## Experience

### Co-Founder

Kingmakers

May 2018 – Present · 2 yrs

Kingmakers is an investment fund and accelerator for business buyers. The company targets, acquires, and grows small businesses earning between \$250k and \$1.5mm/year. As part of our acquisition strategy, Kingmakers identifies experienced entrepreneurs who are interested in purchasing and operating these small businesses and partners with them on the acquisition.

### Board Of Directors

Polymath

Aug 2017 – Present · 2 yrs 9 mos

Toronto, Canada Area

Polymath dramatically lowers the barriers to entry for businesses looking to launch tokenized securities on the blockchain and for investors looking to gain exposure to regulated, asset backed tokens.

**Petar Nedyalkov**

Chief Operating Officer at Ease (Swiss Army Knife)

February 19, 2013, Deven was senior to Petar but didn't manage directly

Petar is a highly talented vc investor who takes a hands on app to identifying, analyzing, and managing investments. He has a ability to deeply understand and get at the root of a company's technology but is also passionate about understanding the commercial and market opportunities of the startups he ... [See](#)

**David Fogel**

Co-founder at ADV, Alma Angels, Israeli Tech Parliament

November 4, 2011, Deven was senior to David but didn't manage directly

I had the pleasure of spending a few months working with Davi while he was an intern at NEVEQ. I found him very thoughtful a motivated, with an innate understanding on how to turn the coi thrown around at a startup company into a concrete vision and plan. I'd love to work with David again given the opportu... [See](#)
