Meet Walrus, the personal health manager. Walrus delivers a breakthrough member experience that improves quality-of-life for people who take Rx meds on a daily basis. Rx meds are the number one use of the benefit and for all they can do to help, they are complex chemicals that can decrease the quality-of-life. Walrus is a true action partner who goes to work for your members to find and close gaps in care while decreasing the real total cost of care through implementing
