in over 5,000 stores. Thanks to the success we've had, we're excited to expand Tucson Tamale into new product lines and are launching a new parent label under the name of Tucson Foods.

Using the same product philosophy and mission that has propelled our Tamales to the number one premium Tamale in the country, we will use that to launch and grow other premium Mexican ready to eat foods for our growing and loyal consumer base.

A few points about us that our investors love:

- Tucson Tamale is the nation's #1 Premium Tamale Brand
- Our products are available in over 5,000 Locations. Including Whole Foods, Sprouts and Publix
- The North American Mexican Food Market will grow by over \$66 BILLION by 2026

This is an opportunity to join our friends and family round and lock in an early discount on the round.
