Experience

Cofounder and CEO

KinectAir · Full-time

Nov 2019 - Present · 2 yrs 4 mos

Vancouver, W

KinectAir is the on-demand, app-based charter service bringing joy back to air travel and increased access to private flying for real people with real places to go.

Member, Aeronautics Research & Technology Roundtable

NASA - National Aeronautics and Space Administration

Jan 2017 - Present · 5 yrs 2 mos

Mentor

Starburst Aerospace Accelerator

Nov 2018 - Present · 3 yrs 4 mos

Worldwide

Starburst is an aviation and aerospace incubator that bridges startup innovation to the scale and resources of enterprise companies and venture capital. With offices in LA, SF, Montreal, Paris, and Munich, Starburst is cultivating these connections across the world. It's a great honor to join as a mentor and enjoy this global view to what's truly state of the art as Aviation enters the Information Age, and I hope to

Portland, Oregon Metropolitan Area

Co-Founder and Honorary Member

GUTMA

Jun 2016 - Present · 5 yrs 9 mos

Geneva Area, Switzerland

The Global Unmanned Traffic Management Association (GUTMA) is a nonprofit consortium of industry stakeholders working to publish an open, technocratic blueprint for interoperability in software-defined and networked airspace systems. We provide for the aerial robotics industry what ICANN did for the commercial Internet.
