## Experience

### CEO, Founder

Teenjobfind, Inc.

Apr 2017 – Present · 3 yrs

TeenJobFind is a company that safely matches teenagers with odd jobs in the neighborhood. Our goal is to bring to market a mobile app that takes an old school concept of teenage jobs close to home delivered right to their smartphone. Teenagers today face high academic and extra curricular demands and have less free time to commit to part-time jobs. They still want to work and earn their own money. Parents want our young people to gain experience, earn more and understand its value. Neighborhood residents and homeowners often have endless lists of tasks and are often looking for extra help with babysitting, pet-sitting, yard-work, garage cleaning, bringing in the mail/watering the plants while on vacation. TeenJobFind usi ...[see mor](#)
