SAN DIEGUITO ACADEMY FOUNDATION

Children

Parent Leader for all three high school baseball teams. Responsible for baseball program fundraising through the school's 503c Non-profit foundation. Handled budget, fundraising coordination, social media, program website, parent meetings, parent volunteer leadership and event planning. Interfaced with program coaches for purchasing, field maintenance, player safety, and school pride. As a member of the School athletic council, I was involved in fostering a positive environment for all student athletes at the San Dieguito Academy High School. Truly an awesome experience to work with all the parents, school staff and coaches to foster an environment for youth sports. Three great years that I will always cherish.
